

# RETIREMENT OF SENATOR DALE BUMPERS

Mr. SESSIONS. Mr. President, I have been honored to have the opportunity to hear Senator BUMPERS share his perspective on public service and his personal odyssey. His story is the story of the South—depression, hardship, tough economic times, small businesses, and the son of a shopkeeper. I, too, am the son of a storekeeper and can understand and identify the qualities that have shaped Senator BUMPERS' life.

I have had the opportunity to personally observe his service in this body for just 2 years, but in that short time I have been able to appreciate his many excellent qualities. He does indeed reflect the character of the people of Arkansas. He is part of that State; he comes from its people; and, he shares its values. As an attorney who has tried many cases, I have had the pleasure to see him work on the floor of the Senate. He is articulate, able, well prepared, logical, and persuasive. He states his case very effectively. I can just imagine him before a jury in Arkansas as he boils down complex issues to their essence and appeals to their sense of values. I can see just why people refer to him as an outstanding lawyer. Many denigrate that profession, and I have been a strong critic of some of the abuses of the legal profession, but the skills possessed by the Senator from Arkansas are those skills that make a lawyer most valuable. He cuts straight to the heart of the matter in words that are comprehensible by all.

Again, I am pleased to have served with the distinguished senior Senator from Arkansas and I wish him well in his future service. He has conducted himself with high standards and has not done anything to bring discredit on this body. He has stood courageously, alone if necessary, for the values that he believed in. There is no doubt, I say to the children and grandchildren of the distinguished Senator from Arkansas, that your father and grandfather has been an able and noble practitioner in this great deliberative body of the greatest nation in the history of the world.

Mr. President, I suggest the absence of a quorum.

The PRESIDING OFFICER. The clerk will call the roll.

The legislative clerk proceeded to call the roll.

Mr. GORTON. Mr. President, I ask unanimous consent that the order for the quorum call be rescinded.

The PRESIDING OFFICER. Without objection, it is so ordered.
