

in Tibet in an attempt to destroy the Tibetans as a religious group . . ." and concluded that Tibet was at least "a de facto independent State" prior to 1951.

Now the ICJ has returned to the issue of Tibet and produced another important report. It finds that repression in Tibet has increased since 1994. This is an assessment which my daughter Maura shares after having visited Tibet and having worked closely for many years with Tibetan refugees who continue to make the dangerous journey over the Himalayan mountains to flee persecution in their homeland.

In 1996 she returned from Tibet to report,

. . . in recent months Beijing's leaders have renewed their assault on Tibetan culture, especially Buddhism, with and alarming vehemence. The rhetoric and the methods of the Cultural Revolution of the 1960s have been resurrected—reincarnated, what you will—to shape an aggressive campaign to vilify the Dalai Lama.

The Dalai Lama, of course, remains unstained, but it is time for the Chinese to consider a policy of "constructive engagement" of their own—with the Tibetans. The recent ICJ report calls on the People's Republic of China to enter into discussions with the Dalai Lama or his representatives on a solution to the question of Tibet. Mr. President, for many years now, the United States Congress has been calling for exactly this. I hope that while the President is in China, he will be able to convey the importance of this issue to secure a commitment from the Government of the People's Republic of China to begin such discussions with the Tibetans.

In 1979, Deng Xiaoping stated that "except for the independence of Tibet, all other questions can be negotiated." The Dalai Lama has repeatedly stated his unambiguous willingness to begin substantive negotiations with the Chinese without preconditions, and that the issue of independence need not be on the agenda. This is not a concession easily made by the leader of the Tibetan people who, as the ICJ concluded in 1960, enjoyed de facto independence before the Chinese take-over. Nonetheless, he has made the offer sincerely, and repeatedly, and deserves a sincere response.

The United States can help elicit such a response. In addition to the opportunity posed by the upcoming visit by the President, we now have a Special Coordinator for Tibetan Issues, Gregory B. Craig, whom Secretary Albright appointed to achieve just such a result. A special coordinator is something that our beloved Claiborne Pell proposed in the 103d Congress and I am glad we have been able to achieve another one of his aspirations. Having a Special Coordinator for Tibetan Issues will better enable the Administration to facilitate a dialogue between the Dalai Lama and the Chinese Government.

Finally, Mr. President, atheists are rarely involved in choosing divine lead-

ers, but the Chinese Communist Party has not only involved itself in the selection of the eleventh Panchen Lama, but Chinese officials have asserted that it is the party's sole right to make the selection, and they have detained the boy the Dalai Lama recognized as the next Panchen Lama. This resolution calls attention to this odious infringement on religious freedom.

The Tibetans—I think I am correct in saying—above all value their ability to practice religion. Religion infuse every aspect of Tibetan culture. We cannot begin to comprehend the affront to Tibetans of having an important religious figure detained and declared illegitimate by the Communist Party. Add to that affront that another boy is produced by the Party and proclaimed as the religious leader.

This resolution calls for the release of 9-year old Gedhun Choekyi Nyima, the boy selected by the Dalai Lama as the next Panchen Lama, who has been under detention for 3 years.

The Senate has always maintained strong support for the Tibetan cause. This resolution continues that tradition. I especially wish to thank my colleague, the Chairman of the Foreign Relations Committee, Senator HELMS, for his outstanding leadership on this issue. We are also joined in this effort by Senators LEAHY, MACK, WELLSTONE, and FEINGOLD. I thank them for their support.

"(A) such order would not restrict the disclosure of information which is relevant to the protection of public health or safety; or

##### DURBIN AMENDMENT NO. 2636

(Ordered to lie on the table.)

Mr. DURBIN submitted an amendment intended to be proposed by him to the bill, S. 1415, supra; as follows:

In title II, strike subtitle A and insert the following:

**Subtitle A—Underage Use**

**SEC. 201. FINDINGS.**

The Congress finds the following:

(1) Reductions in the underage use of tobacco products are critically important to the public health.

(2) Achieving this critical public health goal can be substantially furthered by increasing the price of tobacco products to discourage underage use if reduction targets are not achieved and by creating financial incentives for manufacturers to discourage youth from using their tobacco products.

(3) When reduction targets in underage use are not achieved on an industry-wide basis, the price increases that will result from an industry-wide assessment will provide an additional deterrence to youth tobacco use.

(4) Manufacturer-specific incentives that will be imposed if reduction targets are not met by a manufacturer provide a strong incentive for each manufacturer to make all efforts to discourage youth use of its brands and ensure the effectiveness of the industry-wide assessments.

**SEC. 202. PURPOSE.**

This title is intended to ensure that, in the event that other measures contained in this Act prove to be inadequate to produce substantial reductions in tobacco use by minors, tobacco companies will pay additional assessments. These additional assessments are designed to lower youth tobacco consumption in a variety of ways: by triggering further increases in the price of tobacco products, by encouraging tobacco companies to work to meet statutory targets for reductions in youth tobacco consumption, and by providing support for further reduction efforts.

**SEC. 203. GOALS FOR REDUCING UNDERAGE TOBACCO USE.**

(a) GOALS.—As part of a comprehensive national tobacco control policy, the Secretary, working in cooperation with State, Tribal, and local governments and the private sector, shall take all actions under this Act necessary to ensure that the required percentage reductions in underage use of tobacco products set forth in this title are achieved.

(b) REQUIRED REDUCTIONS FOR CIGARETTES.—With respect to cigarettes, the required percentage reduction in underage use, as set forth in section 204, means—

Calendar Year After Date of Enactment	Required Percentage Reduction as a Percentage of Base Incidence Percentage in Underage Cigarette Use
Years 3 and 4	20 percent
Years 5 and 6	40 percent
Years 7, 8, and 9	55 percent
Year 10 and thereafter	67 percent

(c) REQUIRED REDUCTIONS FOR SMOKELESS TOBACCO.—With respect to smokeless tobacco products, the required percentage reduction in underage use, as set forth in section 204, means—

Calendar Year After Date of Enactment	Required Percentage Reduction as a Percentage of Base Incidence Percentage in Underage Smokeless Tobacco Use
Years 3 and 4	12.5 percent
Years 5 and 6	25 percent
Years 7, 8, and 9	35 percent
Year 10 and thereafter	45 percent

**SEC. 204. LOOK-BACK ASSESSMENT.**

(a) ANNUAL PERFORMANCE SURVEY.—Beginning no later than 1999 and annually thereafter the Secretary shall conduct a survey, in accordance with the methodology in subsection (d)(1), to determine—

(1) the percentage of all young individuals who used a type of tobacco product within the past 30 days; and

(2) the percentage of young individuals who identify each brand of each type of tobacco

product as the usual brand of that type smoked or used within the past 30 days.

(b) ANNUAL DETERMINATION.—The Secretary shall make an annual determination, based on the annual performance survey conducted under subsection (a), of whether the required percentage reductions in underage use of tobacco products for a year have been achieved for the year involved. The determination shall be based on the annual percent prevalence of the use of tobacco products, for the industry as a whole and of particular manufacturers, by young individuals (as determined by the surveys conducted by the Secretary) for the year involved as compared to the base incidence percentages.

(c) CONFIDENTIALITY OF DATA.—The Secretary may conduct a survey relating to tobacco use involving minors. If the information collected in the course of conducting the annual performance survey results in the individual supplying the information or described in it to be identifiable, the information may not be used for any purpose other than the purpose for which it was supplied unless that individual (or that individual's guardian) consents to its use for such other purpose. The information may not be published or released in any other form if the individual supplying the information or described in it is identifiable unless that individual (or that individual's guardian) consents to its publication or release in other form.

(d) METHODOLOGY.—

(1) IN GENERAL.—The survey required by subsection (a) shall—

(A) be based on a nationally representative sample of young individuals;

(B) measure use of each type of tobacco product within the past 30 days;

(C) identify the usual brand of each type of tobacco product used within the past 30 days; and

(D) permit the calculation of the actual percentage reductions in underage use of a type of tobacco product (or, in the case of the manufacturer-specific surcharge, the use of a type of tobacco product of a manufacturer) based on the point estimates of the percentage of young individuals reporting use of a type of tobacco product (or, in the case of the manufacturer-specific surcharge, the use of a type of tobacco product of a manufacturer) from the annual performance survey.

(2) CRITERIA FOR DEEMING POINT ESTIMATES CORRECT.—Point estimates under paragraph (1)(D) are deemed conclusively to be correct and accurate for calculating actual percentage reductions in underage use of a type of tobacco product (or, in the case of the manufacturer-specific surcharge, the use of a type of tobacco product of a particular manufacturer) for the purpose of measuring compliance with percent reduction targets and calculating surcharges provided that the precision of estimates (based on sampling error) of the percentage of young individuals reporting use of a type of tobacco product (or, in the case of the manufacturer-specific surcharge, the use of a type of tobacco product of a manufacturer) is such that the 95-percent confidence interval around such point estimates is no more than plus or minus 1 percent.

(3) SURVEY DEEMED CORRECT, PROPER, AND ACCURATE.—A survey using the methodology required by this subsection is deemed conclusively to be proper, correct, and accurate for purposes of this Act.

(4) SECRETARY MAY ADOPT DIFFERENT METHODOLOGY.—The Secretary by notice and comment rulemaking may adopt a survey methodology that is different than the methodology described in paragraph (1) if the different methodology is at least as statistically precise as that methodology.

(e) INDUSTRY-WIDE NON-ATTAINMENT SURCHARGES.—

(1) SECRETARY TO DETERMINE INDUSTRY-WIDE NON-ATTAINMENT PERCENTAGE.—The Secretary shall determine the industry-wide non-attainment percentage for cigarettes and for smokeless tobacco for each calendar year.

(2) NON-ATTAINMENT SURCHARGE FOR CIGARETTES.—For each calendar year in which the percentage reduction in underage use required by section 203(b) is not attained, the Secretary shall assess a surcharge on cigarette manufacturers as follows:

If the non-attainment percentage is:	The surcharge is:
Not more than 5 percentage points	\$40,000,000 multiplied by the non-attainment percentage
More than 5 but not more than 20 percentage points	\$200,000,000, plus \$120,000,000 multiplied by the non-attainment percentage in excess of 5 but not in excess of 20 percentage points
More than 20 percentage points	\$2,000,000,000

(3) NON-ATTAINMENT SURCHARGE FOR SMOKELESS TOBACCO.—For each year in which the percentage reduction in underage use required by section 203(c) is not attained, the Secretary shall assess a surcharge on smokeless tobacco product manufacturers as follows:

If the non-attainment percentage is:	The surcharge is:
Not more than 5 percentage points	\$4,000,000 multiplied by the non-attainment percentage
More than 5 but not more than 20 percentage points	\$20,000,000, plus \$12,000,000 multiplied by the non-attainment percentage in excess of 5 but not in excess of 20 percentage points
More than 20 percentage points	\$200,000,000

(4) STRICT LIABILITY; JOINT AND SEVERAL LIABILITY.—Liability for any surcharge imposed under subsection (e) shall be—

(A) strict liability; and

(B) joint and several liability—

(i) among all cigarette manufacturers for surcharges imposed under subsection (e)(2); and

(ii) among all smokeless tobacco manufacturers for surcharges imposed under subsection (e)(3).

(5) SURCHARGE LIABILITY AMONG MANUFACTURERS.—A tobacco product manufacturer shall be liable under this subsection to one or more other manufacturers if the plaintiff tobacco product manufacturer establishes by a preponderance of the evidence that the defendant tobacco product manufacturer, through its acts or omissions, was responsible for a disproportionate share of the non-attainment surcharge as compared to the responsibility of the plaintiff manufacturer.

(6) EXEMPTIONS FOR SMALL MANUFACTURERS.—

(A) ALLOCATION BY MARKET SHARE.—The Secretary shall make such allocations according to each manufacturer's share of the domestic cigarette or domestic smokeless tobacco market, as appropriate, in the year for which the surcharge is being assessed, based on actual Federal excise tax payments.

(B) EXEMPTION.—In any year in which a surcharge is being assessed, the Secretary shall exempt from payment any tobacco product manufacturer with less than 1 percent of the domestic market share for a specific category of tobacco product unless the Secretary finds that the manufacturer's products are used by underage individuals at a rate equal to or greater than the manufacturer's total market share for the type of tobacco product.

(f) MANUFACTURER-SPECIFIC SURCHARGES.—

(1) **REQUIRED PERCENTAGE REDUCTIONS.**—Each manufacturer which manufactured a brand or brands of tobacco product on or before the date of the enactment of this Act shall reduce the percentage of young individuals who use such manufacturer's brand or brands as their usual brand in accordance with the required percentage reductions described under subsections (b) (with respect to cigarettes) and (c) (with respect to smokeless tobacco).

(2) **APPLICATION TO LESS POPULAR BRANDS.**—Each manufacturer which manufactured a brand or brands of tobacco product on or before the date of the enactment of this Act for which the base incidence percentage is equal to or less than the *de minimis* level shall ensure that the percent prevalence of young individuals who use the manufacturer's tobacco products as their usual brand remains equal to or less than the *de minimis* level described in paragraph (4).

(3) **NEW ENTRANTS.**—Each manufacturer of a tobacco product which begins to manufacture a tobacco product after the date of the enactment of this Act shall ensure that the percent prevalence of young individuals who use the manufacturer's tobacco products as their usual brand is equal to or less than the *de minimis* level.

(4) **DE MINIMIS LEVEL DEFINED.**—The *de minimis* level is equal to 1 percent prevalence of the use of each manufacturer's brands of tobacco product by young individuals (as determined on the basis of the annual performance survey conducted by the Secretary) for a year.

(5) **TARGET REDUCTION LEVELS.**—

(A) **EXISTING MANUFACTURERS.**—For purposes of this section, the target reduction level for each type of tobacco product for a year for a manufacturer is the product of the required percentage reduction for a type of tobacco product for a year and the manufacturers base incidence percentage for such tobacco product.

(B) **NEW MANUFACTURERS; MANUFACTURERS WITH LOW BASE INCIDENCE PERCENTAGES.**—With respect to a manufacturer which begins to manufacture a tobacco product after the date of the enactment of this Act or a manufacturer for which the baseline level as measured by the annual performance survey is equal to or less than the *de minimis* level described in paragraph (4), the base incidence percentage is the *de minimis* level, and the required percentage reduction in underage use for a type of tobacco product with respect to a manufacturer for a year shall be deemed to be the percentage reduction necessary to reduce the actual percent prevalence of young individuals identifying a brand of such tobacco product of such manufacturer as the usual brand smoked or used for such year to the *de minimis* level.

(6) **SURCHARGE AMOUNT.**—

(A) **IN GENERAL.**—If the Secretary determines that the required percentage reduction in use of a type of tobacco product has not been achieved by such manufacturer for a year, the Secretary shall impose a surcharge on such manufacturer under this paragraph.

(B) **CIGARETTES.**—For a cigarette manufacturer, the amount of the manufacturer-specific surcharge shall be an amount equal to the manufacturer's share of youth incidence for cigarettes multiplied by the following surcharge level:

If the non-attainment percentage for the manufacturer is:	The surcharge level is:
Not more than 5 percentage points	\$80,000,000 multiplied by the non-attainment percentage
More than 5 but not more than 24.1 percentage points	\$400,000,000, plus \$240,000,000 multiplied by the non-attainment percentage in excess of 5 but not in excess of 24.1 percentage points
More than 24.1 percentage points	\$5,000,000,000

(C) **SMOKELESS TOBACCO.**—For a smokeless tobacco product manufacturer, the amount of the manufacturer-specific surcharge shall be an amount equal to the manufacturer's share of youth incidence for smokeless tobacco products multiplied by the following surcharge level:

If the non-attainment percentage for the manufacturer is:	The surcharge level is:
Not more than 5 percentage points	\$8,000,000 multiplied by the non-attainment percentage
More than 5 but not more than 24.1 percentage points	\$40,000,000, plus \$24,000,000 multiplied by the non-attainment percentage in excess of 5 but not in excess of 24.1 percentage points
More than 24.1 percentage points	\$500,000,000

(D) **MANUFACTURER'S SHARE OF YOUTH INCIDENCE.**—For purposes of this subsection, the term "manufacturer's share of youth incidence" means—

(i) for cigarettes, the percentage of all youth smokers determined to have used that manufacturer's cigarettes; and

(ii) for smokeless tobacco products, the percentage of all youth users of smokeless tobacco products determined to have used that manufacturer's smokeless tobacco products.

(E) **DE MINIMIS LEVELS.**—If a manufacturer begins to manufacture a tobacco product after the date of enactment of this Act or the manufacturer's baseline level for a type of tobacco product is less than the *de minimis* level, the non-attainment percentage (for purposes of subparagraph (B) or (C)) shall be equal to the number of percentage points yielded from the percentage by which the percentage of children who used the manufacturer's tobacco products of the applicable type exceeds the *de minimis* level.

(G) **SURCHARGES TO BE ADJUSTED FOR INFLATION.**—

(1) **IN GENERAL.**—Beginning with the fourth calendar year after the date of enactment of this Act, each dollar amount in the tables in subsections (e) (2), (e) (3), (f) (6) (B), and (f) (6) (C) shall be increased by the inflation adjustment.

(2) **INFLATION ADJUSTMENT.**—For purposes of paragraph (1), the inflation adjustment for any calendar year is the percentage (if any) by which—

(A) the CPI for the preceding calendar year, exceeds

(B) the CPI for the calendar year 1998.

(3) **CPI.**—For purposes of paragraph (2), the CPI for any calendar year is the average of the Consumer Price Index for all-urban consumers published by the Department of Labor.

(4) **ROUNDING.**—If any increase determined under paragraph (1) is not a multiple of \$1,000, the increase shall be rounded to the nearest multiple of \$1,000.

(H) **METHOD OF SURCHARGE ASSESSMENT.**—The Secretary shall assess a surcharge for a specific calendar year on or before May 1 of the subsequent calendar year. Surcharge payments shall be paid on or before July 1 of the year in which they are assessed. The Secretary may establish, by regulation, interest at a rate up to 3 times the prevailing prime

rate at the time the surcharge is assessed, and additional charges in an amount up to 3 times the surcharge, for late payment of the surcharge.

(I) **BUSINESS EXPENSE DEDUCTION.**—Any surcharge paid by a tobacco product manufacturer under this section shall not be deductible as an ordinary and necessary business expense or otherwise under the Internal Revenue Code of 1986.

(J) **APPEAL RIGHTS.**—The amount of any surcharge is committed to the sound discretion of the Secretary and shall be subject to judicial review by the United States Court of Appeals for the District of Columbia Circuit, based on the arbitrary and capricious standard of section 706(2)(A) of title 5, United States Code. Notwithstanding any other provisions of law, no court shall have authority to stay any surcharge payments due the Secretary under this Act pending judicial review.

(K) **RESPONSIBILITY FOR AGENTS.**—In any action brought under this subsection, a tobacco product manufacturer shall be held responsible for any act or omission of its attorneys, advertising agencies, or other agents that contributed to that manufacturer's responsibility for the surcharge assessed under this section.

"(B) TEMPORARY INABILITY TO FARM.—In the case of the death of a person to whom an individual tobacco production permit has been issued under this section and whose descendants are temporarily unable to produce a crop of tobacco, the Secretary may hold the license in the name of the descendants for a period of not more than 18 months.

"(3) VOLUNTARY TRANSFERS.—A person that is eligible to obtain an individual tobacco production permit under this section may at any time transfer all or part of the permit to the person's spouse or direct descendants that are actively engaged in the production of tobacco.

"(h) RESERVE.—

"(1) IN GENERAL.—For each marketing year for which individual tobacco production permits are in effect under this section, the Secretary may establish a reserve from the national marketing quota in a quantity equal to not more than 1 percent of the national marketing quota to be available for—

"(A) making corrections of errors in individual acreage limitations and individual marketing limitations;

"(B) adjusting inequities; and

"(C) establishing individual tobacco production permits for new tobacco producers (except that not less than two-thirds of the reserve shall be for establishing such permits for new tobacco producers).

"(2) ELIGIBLE PERSONS.—To be eligible for a new individual tobacco production permit, a producer must not have been the principal producer of tobacco during the immediately preceding 5 years.

"(3) APPORTIONMENT FOR NEW PRODUCERS.—The part of the reserve held for apportionment to new individual tobacco producers shall be allotted on the basis of—

"(B) crop rotation practices;

"(C) soil and other physical factors affecting the production of tobacco; and

"(D) the past tobacco-producing experience of the producer.

"(4) PERMIT YIELD.—The permit yield for any producer for which a new individual tobacco production permit is established shall be determined on the basis of available productivity data for the land involved and yields for similar farms in the same county.

"(i) PENALTIES.—

"(j) MARKETING PENALTIES.—

"(1) IN GENERAL.—When individual tobacco production permits under this section are in effect, provisions with respect to penalties for the marketing of excess tobacco and the other provisions contained in section 314 shall apply in the same manner and to the same extent as they would apply under section 317(g) if farm marketing quotas were in effect.

"(2) PRODUCTION ON OTHER FARMS.—If a producer falsely identifies tobacco as having been produced on or marketed from a farm to which an individual acreage limitation or individual marketing limitation has been assigned, future individual acreage limitations and individual marketing limitations shall be forfeited."

#### SEC. 1024A. RESOLUTION OF CONFLICT WITH TITLE XV.

Notwithstanding any other provision of this Act, title XV of this act shall have no force or effect.

#### AMENDMENT NO. 2683

In lieu of the matter proposed to be struck, insert the following:

#### SEC. 1024. FLUE-CURED TOBACCO PRODUCTION PERMITS.

The Agricultural Adjustment Act of 1938 is amended by inserting after section 317 (7 U.S.C. 1314c) the following:

#### "SEC. 317A. FLUE-CURED TOBACCO PRODUCTION PERMITS.

"(a) DEFINITIONS.—In this section:

"(1) INDIVIDUAL ACREAGE LIMITATION.—The term 'individual acreage limitation' means the number of acres of flue-cured tobacco that may be planted by the holder of a permit during a marketing year, calculated—

"(A) prior to—

"(i) any increase or decrease in the number due to undermarketings or overmarketings; and

"(ii) any reduction under subsection (i); and

"(B) in a manner that ensures that—

"(i) the total of all individual acreage limitations is equal to the national acreage allotment, less the reserve provided under subsection (h); and

"(ii) the individual acreage limitation for a marketing year bears the same ratio to the individual acreage limitation for the previous marketing year as the ratio that the national acreage allotment for the marketing year bears to the national acreage allotment for the previous marketing year, subject to adjustments by the Secretary to account for any reserve provided under subsection (h).

"(2) INDIVIDUAL MARKETING LIMITATION.—The term 'individual marketing limitation' means the number of pounds of flue-cured tobacco that may be marketed by the holder of a permit during a marketing year, calculated—

"(A) prior to—

"(i) any increase or decrease in the number due to undermarketings or overmarketings; and

"(ii) any reduction under subsection (i); and

"(B) in a manner that ensures that—

"(i) the total of all individual marketing limitations is equal to the national marketing quota, less the reserve provided under subsection (h); and

"(ii) the individual marketing limitation for a marketing year is obtained by multiplying the individual acreage limitation by the permit yield, prior to any adjustment for undermarketings or overmarketings.

"(3) INDIVIDUAL TOBACCO PRODUCTION PERMIT.—The term 'individual tobacco production permit' means a permit issued by the Secretary to a person authorizing the production of flue-cured tobacco for any marketing year during which this section is effective.

"(4) NATIONAL ACREAGE ALLOTMENT.—The term 'national acreage allotment' means the quantity determined by dividing—

- "(A) the national marketing quota; by
- "(B) the national average yield goal.

"(5) NATIONAL AVERAGE YIELD GOAL.—The term 'national average yield goal' means the national average yield for flue-cured tobacco during the 5 marketing years immediately preceding the marketing year for which the determination is being made.

"(6) NATIONAL MARKETING QUOTA.—For the 1999 and each subsequent crop of flue-cured tobacco, the term 'national marketing quota' for a marketing year means the quantity of flue-cured tobacco, as determined by the Secretary, that is not more than 103 percent nor less than 97 percent of the total of—

"(A) the aggregate of the quantities of flue-cured tobacco that domestic manufacturers of cigarettes estimate that the manufacturers intend to purchase on the United States auction markets or from producers during the marketing year, as compiled and determined under section 302A;

"(B) the average annual quantity of flue-cured tobacco exported from the United States during the 3 marketing years immediately preceding the marketing year for which the determination is being made; and

"(C) the quantity, if any, of flue-cured tobacco that the Secretary, in the discretion of the Secretary, determines is necessary to increase or decrease the inventory of the producer-owned cooperative marketing association that has entered into a loan agreement with the Commodity Credit Corporation to make price support available to producers of flue-cured tobacco to establish or maintain the inventory at the reserve stock level for flue-cured tobacco.

"(7) PERMIT YIELD.—The term 'permit yield' means the yield of tobacco per acre for an individual tobacco production permit holder that is—

"(A) based on a preliminary permit yield that is equal to the average yield during the 5 marketing years immediately preceding the marketing year for which the determination is made in the county where the holder of the permit is authorized to plant flue-cured tobacco, as determined by the Secretary, on the basis of actual yields of farms in the county; and

"(B) adjusted by a weighted national yield factor calculated by—

"(i) multiplying each preliminary permit yield by the individual acreage limitation, prior to adjustments for overmarketings, undermarketings, or reductions required under subsection (i); and

"(ii) dividing the sum of the products under clause (i) for all flue-cured individual tobacco production permit holders by the national acreage allotment.

"(b) INITIAL ISSUANCE OF PERMITS.—

"(1) TERMINATION OF FLUE-CURED MARKETING QUOTAS.—On the date of enactment of the National Tobacco Policy and Youth Smoking Reduction Act, farm marketing quotas as provided under section 317 shall no longer be in effect for flue-cured tobacco.

"(2) ISSUANCE OF PERMITS TO QUOTA HOLDERS THAT WERE PRINCIPAL PRODUCERS.—

"(A) IN GENERAL.—By January 15, 1999, each individual quota holder under section 317 that was a principal producer of flue-cured tobacco during the 1998 marketing year, as determined by the Secretary, shall be issued an individual tobacco production permit under this section.

"(B) NOTIFICATION.—The Secretary shall notify the holder of each permit of the individual acreage limitation and the individual marketing limitation applicable to the holder for each marketing year.

"(C) INDIVIDUAL ACREAGE LIMITATION FOR 1999 MARKETING YEAR.—In establishing the in-

dividual acreage limitation for the 1999 marketing year under this section, the farm acreage allotment that was allotted to a farm owned by the quota holder for the 1997 marketing year shall be considered the individual acreage limitation for the previous marketing year.

"(D) INDIVIDUAL MARKETING LIMITATION FOR 1999 MARKETING YEAR.—In establishing the individual marketing limitation for the 1999 marketing year under this section, the farm marketing quota that was allotted to a farm owned by the quota holder for the 1997 marketing year shall be considered the individual marketing limitation for the previous marketing year.

"(3) QUOTA HOLDERS THAT WERE NOT PRINCIPAL PRODUCERS.—

"(A) IN GENERAL.—Except as provided in subparagraph (B), on approval through a referendum under subsection (c)—

"(i) each person that was a quota holder under section 317 but that was not a principal producer of flue-cured tobacco during the 1997 marketing year, as determined by the Secretary, shall not be eligible to own a permit; and

"(ii) the Secretary shall not issue any permit during the 25-year period beginning on the date of enactment of this Act to any person that was a quota holder and was not the principal producer of flue-cured tobacco during the 1997 marketing year.

"(B) MEDICAL HARDSHIPS AND CROP DISASTERS.—Subparagraph (A) shall not apply to a person that would have been the principal producer of flue-cured tobacco during the 1997 marketing year but for a medical hardship or crop disaster that occurred during the 1997 marketing year.

"(C) ADMINISTRATION.—The Secretary shall issue regulations—

"(i) defining the term 'person' for the purpose of this paragraph; and

"(ii) prescribing such rules as the Secretary determines are necessary to ensure a fair and reasonable application of the prohibition established under this paragraph.

"(A) IN GENERAL.—By January 15, 1999, each individual quota lessee or quota tenant (as defined in section 1002 of the LEAF Act) that was the principal producer of flue-cured tobacco during the 1997 marketing year, as determined by the Secretary, shall be issued an individual tobacco production permit under this section.

"(B) INDIVIDUAL ACREAGE LIMITATIONS.—In establishing the individual acreage limitation for the 1999 marketing year under this section, the farm acreage allotment that was allotted to a farm owned by a quota holder for whom the quota lessee or quota tenant was the principal producer of flue-cured tobacco during the 1997 marketing year shall be considered the individual acreage limitation for the previous marketing year.

"(C) INDIVIDUAL MARKETING LIMITATIONS.—In establishing the individual marketing limitation for the 1999 marketing year under this section, the individual marketing limitation for the previous year for an individual described in this paragraph shall be calculated by multiplying—

"(i) the farm marketing quota that was allotted to a farm owned by a quota holder for whom the quota lessee or quota holder was the principal producer of flue-cured tobacco during the 1997 marketing year, by

"(ii) the ratio that—

"(I) the sum of all flue-cured tobacco farm marketing quotas for the 1997 marketing year prior to adjusting for undermarketing and overmarketing; bears to

"(II) the sum of all flue-cured tobacco farm marketing quotas for the 1998 marketing year, after adjusting for undermarketing and overmarketing.

"(D) SPECIAL RULE FOR TENANT OF LEASED FLUE-CURED TOBACCO.—If the farm marketing quota or farm acreage allotment of a quota holder was produced pursuant to an agreement under which a quota lessee rented land from a quota holder and a quota tenant was the primary producer, as determined by the Secretary, of flue-cured tobacco pursuant to the farm marketing quota or farm acreage allotment, the farm marketing quota or farm acreage allotment shall be divided proportionately between the quota lessee and quota tenant for purposes of issuing individual tobacco production permits under this paragraph.

"(5) OPTION OF QUOTA LESSEE OR QUOTA TENANT TO RELINQUISH PERMIT.—

"(A) IN GENERAL.—Each quota lessee or quota tenant that is issued an individual tobacco production permit under paragraph (4) shall be given the option of relinquishing the permit in exchange for payments made under section 1021(e)(5) of the LEAF Act.

"(B) NOTIFICATION.—A quota lessee or quota tenant that is issued an individual tobacco production permit shall give notification of the intention to exercise the option at such time and in such manner as the Secretary may require, but not later than 45 days after the permit is issued.

"(C) REALLOCATION OF PERMIT.—The Secretary shall add the authority to produce flue-cured tobacco under the individual tobacco production permit relinquished under this paragraph to the county production pool established under paragraph (8) for reallocation by the appropriate county committee.

"(6) ACTIVE PRODUCER REQUIREMENT.—

"(A) REQUIREMENT FOR SHARING RISK.—No individual tobacco production permit shall be issued to, or maintained by, a person that does not fully share in the risk of producing a crop of flue-cured tobacco.

"(B) CRITERIA FOR SHARING RISK.—For purposes of this paragraph, a person shall be considered to have fully shared in the risk of production of a crop if—

"(i) the investment of the person in the production of the crop is not less than 100 percent of the costs of production associated with the crop;

"(ii) the amount of the person's return on the investment is dependent solely on the sale price of the crop; and

"(iii) the person may not receive any of the return before the sale of the crop.

"(C) PERSONS NOT SHARING RISK.—

"(i) FORFEITURE.—Any person that fails to fully share in the risks of production under this paragraph shall forfeit an individual tobacco production permit if, after notice and opportunity for a hearing, the appropriate county committee determines that the conditions for forfeiture exist.

"(ii) REALLOCATION.—The Secretary shall add the authority to produce flue-cured tobacco under the individual tobacco production permit forfeited under this subparagraph to the county production pool established under paragraph (8) for reallocation by the appropriate county committee.

"(D) NOTICE.—Notice of any determination made by a county committee under subparagraph (C) shall be mailed, as soon as practicable, to the person involved.

"(7) COUNTY OF ORIGIN REQUIREMENT.—For the 1999 and each subsequent crop of flue-cured tobacco, all tobacco produced pursuant to an individual tobacco production permit shall be produced in the same county in which was produced the tobacco produced

**"(8) COUNTY PRODUCTION POOL.—**

**"(A) IN GENERAL.—**The authority to produce flue-cured tobacco under an individual tobacco production permit that is forfeited, relinquished, or surrendered within a county may be reallocated by the appropriate county committee to tobacco producers located in the same county they apply to the committee to produce flue-cured tobacco under the authority.

**"(B) PRIORITY.—**In reallocating individual tobacco production permits under this paragraph, a county committee shall provide a priority to—

**"(i)** an active tobacco producer that controls the authority to produce a quantity of flue-cured tobacco under an individual tobacco production permit that is equal to or less than the average number of pounds of flue-cured tobacco that was produced by the producer during each of the 1995 through 1997 marketing years, as determined by the Secretary; and

**"(3) APPROVAL OF PERMITS.—**If the Secretary determines that more than 66½ percent of the producers voting in the special referendum approve the establishment of individual tobacco production permits on an acreage-poundage basis—

#### FORD AMENDMENT NO. 2684

(Ordered to lie on the table.)

Mr. FORD submitted an amendment intended to be proposed by him to the bill, S. 1415, *supra*; as follows:

Strike out all after the enacting clause and insert the following:

#### SECTION 1. SHORT TITLE; TABLE OF CONTENTS.

(a) SHORT TITLE.—This Act may be cited as the "National Tobacco Policy and Youth Smoking Reduction Act".

(b) TABLE OF CONTENTS.—The table of contents for this Act is as follows:

\* \* \* \* \*

#### SEC. 2. FINDINGS.

The Congress finds the following:

(1) The use of tobacco products by the Nation's children is a pediatric disease of epic and worsening proportions that results in new generations of tobacco-dependent children and adults.

(2) A consensus exists within the scientific and medical communities that tobacco products are inherently dangerous and cause cancer, heart disease, and other serious adverse health effects.

(3) Nicotine is an addictive drug.

(4) Virtually all new users of tobacco products are under the minimum legal age to purchase such products.

(5) Tobacco advertising and marketing contribute significantly to the use of nicotine-containing tobacco products by adolescents.

(6) Because past efforts to restrict advertising and marketing of tobacco products have failed adequately to curb tobacco use by adolescents, comprehensive restrictions on the sale, promotion, and distribution of such products are needed.

(7) Federal and State governments have lacked the legal and regulatory authority and resources they need to address comprehensively the public health and societal problems caused by the use of tobacco products.

(8) Federal and State public health officials, the public health community, and the public at large recognize that the tobacco industry should be subject to ongoing oversight.

(9) Under Article I, Section 8 of the Constitution, the Congress is vested with the responsibility for regulating interstate commerce and commerce with Indian tribes.

(10) The sale, distribution, marketing, advertising, and use of tobacco products are activities in and substantially affecting interstate commerce because they are sold, marketed, advertised, and distributed in interstate commerce on a nationwide basis, and have a substantial effect on the Nation's economy.

(11) The sale, distribution, marketing, advertising, and use of such products substantially affect interstate commerce through the health care and other costs attributable to the use of tobacco products.

(12) The citizens of the several States are exposed to, and adversely affected by, envi-

ronmental smoke in public buildings and other facilities which imposes a burden on interstate commerce.

(13) Civil actions against tobacco product manufacturers and others are pending in Federal and State courts arising from the use, marketing, and sale of tobacco products. Among these actions are cases brought by the attorneys general of more than 40 States, certain cities and counties, and the Commonwealth of Puerto Rico, and other parties, including Indian tribes, and class actions brought by private claimants (such as in the Castano Civil Actions), seeking to recover monies expended to treat tobacco-related diseases and for the protection of minors and consumers, as well as penalties and other relief for violations of antitrust, health, consumer protection, and other laws.

(14) Civil actions have been filed throughout the United States against tobacco product manufacturers and their distributors, trade associations, law firms, and consultants on behalf of individuals or classes of individuals claiming to be dependent upon and injured by tobacco products.

(15) These civil actions are complex, time-consuming, expensive, and burdensome for both the litigants and Federal and State courts. To date, these civil actions have not resulted in sufficient redress for smokers or non-governmental third-party payers. To the extent that governmental entities have been or may in the future be compensated for tobacco-related claims they have brought, it is not now possible to identify what portions of such past or future recoveries can be attributed to their various antitrust, health, consumer protection, or other causes of action.

(16) It is in the public interest for Congress to adopt comprehensive public health legislation because of tobacco's unique position in the Nation's history and economy; the need to prevent the sale, distribution, marketing and advertising of tobacco products to persons under the minimum legal age to purchase such products; and the need to educate the public, especially young people, regarding the health effects of using tobacco products.

(17) The public interest requires a timely, fair, equitable, and consistent result that will serve the public interest by (A) providing that a portion of the costs of treatment for diseases and adverse health effects associated with the use of tobacco products is borne by the manufacturers of these products, and (B) restricting throughout the Nation the sale, distribution, marketing, and advertising of tobacco products only to persons of legal age to purchase such products.

(18) Public health authorities estimate that the benefits to the Nation of enacting Federal legislation to accomplish these goals would be significant in human and economic terms.

(19) Reducing the use of tobacco by minors by 50 percent would prevent well over 60,000 early deaths each year and save up to \$43 billion each year in reduced medical costs, improved productivity, and the avoidance of premature deaths.

(20) Advertising, marketing, and promotion of tobacco products have been especially directed to attract young persons to use tobacco products and these efforts have resulted in increased use of such products by youth. Past efforts to oversee these activities have not been successful in adequately preventing such increased use.

(21) In 1995, the tobacco industry spent close to \$4,900,000,000 to attract new users, retain current users, increase current consumption, and generate favorable long-term attitudes toward smoking and tobacco use.

(22) Tobacco product advertising often misleadingly portrays the use of tobacco as socially acceptable and healthful to minors.

(23) Tobacco product advertising is regularly seen by persons under the age of 18, and persons under the age of 18 are regularly exposed to tobacco product promotional efforts.

(24) Through advertisements during and sponsorship of sporting events, tobacco has become strongly associated with sports and has become portrayed as an integral part of sports and the healthy lifestyle associated with rigorous sporting activity.

(25) Children are exposed to substantial and unavoidable tobacco advertising that leads to favorable beliefs about tobacco use, plays a role in leading young people to overestimate the prevalence of tobacco use, and increases the number of young people who begin to use tobacco.

(26) Tobacco advertising increases the size of the tobacco market by increasing consumption of tobacco products including increasing tobacco use by young people.

(27) Children are more influenced by tobacco advertising than adults, they smoke the most advertised brands, and children as young as 3 to 6 years old can recognize a character associated with smoking at the same rate as they recognize cartoons and fast food characters.

(28) Tobacco company documents indicate that young people are an important and often crucial segment of the tobacco market.

(29) Comprehensive advertising restrictions will have a positive effect on the smoking rates of young people.

(30) Restrictions on advertising are necessary to prevent unrestricted tobacco advertising from undermining legislation prohibiting access to young people and providing for education about tobacco use.

(31) International experience shows that advertising regulations that are stringent and comprehensive have a greater impact on overall tobacco use and young people's use than weaker or less comprehensive ones. Text-only requirements, while not as stringent as a ban, will help reduce underage use of tobacco products while preserving the informational function of advertising.

(32) It is in the public interest for Congress to adopt legislation to address the public health crisis created by actions of the tobacco industry.

(33) If, as a direct or indirect result of this Act, the consumption of tobacco products in the United States is reduced significantly, then tobacco farmers, their families, and their communities may suffer economic hardship and displacement, notwithstanding their lack of involvement in the manufacturing and marketing of tobacco products.

(34) The use of tobacco products in motion pictures and other mass media glamorizes its use for young people and encourages them to use tobacco products.

#### SEC. 3. PURPOSE.

The purposes of this Act are—

(1) to clarify the authority of the Food and Drug Administration to regulate tobacco products under the Federal Food, Drug, and Cosmetic Act (21 U.S.C. 301 et seq.), by recognizing it as the primary Federal regulatory authority with respect to the manufacture, marketing, and distribution of tobacco products;

(2) to require the tobacco industry to fund both Federal and State oversight of the tobacco industry from on-going payments by tobacco product manufacturers;

(3) to require tobacco product manufacturers to provide ongoing funding to be used for an aggressive Federal, State, and local enforcement program and for a nationwide licensing system to prevent minors from obtaining tobacco products and to prevent the unlawful distribution of tobacco products, while expressly permitting the States to

adopt additional measures that further restrict or eliminate the products' use;

(4) to ensure that the Food and Drug Administration and the States may continue to address issues of particular concern to public health officials, especially the use of tobacco by young people and dependence on tobacco;

(5) to impose financial surcharges on tobacco product manufacturers if tobacco use by young people does not substantially decline;

(6) to authorize appropriate agencies of the Federal government to set national standards controlling the manufacture of tobacco products and the identity, public disclosure, and amount of ingredients used in such products;

(7) to provide new and flexible enforcement authority to ensure that the tobacco industry makes efforts to develop and introduce less harmful tobacco products;

(8) to confirm the Food and Drug Administration's authority to regulate the levels of tar, nicotine, and other harmful components of tobacco products;

“(iii) provide the advisory committee a reasonable time to make its recommendation with respect to proposed regulations under subparagraph (A); and

“(iv) in establishing the effective date of a regulation promulgated under this sub-

section, take into account the differences in the manner in which the different types of tobacco products have historically been produced, the financial resources of the different tobacco product manufacturers, and the state of their existing manufacturing facilities; and shall provide for a reasonable period of time for such manufacturers to conform to good manufacturing practices.

“(2) EXEMPTIONS; VARIANCES.—

“(A) Any person subject to any requirement prescribed under paragraph (1) may petition the Secretary for a permanent or temporary exemption or variance from such requirement. Such a petition shall be submitted to the Secretary in such form and manner as the Secretary shall prescribe and shall—

“(i) in the case of a petition for an exemption from a requirement, set forth the basis for the petitioner's determination that compliance with the requirement is not required to assure that the tobacco product will be in compliance with this chapter;

“(ii) in the case of a petition for a variance from a requirement, set forth the methods proposed to be used in, and the facilities and controls proposed to be used for, the manufacture, packing, and storage of the tobacco product in lieu of the methods, facilities, and controls prescribed by the requirement; and

“(iii) contain such other information as the Secretary shall prescribe.

“(B) The Secretary may refer to an advisory committee any petition submitted under subparagraph (A). The advisory committee shall report its recommendations to the Secretary with respect to a petition referred to it within 60 days after the date of the petition's referral. Within 60 days after—

“(i) the date the petition was submitted to the Secretary under subparagraph (A); or

“(ii) the day after the petition was referred to an advisory committee,

whichever occurs later, the Secretary shall by order either deny the petition or approve it.

“(C) The Secretary may approve—

“(i) a petition for an exemption for a tobacco product from a requirement if the Secretary determines that compliance with such requirement is not required to assure that the tobacco product will be in compliance with this chapter; and

“(ii) a petition for a variance for a tobacco product from a requirement if the Secretary determines that the methods to be used in, and the facilities and controls to be used for, the manufacture, packing, and storage of the tobacco product in lieu of the methods, controls, and facilities prescribed by the requirement are sufficient to assure that the tobacco product will be in compliance with this chapter.

“(D) An order of the Secretary approving a petition for a variance shall prescribe such conditions respecting the methods used in, and the facilities and controls used for, the manufacture, packing, and storage of the tobacco product to be granted the variance under the petition as may be necessary to assure that the tobacco product will be in compliance with this chapter.

“(E) After the issuance of an order under subparagraph (B) respecting a petition, the petitioner shall have an opportunity for an informal hearing on such order.

“(3) Compliance with requirements under this subsection shall not be required before the period ending 3 years after the date of enactment of the National Tobacco Policy and Youth Smoking Reduction Act.

“(f) EXEMPTION FOR INVESTIGATIONAL USE.—The Secretary may exempt tobacco products intended for investigational use from this chapter under such conditions as the Secretary may prescribe by regulation.

“(g) RESEARCH AND DEVELOPMENT.—The Secretary may enter into contracts for research, testing, and demonstrations respecting tobacco products and may obtain tobacco products for research, testing, and demonstration purposes without regard to section 3324(a) and (b) of title 31, United States Code, and section 5 of title 41, United States Code.

**“SEC. 907. PERFORMANCE STANDARDS.**

“(a) IN GENERAL.—

“(1) FINDING REQUIRED.—The Secretary may adopt performance standards for a tobacco product if the Secretary finds that a performance standard is appropriate for the protection of the public health. This finding shall be determined with respect to the risks and benefits to the population as a whole, including users and non-users of the tobacco product, and taking into account—

“(A) the increased or decreased likelihood that existing users of tobacco products will stop using such products; and

“(B) the increased or decreased likelihood that those who do not use tobacco products will start using such products.

“(2) CONTENT OF PERFORMANCE STANDARDS.—A performance standard established under this section for a tobacco product—

“(A) shall include provisions to provide performance that is appropriate for the protection of the public health, including provisions, where appropriate—

“(i) for the reduction or elimination of nicotine yields of the product; and

“(ii) for the reduction or elimination of other constituents or harmful components of the product; or

“(iii) relating to any other requirement under (B);

“(B) shall, where necessary to be appropriate for the protection of the public health, include—

“(i) provisions respecting the construction, components, ingredients, and properties of the tobacco product; and

“(ii) provisions for the testing (on a sample basis or, if necessary, on an individual basis) of the tobacco product; and

“(iii) provisions for the measurement of the performance characteristics of the tobacco product; and

“(iv) provisions requiring that the results of each or of certain of the tests of the tobacco product required to be made under clause (ii) show that the tobacco product is in conformity with the portions of the standard for which the test or tests were required; and

“(v) a provision requiring that the sale and distribution of the tobacco product be restricted but only to the extent that the sale and distribution of a tobacco product may be restricted under a regulation under section 906(d); and

“(C) shall, where appropriate, require the use and prescribe the form and content of labeling for the proper use of the tobacco product.

“(3) PERIODIC RE-EVALUATION OF PERFORMANCE STANDARDS.—The Secretary shall provide for periodic evaluation of performance standards established under this section to determine whether such standards should be changed to reflect new medical, scientific, or other technological data. The Secretary may provide for testing under paragraph (2) by any person.

“(4) INVOLVEMENT OF OTHER AGENCIES; INFORMED PERSONS.—In carrying out duties under this section, the Secretary shall, to the maximum extent practicable—

“(A) use personnel, facilities, and other technical support available in other Federal agencies; and

“(B) consult with other Federal agencies concerned with standard-setting and other

nationally or internationally recognized standard-setting entities; and

“(C) invite appropriate participation, through joint or other conferences, workshops, or other means, by informed persons representative of scientific, professional, industry, or consumer organizations who in the Secretary's judgment can make a significant contribution.

“(b) ESTABLISHMENT OF STANDARDS.—

“(1) NOTICE.—

“(A) The Secretary shall publish in the Federal Register a notice of proposed rulemaking for the establishment, amendment, or revocation of any performance standard for a tobacco product.

“(B) A notice of proposed rulemaking for the establishment or amendment of a performance standard for a tobacco product shall—

“(i) set forth a finding with supporting justification that the performance standard is appropriate for the protection of the public health; and

“(ii) set forth proposed findings with respect to the risk of illness or injury that the performance standard is intended to reduce or eliminate; and

“(iii) invite interested persons to submit an existing performance standard for the tobacco product, including a draft or proposed performance standard, for consideration by the Secretary.

“(C) A notice of proposed rulemaking for the revocation of a performance standard shall set forth a finding with supporting justification that the performance standard is no longer necessary to be appropriate for the protection of the public health.

“(D) The Secretary shall consider all information submitted in connection with a proposed standard, including information concerning the countervailing effects of the performance standard on the health of adolescent tobacco users, adult tobacco users, or non-tobacco users, such as the creation of a significant demand for contraband or other tobacco products that do not meet the requirements of this chapter and the significance of such demand, and shall issue the standard if the Secretary determines that the standard would be appropriate for the protection of the public health.

“(E) The Secretary shall provide for a comment period of not less than 60 days.

“(2) PROMULGATION.—

“(A) After the expiration of the period for comment on a notice of proposed rulemaking published under paragraph (1) respecting a performance standard and after consideration of such comments and any report from an advisory committee, the Secretary shall—

“(i) promulgate a regulation establishing a performance standard and publish in the Federal Register findings on the matters referred to in paragraph (1); or

“(ii) publish a notice terminating the proceeding for the development of the standard together with the reasons for such termination.

“(B) A regulation establishing a performance standard shall set forth the date or dates upon which the standard shall take effect, but no such regulation may take effect before one year after the date of its publication unless the Secretary determines that an earlier effective date is necessary for the protection of the public health. Such date or dates shall be established so as to minimize, consistent with the public health, economic loss to, and disruption or dislocation of, domestic and international trade.

“(3) SPECIAL RULE FOR STANDARD BANNING CLASS OF PRODUCT OR ELIMINATING NICOTINE CONTENT.—Because of the importance of a decision of the Secretary to issue a regulation establishing a performance standard—

“(A) eliminating all cigarettes, all smokeless tobacco products, or any similar class of tobacco products; or

“(B) requiring the reduction of nicotine yields of a tobacco product to zero, it is appropriate for the Congress to have the opportunity to review such a decision. Therefore, any such standard may not take effect before a date that is 2 years after the President notifies the Congress that a final regulation imposing the restriction has been issued.

“(4) AMENDMENT; REVOCATION.—

“(A) The Secretary, upon the Secretary's own initiative or upon petition of an interested person may by a regulation, promulgated in accordance with the requirements of paragraphs (1) and (2)(B) of this subsection, amend or revoke a performance standard.

“(B) The Secretary may declare a proposed amendment of a performance standard to be effective on and after its publication in the Federal Register and until the effective date of any final action taken on such amendment if the Secretary determines that making it so effective is in the public interest.

“(5) REFERENCE TO ADVISORY COMMITTEE.—The Secretary—

“(A) may, on the Secretary's own initiative, refer a proposed regulation for the establishment, amendment, or revocation of a performance standard; or

“(B) shall, upon the request of an interested person which demonstrates good cause for referral and which is made before the expiration of the period for submission of comments on such proposed regulation, refer such proposed regulation to an advisory committee, for a report and recommendation with respect to any matter involved in the proposed regulation which requires the exercise of scientific judgment. If a proposed regulation is referred under this subparagraph to the advisory committee, the Secretary shall provide the advisory committee with the data and information on which such proposed regulation is based. The advisory committee shall, within 60 days after the referral of a proposed regulation and after independent study of the data and information furnished to it by the Secretary and other data and information before it, submit to the Secretary a report and recommendation respecting such regulation, together with all underlying data and information and a statement of the reason or basis for the recommendation. A copy of such report and recommendation shall be made public by the Secretary.

**“SEC. 908. NOTIFICATION AND OTHER REMEDIES**

“(a) NOTIFICATION.—If the Secretary determines that—

“(1) a tobacco product which is introduced or delivered for introduction into interstate commerce for commercial distribution presents an unreasonable risk of substantial harm to the public health; and

“(2) notification under this subsection is necessary to eliminate the unreasonable risk of such harm and no more practicable means is available under the provisions of this chapter (other than this section) to eliminate such risk,

the Secretary may issue such order as may be necessary to assure that adequate notification is provided in an appropriate form, by the persons and means best suited under the circumstances involved, to all persons who should properly receive such notification in order to eliminate such risk. The Secretary may order notification by any appropriate means, including public service announcements. Before issuing an order under this subsection, the Secretary shall consult with the persons who are to give notice under the order.

“(b) NO EXEMPTION FROM OTHER LIABILITY.—Compliance with an order issued under

this section shall not relieve any person from liability under Federal or State law. In awarding damages for economic loss in an action brought for the enforcement of any such liability, the value to the plaintiff in such action of any remedy provided under such order shall be taken into account.

“(c) RECALL AUTHORITY.—

“(1) IN GENERAL.—If the Secretary finds that there is a reasonable probability that a tobacco product contains a manufacturing or other defect not ordinarily contained in tobacco products on the market that would cause serious, adverse health consequences or death, the Secretary shall issue an order requiring the appropriate person (including the manufacturers, importers, distributors, or retailers of the tobacco product) to immediately cease distribution of such tobacco product. The order shall provide the person subject to the order with an opportunity for an informal hearing, to be held not later than 10 days after the date of the issuance of the order, on the actions required by the order and on whether the order should be amended to require a recall of such tobacco product. If, after providing an opportunity for such a hearing, the Secretary determines that inadequate grounds exist to support the actions required by the order, the Secretary shall vacate the order.

“(2) AMENDMENT OF ORDER TO REQUIRE RECALL.—

“(A) If, after providing an opportunity for an informal hearing under paragraph (1), the Secretary determines that the order should be amended to include a recall of the tobacco product with respect to which the order was issued, the Secretary shall, except as provided in subparagraph (B), amend the order to require a recall. The Secretary shall specify a timetable in which the tobacco product recall will occur and shall require periodic reports to the Secretary describing the progress of the recall.

“(B) An amended order under subparagraph (A)—

“(i) shall not include recall of a tobacco product from individuals; and

“(ii) shall provide for notice to persons subject to the risks associated with the use of such tobacco product.

In providing the notice required by clause (ii), the Secretary may use the assistance of retailers and other persons who distributed such tobacco product. If a significant number of such persons cannot be identified, the Secretary shall notify such persons under section 705(b).

“(3) REMEDY NOT EXCLUSIVE.—The remedy provided by this subsection shall be in addition to remedies provided by subsection (a) of this section.

#### “SEC. 909. RECORDS AND REPORTS ON TOBACCO PRODUCTS.

“(a) IN GENERAL.—Every person who is a tobacco product manufacturer or importer of a tobacco product shall establish and maintain such records, make such reports, and provide such information, as the Secretary may by regulation reasonably require to assure that such tobacco product is not adulterated or misbranded and to otherwise protect public health. Regulations prescribed under the preceding sentence—

“(1) may require a tobacco product manufacturer or importer to report to the Secretary whenever the manufacturer or importer receives or otherwise becomes aware of information that reasonably suggests that one of its marketed tobacco products may have caused or contributed to a serious unexpected adverse experience associated with the use of the product or any significant increase in the frequency of a serious, expected adverse product experience;

“(2) shall require reporting of other significant adverse tobacco product experiences as

determined by the Secretary to be necessary to be reported;

“(3) shall not impose requirements unduly burdensome to a tobacco product manufacturer or importer, taking into account the cost of complying with such requirements and the need for the protection of the public health and the implementation of this chapter;

“(4) when prescribing the procedure for making requests for reports or information, shall require that each request made under such regulations for submission of a report or information to the Secretary state the reason or purpose for such request and identify to the fullest extent practicable such report or information;

“(5) when requiring submission of a report or information to the Secretary, shall state the reason or purpose for the submission of such report or information and identify to the fullest extent practicable such report or information; and

“(6) may not require that the identity of any patient or user be disclosed in records, reports, or information required under this subsection unless required for the medical welfare of an individual, to determine risks to public health of a tobacco product, or to verify a record, report, or information submitted under this chapter.

In prescribing regulations under this subsection, the Secretary shall have due regard for the professional ethics of the medical profession and the interests of patients. The prohibitions of paragraph (6) of this subsection continue to apply to records, reports, and information concerning any individual who has been a patient, irrespective of whether or when he ceases to be a patient.

“(b) REPORTS OF REMOVALS AND CORRECTIONS.—

(1) Except as provided in paragraph (3), the Secretary shall by regulation require a tobacco product manufacturer or importer of a tobacco product to report promptly to the Secretary any corrective action taken or removal from the market of a tobacco product undertaken by such manufacturer or importer if the removal or correction was undertaken—

“(A) to reduce a risk to health posed by the tobacco product; or

“(B) to remedy a violation of this chapter caused by the tobacco product which may present a risk to health.

A tobacco product manufacturer or importer of a tobacco product who undertakes a corrective action or removal from the market of a tobacco product which is not required to be reported under this subsection shall keep a record of such correction or removal.

“(2) No report of the corrective action or removal of a tobacco product may be required under paragraph (1) if a report of the corrective action or removal is required and has been submitted under subsection (a) of this section.

#### “SEC. 910. PREMARKET REVIEW OF CERTAIN TOBACCO PRODUCTS.

“(a) IN GENERAL.—

“(1) PREMARKET APPROVAL REQUIRED.—

“(A) NEW PRODUCTS.—Approval under this section of an application for premarket approval for any tobacco product that is not commercially marketed (other than for test marketing) in the United States as of August 11, 1995, is required unless the manufacturer has submitted a report under section 905(j), and the Secretary has issued an order that the tobacco product is substantially equivalent to a tobacco product commercially marketed (other than for test marketing) in the United States as of August 11, 1995, that is in compliance with the requirements of this Act.

“(B) PRODUCTS INTRODUCED BETWEEN AUGUST 11, 1995, AND ENACTMENT OF THIS CHAP-

TER.—Subparagraph (A) does not apply to a tobacco product that—

“(i) was first introduced or delivered for introduction into interstate commerce for commerce for commercial distribution in the United States after August 11, 1995, and before the date of enactment of the National Tobacco Policy and Youth Smoking Reduction Act; and

“(ii) for which a report was submitted under section 905(j) within 6 months after such date,

until the Secretary issues an order that the tobacco product is substantially equivalent for purposes of this section or requires premarket approval.

“(2) SUBSTANTIALLY EQUIVALENT DEFINED.—

“(A) For purposes of this section and section 905(j), the term ‘substantially equivalent’ or ‘substantial equivalence’ mean, with respect to the tobacco product being compared to the predicate tobacco product, that the Secretary by order has found that the tobacco product—

“(i) has the same characteristics as the predicate tobacco product; or

“(ii) has different characteristics and the information submitted contains information, including clinical data if deemed necessary by the Secretary, that demonstrates that it is not appropriate to regulate the product under this section because the product does not raise different questions of public health.

“(B) For purposes of subparagraph (A), the term ‘characteristics’ means the materials, ingredients, design, composition, heating source, or other features of a tobacco product.

“(C) A tobacco product may not be found to be substantially equivalent to a predicate tobacco product that has been removed from the market at the initiative of the Secretary or that has been determined by a judicial order to be misbranded or adulterated.

“(3) HEALTH INFORMATION.—

“(A) As part of a submission under section 905(j) respecting a tobacco product, the person required to file a premarket notification under such section shall provide an adequate summary of any health information related to the tobacco product or state that such information will be made available upon request by any person.

“(B) Any summary under subparagraph (A) respecting a tobacco product shall contain detailed information regarding data concerning adverse health effects and shall be made available to the public by the Secretary within 30 days of the issuance of a determination that such tobacco product is substantially equivalent to another tobacco product.

“(b) APPLICATION.—

“(1) CONTENTS.—An application for premarket approval shall contain—

“(A) full reports of all information, published or known to or which should reasonably be known to the applicant, concerning investigations which have been made to show the health risks of such tobacco product and whether such tobacco product presents less risk than other tobacco products;

“(B) a full statement of the components, ingredients, and properties, and of the principle or principles of operation, of such tobacco product;

“(C) a full description of the methods used in, and the facilities and controls used for, the manufacture, processing, and, when relevant, packing and installation of, such tobacco product;

“(D) an identifying reference to any performance standard under section 907 which would be applicable to any aspect of such tobacco product, and either adequate information to show that such aspect of such tobacco product fully meets such performance

standard or adequate information to justify any deviation from such standard;

"(E) such samples of such tobacco product and of components thereof as the Secretary may reasonably require;

"(F) specimens of the labeling proposed to be used for such tobacco product; and

"(G) such other information relevant to the subject matter of the application as the Secretary may require.

"(2) REFERENCE TO ADVISORY COMMITTEE.—Upon receipt of an application meeting the requirements set forth in paragraph (1), the Secretary—

"(A) may, on the Secretary's own initiative; or

"(B) shall, upon the request of an applicant,

refer such application to an advisory committee and for submission (within such period as the Secretary may establish) of a report and recommendation respecting approval of the application, together with all underlying data and the reasons or basis for the recommendation.

"(C) ACTION ON APPLICATION.—

"(1) DEADLINE.—

"(A) As promptly as possible, but in no event later than 180 days after the receipt of an application under subsection (b) of this section, the Secretary, after considering the report and recommendation submitted under paragraph (2) of such subsection, shall—

"(i) issue an order approving the application if the Secretary finds that none of the grounds for denying approval specified in paragraph (2) of this subsection applies; or

"(ii) deny approval of the application if the Secretary finds (and sets forth the basis for such finding as part of or accompanying such denial) that one or more grounds for denial specified in paragraph (2) of this subsection apply.

"(B) An order approving an application for a tobacco product may require as a condition to such approval that the sale and distribution of the tobacco product be restricted but only to the extent that the sale and distribution of a tobacco product may be restricted under a regulation under section 906(d).

"(2) DENIAL OF APPROVAL.—The Secretary shall deny approval of an application for a tobacco product if, upon the basis of the information submitted to the Secretary as part of the application and any other information before the Secretary with respect to such tobacco product, the Secretary finds that—

"(A) there is a lack of a showing that permitting such tobacco product to be marketed would be appropriate for the protection of the public health;

"(B) the methods used in, or the facilities or controls used for, the manufacture, processing, or packing of such tobacco product do not conform to the requirements of section 906(e);

"(C) based on a fair evaluation of all material facts, the proposed labeling is false or misleading in any particular; or

"(D) such tobacco product is not shown to conform in all respects to a performance standard in effect under section 907, compliance with which is a condition to approval of the application, and there is a lack of adequate information to justify the deviation from such standard.

"(3) DENIAL INFORMATION.—Any denial of an application shall, insofar as the Secretary determines to be practicable, be accompanied by a statement informing the applicant of the measures required to place such application in approvable form (which measures may include further research by the applicant in accordance with one or more protocols prescribed by the Secretary).

"(4) BASIS FOR FINDING.—For purposes of this section, the finding as to whether ap-

proval of a tobacco product is appropriate for the protection of the public health shall be determined with respect to the risks and benefits to the population as a whole, including users and non-users of the tobacco product, and taking into account—

"(A) the increased or decreased likelihood that existing users of tobacco products will stop using such products; and

"(B) the increased or decreased likelihood that those who do not use tobacco products will start using such products.

"(5) BASIS FOR ACTION.—

"(A) For purposes of paragraph (2)(A), whether permitting a tobacco product to be marketed would be appropriate for the protection of the public health shall, when appropriate, be determined on the basis of well-controlled investigations, which may include one or more clinical investigations by experts qualified by training and experience to evaluate the tobacco product.

"(B) If the Secretary determines that there exists valid scientific evidence (other than evidence derived from investigations described in subparagraph (A)) which is sufficient to evaluate the tobacco product the Secretary may authorize that the determination for purposes of paragraph (2)(A) be made on the basis of such evidence.

"(d) WITHDRAWAL AND TEMPORARY SUSPENSION.—

"(1) IN GENERAL.—The Secretary shall, upon obtaining, where appropriate, advice on scientific matters from an advisory committee, and after due notice and opportunity for informal hearing to the holder of an approved application for a tobacco product, issue an order withdrawing approval of the application if the Secretary finds—

"(A) that the continued marketing of such tobacco product no longer is appropriate for the protection of the public health;

"(B) that the application contained or was accompanied by an untrue statement of a material fact;

"(C) that the applicant—

"(i) has failed to establish a system for maintaining records, or has repeatedly or deliberately failed to maintain records or to make reports, required by an applicable regulation under section 909;

"(ii) has refused to permit access to, or copying or verification of, such records as required by section 704; or

"(iii) has not complied with the requirements of section 905;

"(D) on the basis of new information before the Secretary with respect to such tobacco product, evaluated together with the evidence before the Secretary when the application was approved, that the methods used in, or the facilities and controls used for, the manufacture, processing, packing, or installation of such tobacco product do not conform with the requirements of section 906(e) and were not brought into conformity with such requirements within a reasonable time after receipt of written notice from the Secretary of nonconformity;

"(E) on the basis of new information before the Secretary, evaluated together with the evidence before the Secretary when the application was approved, that the labeling of such tobacco product, based on a fair evaluation of all material facts, is false or misleading in any particular and was not corrected within a reasonable time after receipt of written notice from the Secretary of such fact; or

"(F) on the basis of new information before the Secretary, evaluated together with the evidence before the Secretary when the application was approved, that such tobacco product is not shown to conform in all respects to a performance standard which is in effect under section 907, compliance with which was a condition to approval of the ap-

plication, and that there is a lack of adequate information to justify the deviation from such standard.

"(2) APPEAL.—The holder of an application subject to an order issued under paragraph (1) withdrawing approval of the application may, by petition filed on or before the thirtieth day after the date upon which he receives notice of such withdrawal, obtain review thereof in accordance with subsection (e) of this section.

"(3) TEMPORARY SUSPENSION.—If, after providing an opportunity for an informal hearing, the Secretary determines there is reasonable probability that the continuation of distribution of a tobacco product under an approved application would cause serious, adverse health consequences or death, that is greater than ordinarily caused by tobacco products on the market, the Secretary shall by order temporarily suspend the approval of the application approved under this section. If the Secretary issues such an order, the Secretary shall proceed expeditiously under paragraph (1) to withdraw such application.

"(e) SERVICE OF ORDER.—An order issued by the Secretary under this section shall be served—

"(1) in person by any officer or employee of the department designated by the Secretary; or

"(2) by mailing the order by registered mail or certified mail addressed to the applicant at the applicant's last known address in the records of the Secretary.

#### "SEC. 911. JUDICIAL REVIEW.

"(a) IN GENERAL.—Not later than 30 days after—

"(1) the promulgation of a regulation under section 907 establishing, amending, or revoking a performance standard for a tobacco product; or

"(2) a denial of an application for approval under section 910(c),

any person adversely affected by such regulation or order may file a petition with the United States Court of Appeals for the District of Columbia or for the circuit wherein such person resides or has his principal place of business for judicial review of such regulation or order. A copy of the petition shall be transmitted by the clerk of the court to the Secretary or other officer designated by the Secretary for that purpose. The Secretary shall file in the court the record of the proceedings on which the Secretary based the Secretary's regulation or order and each record or order shall contain a statement of the reasons for its issuance and the basis, on the record, for its issuance. For purposes of this section, the term 'record' means all notices and other matter published in the Federal Register with respect to the regulation or order reviewed, all information submitted to the Secretary with respect to such regulation or order, proceedings of any panel or advisory committee with respect to such regulation or order, any hearing held with respect to such regulation or order, and any other information identified by the Secretary, in the administrative proceeding held with respect to such regulation or order, as being relevant to such regulation or order.

"(b) COURT MAY ORDER SECRETARY TO MAKE ADDITIONAL FINDINGS.—If the petitioner applies to the court for leave to adduce additional data, views, or arguments respecting the regulation or order being reviewed and shows to the satisfaction of the court that such additional data, views, or arguments are material and that there were reasonable grounds for the petitioner's failure to adduce such data, views, or arguments in the proceedings before the Secretary, the court may order the Secretary to provide additional opportunity for the oral presentation of data, views, or arguments and for

written submissions. The Secretary may modify the Secretary's findings, or make new findings by reason of the additional data, views, or arguments so taken and shall file with the court such modified or new findings, and the Secretary's recommendation, if any, for the modification or setting aside of the regulation or order being reviewed, with the return of such additional data, views, or arguments.

"(c) STANDARD OF REVIEW.—Upon the filing of the petition under subsection (a) of this section for judicial review of a regulation or order, the court shall have jurisdiction to review the regulation or order in accordance with chapter 7 of title 5, United States Code, and to grant appropriate relief, including interim relief, as provided in such chapter. A regulation or order described in paragraph (1) or (2) of subsection (a) of this section shall not be affirmed if it is found to be unsupported by substantial evidence on the record taken as a whole.

"(d) FINALITY OF JUDGMENT.—The judgment of the court affirming or setting aside, in whole or in part, any regulation or order shall be final, subject to review by the Supreme Court of the United States upon certiorari or certification, as provided in section 1254 of title 28, United States Code.

"(e) OTHER REMEDIES.—The remedies provided for in this section shall be in addition to and not in lieu of any other remedies provided by law.

"(f) REGULATIONS AND ORDERS MUST RECITE BASIS IN RECORD.—To facilitate judicial review under this section or under any other provision of law of a regulation or order issued under section 906, 907, 908, 909, 910, or 914, each such regulation or order shall contain a statement of the reasons for its issuance and the basis, in the record of the proceedings held in connection with its issuance, for its issuance.

#### **"SEC. 912. POSTMARKET SURVEILLANCE**

"(a) DISCRETIONARY SURVEILLANCE.—The Secretary may require a tobacco product manufacturer to conduct postmarket surveillance for a tobacco product of the manufacturer if the Secretary determines that postmarket surveillance of the tobacco product is necessary to protect the public health or is necessary to provide information regarding the health risks and other safety issues involving the tobacco product.

"(b) SURVEILLANCE APPROVAL.—Each tobacco product manufacturer required to conduct a surveillance of a tobacco product under subsection (a) of this section shall, within 30 days after receiving notice that the manufacturer is required to conduct such surveillance, submit, for the approval of the Secretary, a protocol for the required surveillance. The Secretary, within 60 days of the receipt of such protocol, shall determine if the principal investigator proposed to be used in the surveillance has sufficient qualifications and experience to conduct such surveillance and if such protocol will result in collection of useful data or other information necessary to protect the public health. The Secretary may not approve such a protocol until it has been reviewed by an appropriately qualified scientific and technical review committee established by the Secretary.

#### **"SEC. 913. REDUCED RISK TOBACCO PRODUCTS.**

"(a) REQUIREMENTS.—

"(1) IN GENERAL.—For purposes of this section, the term 'reduced risk tobacco product' means a tobacco product designated by the Secretary under paragraph (2).

"(2) DESIGNATION.—

"(A) IN GENERAL.—A product may be designated by the Secretary as a reduced risk tobacco product if the Secretary finds that the product will significantly reduce harm to

individuals caused by a tobacco product and is otherwise appropriate to protect public health, based on an application submitted by the manufacturer of the product (or other responsible person) that—

"(i) demonstrates through testing on animals and short-term human testing that use of such product results in ingestion or inhalation of a substantially lower yield of toxic substances than use of conventional tobacco products in the same category as the proposed reduced risk product; and

"(ii) if required by the Secretary, includes studies of the long-term health effects of the product.

If such studies are required, the manufacturer may consult with the Secretary regarding protocols for conducting the studies.

"(B) BASIS FOR FINDING.—In making the finding under subparagraph (A), the Secretary shall take into account—

"(i) the risks and benefits to the population as a whole, including both users of tobacco products and non-users of tobacco products;

"(ii) the increased or decreased likelihood that existing users of tobacco products will stop using such products including reduced risk tobacco products;

"(iii) the increased or decreased likelihood that those who do not use tobacco products will start to use such products, including reduced risk tobacco products; and

"(iv) the risks and benefits to consumers from the use of a reduced risk tobacco product as compared to the use of products approved under chapter V to reduce exposure to tobacco.

"(3) MARKETING REQUIREMENTS.—A tobacco product may be marketed and labeled as a reduced risk tobacco product if it—

"(A) has been designated as a reduced risk tobacco product by the Secretary under paragraph (2);

"(B) bears a label prescribed by the Secretary concerning the product's contribution to reducing harm to health; and

"(C) complies with requirements prescribed by the Secretary relating to marketing and advertising of the product, and other provisions of this chapter as prescribed by the Secretary.

"(b) REVOCATION OF DESIGNATION.—At any time after the date on which a tobacco product is designated as a reduced risk tobacco product under this section the Secretary may, after providing an opportunity for an informal hearing, revoke such designation if the Secretary determines, based on information not available at the time of the designation, that—

"(1) the finding made under subsection (a)(2) is no longer valid; or

"(2) the product is being marketed in violation of subsection (a)(3).

"(c) LIMITATION.—A tobacco product that is designated as a reduced risk tobacco product that is in compliance with subsection (a) shall not be regulated as a drug or device.

"(d) DEVELOPMENT OF REDUCED RISK TOBACCO PRODUCT TECHNOLOGY.—A tobacco product manufacturer shall provide written notice to the Secretary upon the development or acquisition by the manufacturer of any technology that would reduce the risk of a tobacco product to the health of the user for which the manufacturer is not seeking designation as a 'reduced risk tobacco product' under subsection (a).

#### **"SEC. 914. PRESERVATION OF STATE AND LOCAL AUTHORITY.**

"(a) ADDITIONAL REQUIREMENTS.—

"(1) IN GENERAL.—Except as provided in paragraph (2), nothing in this Act shall be construed as prohibiting a State or political subdivision thereof from adopting or enforcing a requirement applicable to a tobacco product that is in addition to, or more strin-

gent than, requirements established under this chapter.

"(2) PREEMPTION OF CERTAIN STATE AND LOCAL REQUIREMENTS.—

"(A) Except as provided in subparagraph (B), no State or political subdivision of a State may establish or continue in effect with respect to a tobacco product any requirement which is different from, or in addition to, any requirement applicable under the provisions of this chapter relating to performance standards, premarket approval, adulteration, misbranding, registration, reporting, good manufacturing standards, or reduced risk products.

"(B) Subparagraph (A) does not apply to requirements relating to the sale, use, or distribution of a tobacco product including requirements related to the access to, and the advertising and promotion of, a tobacco product.

"(b) RULE OF CONSTRUCTION REGARDING PRODUCT LIABILITY.—No provision of this chapter relating to a tobacco product shall be construed to modify or otherwise affect any action or the liability of any person under the product liability law of any State.

"(c) WAIVERS.—Upon the application of a State or political subdivision thereof, the Secretary may, by regulation promulgated after notice and an opportunity for an oral hearing, exempt from subsection (a), under such conditions as may be prescribed in such regulation, a requirement of such State or political subdivision applicable to a tobacco product if—

"(1) the requirement is more stringent than a requirement applicable under the provisions described in subsection (a)(3) which would be applicable to the tobacco product if an exemption were not in effect under this subsection; or

"(2) the requirement—

"(A) is required by compelling local conditions; and

"(B) compliance with the requirement would not cause the tobacco product to be in violation of any applicable requirement of this chapter.

## TITLE II—REDUCTIONS IN UNDERAGE TOBACCO USE

### Subtitle A—Underage Use

#### SEC. 201. FINDINGS.

The Congress finds the following:

(1) Reductions in the underage use of tobacco products are critically important to the public health.

(2) Achieving this critical public health goal can be substantially furthered by increasing the price of tobacco products to discourage underage use if reduction targets are not achieved and by creating financial incentives for manufacturers to discourage youth from using their tobacco products.

(3) When reduction targets in underage use are not achieved on an industry-wide basis, the price increases that will result from an industry-wide assessment will provide an additional deterrence to youth tobacco use.

(4) Manufacturer-specific incentives that will be imposed if reduction targets are not met by a manufacturer provide a strong incentive for each manufacturer to make all efforts to discourage youth use of its brands and ensure the effectiveness of the industry-wide assessments.

#### SEC. 202. PURPOSE.

This title is intended to ensure that, in the event that other measures contained in this Act prove to be inadequate to produce substantial reductions in tobacco use by minors, tobacco companies will pay additional assessments. These additional assessments are designed to lower youth tobacco consumption in a variety of ways: by triggering further increases in the price of tobacco products, by encouraging tobacco companies to work to meet statutory targets for reductions in youth tobacco consumption, and providing support for further reduction efforts.

#### SEC. 203. GOALS FOR REDUCING UNDERAGE TOBACCO USE.

(a) **GOALS.**—As part of a comprehensive national tobacco control policy, the Secretary, working in cooperation with State, Tribal, and local governments and the private sec-

tor, shall take all actions under this Act necessary to ensure that the required percentage reductions in underage use of tobacco products set forth in this title are achieved.

(b) **REQUIRED REDUCTIONS FOR CIGARETTES.**—With respect to cigarettes, the required percentage reduction in underage use, as set forth in section 204, means—

Calendar Year After Date of Enactment	Required Percentage Reduction as a Percentage of Base Incidence Percentage in Underage Cigarette Use
Years 3 and 4	15 percent
Years 5 and 6	30 percent
Years 7, 8, and 9	50 percent
Year 10 and thereafter	60 percent

(c) **REQUIRED REDUCTIONS FOR SMOKELESS TOBACCO.**—With respect to smokeless tobacco products, the required percentage reduction in underage use, as set forth in section 204, means—

Calendar Year After Date of Enactment	Required Percentage Reduction as a Percentage of Base Incidence Percentage in Underage Smokeless Tobacco Use
Years 3 and 4	12.5 percent
Years 5 and 6	25 percent
Years 7, 8, and 9	35 percent
Year 10 and thereafter	45 percent

#### SEC. 204. LOOK-BACK ASSESSMENT.

(a) **ANNUAL PERFORMANCE SURVEY.**—Beginning no later than 1999 and annually thereafter the Secretary shall conduct a survey, in accordance with the methodology in subsection (d)(1), to determine—

(1) the percentage of all young individuals who used a type of tobacco product within the past 30 days; and

(2) the percentage of young individuals who identify each brand of each type of tobacco product as the usual brand of that type smoked or used within the past 30 days.

(b) **ANNUAL DETERMINATION.**—The Secretary shall make an annual determination, based on the annual performance survey conducted under subsection (a), of whether the required percentage reductions in underage use of tobacco products for a year have been achieved for the year involved. The determination shall be based on the annual percent prevalence of the use of tobacco products, for the industry as a whole and of particular manufacturers, by young individuals (as determined by the surveys conducted by the Secretary) for the year involved as compared to the base incidence percentages.

(c) **CONFIDENTIALITY OF DATA.**—The Secretary may conduct a survey relating to tobacco use involving minors. If the information collected in the course of conducting the annual performance survey results in the individual supplying the information or described in it to be identifiable, the information may not be used for any purpose other than the purpose for which it was supplied unless that individual (or that individual's guardian) consents to its use for such other purpose. The information may not be published or released in any other form if the individual supplying the information or described in it is identifiable unless that individual (or that individual's guardian) consents to its publication or release in other form.

(d) **METHODOLOGY.**—

(1) **IN GENERAL.**—The survey required by subsection (a) shall—

(A) be based on a nationally representative sample of young individuals;

(B) be a household-based, in person survey (which may include computer-assisted technology);

(C) measure use of each type of tobacco product within the past 30 days;

(D) identify the usual brand of each type of tobacco product used within the past 30 days; and

(E) permit the calculation of the actual percentage reductions in underage use of a

type of tobacco product (or, in the case of the manufacturer-specific surcharge, the use of a type of tobacco product of a manufacturer) based on the point estimates of the percentage of young individuals reporting use of a type of tobacco product (or, in the case of the manufacturer-specific surcharge, the use of a type of tobacco product of a manufacturer) from the annual performance survey.

(2) **CRITERIA FOR DEEMING POINT ESTIMATES CORRECT.**—Point estimates under paragraph (1)(E) are deemed conclusively to be correct and accurate for calculating actual percentage reductions in underage use of a type of tobacco product (or, in the case of the manufacturer-specific surcharge, the use of a type of tobacco product of a particular manufacturer) for the purpose of measuring compliance with percent reduction targets and calculating surcharges provided that the precision of estimates (based on sampling error) of the percentage of young individuals reporting use of a type of tobacco product (or, in the case of the manufacturer-specific surcharge, the use of a type of tobacco product of a manufacturer) is such that the 95-percent confidence interval around such point estimates is no more than plus or minus 1 percent.

(3) **SURVEY DEEMED CORRECT, PROPER, AND ACCURATE.**—A survey using the methodology required by this subsection is deemed conclusively to be proper, correct, and accurate for purposes of this Act.

(4) **SECRETARY MAY ADOPT DIFFERENT METHODOLOGY.**—The Secretary by notice and comment rulemaking may adopt a survey methodology that is different than the methodology described in paragraph (1) if the different methodology is at least as statistically precise as that methodology.

(e) **INDUSTRY-WIDE NON-ATTAINMENT SURCHARGES.**—

(1) **SECRETARY TO DETERMINE INDUSTRY-WIDE NON-ATTAINMENT PERCENTAGE.**—The Secretary shall determine the industry-wide non-attainment percentage for cigarettes and for smokeless tobacco for each calendar year.

(2) **NON-ATTAINMENT SURCHARGE FOR CIGARETTES.**—For each calendar year in which the percentage reduction in underage use required by section 203(b) is not attained, the Secretary shall assess a surcharge on cigarette manufacturers as follows:

If the non-attainment percentage is:	The surcharge is:
Not more than 5 percent	\$80,000,000 multiplied by the non-attainment percentage
More than 5% but not more than 10%	\$400,000,000, plus \$160,000,000 multiplied by the non-attainment percentage in excess of 5% but not in excess of 10%
More than 10%	\$1,200,000,000, plus \$240,000,000 multiplied by the non-attainment percentage in excess of 10%
More than 21.6%	\$4,000,000,000

(3) **NON-ATTAINMENT SURCHARGE FOR SMOKELESS TOBACCO.**—For each year in which the percentage reduction in underage use required by section 203(c) is not attained, the Secretary shall assess a surcharge on smokeless tobacco product manufacturers as follows:

If the non-attainment percentage is:	The surcharge is:
Not more than 5 percent	\$8,000,000 multiplied by the non-attainment percentage
More than 5% but not more than 10%	\$40,000,000, plus \$16,000,000 multiplied by the non-attainment percentage in excess of 5% but not in excess of 10%
More than 10%	\$120,000,000, plus \$24,000,000 multiplied by the non-attainment percentage in excess of 10%
More than 21.6%	\$400,000,000

(4) STRICT LIABILITY; JOINT AND SEVERAL LIABILITY.—Liability for any surcharge imposed under subsection (e) shall be—

- (A) strict liability; and
- (B) joint and several liability—

(i) among all cigarette manufacturers for surcharges imposed under subsection (e)(2); and

(ii) among all smokeless tobacco manufacturers for surcharges imposed under subsection (e)(3).

(5) SURCHARGE LIABILITY AMONG MANUFACTURERS.—A tobacco product manufacturer shall be liable under this subsection to one or more other manufacturers if the plaintiff tobacco product manufacturer establishes by a preponderance of the evidence that the defendant tobacco product manufacturer, through its acts or omissions, was responsible for a disproportionate share of the non-attainment surcharge as compared to the responsibility of the plaintiff manufacturer.

(6) EXEMPTIONS FOR SMALL MANUFACTURERS.—

(A) ALLOCATION BY MARKET SHARE.—The Secretary shall make such allocations according to each manufacturer's share of the domestic cigarette or domestic smokeless tobacco market, as appropriate, in the year for which the surcharge is being assessed, based on actual Federal excise tax payments.

(B) EXEMPTION.—In any year in which a surcharge is being assessed, the Secretary shall exempt from payment any tobacco product manufacturer with less than 1 percent of the domestic market share for a specific category of tobacco product unless the Secretary finds that the manufacturer's products are used by underage individuals at a rate equal to or greater than the manufacturer's total market share for the type of tobacco product.

(f) MANUFACTURER-SPECIFIC SURCHARGES.—

(1) REQUIRED PERCENTAGE REDUCTIONS.—Each manufacturer which manufactured a brand or brands of tobacco product on or before the date of the enactment of this Act shall reduce the percentage of young individuals who use such manufacturer's brand or brands as their usual brand in accordance with the required percentage reductions described under subsections (b) (with respect to cigarettes) and (c) (with respect to smokeless tobacco).

(2) APPLICATION TO LESS POPULAR BRANDS.—Each manufacturer which manufactured a brand or brands of tobacco product on or before the date of the enactment of this Act for which the base incidence percentage is equal to or less than the *de minimis* level shall ensure that the percent prevalence of young individuals who use the manufacturer's tobacco products as their usual brand remains equal to or less than the *de minimis* level described in paragraph (4).

(3) NEW ENTRANTS.—Each manufacturer of a tobacco product which begins to manufacture a tobacco product after the date of the enactment of this Act shall ensure that the percent prevalence of young individuals who use the manufacturer's tobacco products as their usual brand is equal to or less than the *de minimis* level.

(4) DE MINIMIS LEVEL DEFINED.—The *de minimis* level is equal to 1 percent prevalence of the use of each manufacturer's brands of tobacco product by young individuals (as determined on the basis of the annual performance survey conducted by the Secretary) for a year.

(5) TARGET REDUCTION LEVELS.—

(A) EXISTING MANUFACTURERS.—For purposes of this section, the target reduction level for each type of tobacco product for a year for a manufacturer is the product of the required percentage reduction for a type of tobacco product for a year and the manufac-

turers base incidence percentage for such tobacco product.

(B) NEW MANUFACTURERS; MANUFACTURERS WITH LOW BASE INCIDENCE PERCENTAGES.—With respect to a manufacturer which begins to manufacture a tobacco product after the date of the enactment of this Act or a manufacturer for which the baseline level as measured by the annual performance survey is equal to or less than the *de minimis* level described in paragraph (4), the base incidence percentage is the *de minimis* level, and the required percentage reduction in underage use for a type of tobacco product with respect to a manufacturer for a year shall be deemed to be the number of percentage points necessary to reduce the actual percent prevalence of young individuals identifying a brand of such tobacco product of such manufacturer as the usual brand smoked or used for such year to the *de minimis* level.

(6) SURCHARGE AMOUNT.—

(A) IN GENERAL.—If the Secretary determines that the required percentage reduction in use of a type of tobacco product has not been achieved by such manufacturer for a year, the Secretary shall impose a surcharge on such manufacturer under this paragraph.

(B) AMOUNT.—The amount of the manufacturer-specific surcharge for a type of tobacco product for a year under this paragraph is \$1,000, multiplied by the number of young individuals for which such firm is in non-compliance with respect to its target reduction level.

(C) DETERMINATION OF NUMBER OF YOUNG INDIVIDUALS.—For purposes of subparagraph (B) the number of young individuals for which a manufacturer is in noncompliance for a year shall be determined by the Secretary from the annual performance survey and shall be calculated based on the estimated total number of young individuals in such year and the actual percentage prevalence of young individuals identifying a brand of such tobacco product of such manufacturer as the usual brand smoked or used in such year as compared to such manufacturer's target reduction level for the year.

(7) DE MINIMIS RULE.—The Secretary may not impose a surcharge on a manufacturer for a type of tobacco product for a year if the Secretary determines that actual percent prevalence of young individuals identifying that manufacturer's brands of such tobacco product as the usual products smoked or used for such year is less than 1 percent.

(g) SURCHARGES TO BE ADJUSTED FOR INFLATION.—

(1) IN GENERAL.—Beginning with the fourth calendar year after the date of enactment of this Act, each dollar amount in the tables in subsections (e)(2), (e)(3), and (f)(6)(B) shall be increased by the inflation adjustment.

(2) INFLATION ADJUSTMENT.—For purposes of paragraph (1), the inflation adjustment for any calendar year is the percentage (if any) by which—

- (A) the CPI for the preceding calendar year, exceeds
- (B) the CPI for the calendar year 1998.

(3) CPI.—For purposes of paragraph (2), the CPI for any calendar year is the average of the Consumer Price Index for all-urban consumers published by the Department of Labor.

(4) ROUNDING.—If any increase determined under paragraph (1) is not a multiple of \$1,000, the increase shall be rounded to the nearest multiple of \$1,000.

(h) METHOD OF SURCHARGE ASSESSMENT.—The Secretary shall assess a surcharge for a specific calendar year on or before May 1 of the subsequent calendar year. Surcharge payments shall be paid on or before July 1 of the year in which they are assessed. The Secretary may establish, by regulation, interest

at a rate up to 3 times the prevailing prime rate at the time the surcharge is assessed, and additional charges in an amount up to 3 times the surcharge, for late payment of the surcharge.

(i) BUSINESS EXPENSE DEDUCTION.—Any surcharge paid by a tobacco product manufacturer under this section shall not be deductible as an ordinary and necessary business expense or otherwise under the Internal Revenue Code of 1986.

(j) APPEAL RIGHTS.—The amount of any surcharge is committed to the sound discretion of the Secretary and shall be subject to judicial review by the United States Court of Appeals for the District of Columbia Circuit, based on the arbitrary and capricious standard of section 706(2)(A) of title 5, United States Code. Notwithstanding any other provisions of law, no court shall have authority to stay any surcharge payments due the Secretary under this Act pending judicial review.

(3)(A) The Secretary shall dismiss a complaint filed under paragraph (1) of this subsection, and shall not conduct the investigation required under paragraph (2) of this subsection, unless the complainant has made a *prima facie* showing that any behavior described in subsection (a) of this section was a contributing factor in the unfavorable personnel action alleged in the complaint.

(B) Notwithstanding a finding by the Secretary that the complainant has made the showing required by subparagraph (A) of this paragraph, no investigation required under paragraph (2) of this subsection shall be conducted if the manufacturer demonstrates by clear and convincing evidence that it would have taken the same unfavorable personnel action in the absence of such behavior. Relief may not be ordered under paragraph (1) of this subsection if the manufacturer demonstrates by clear and convincing evidence that it would have taken the same unfavorable personnel action in the absence of such behavior.

(C) The Secretary may determine that a violation of subsection (a) of this section has occurred only if the complainant has demonstrated that any behavior described in subsection (a) of this section was a contributing factor in unfavorable personnel action alleged in the complaint.

(c) JUDICIAL REVIEW.—

In actions brought under this subsection, the district courts shall have jurisdiction to grant all appropriate relief, including injunctive relief and compensatory and exemplary damages.

(e) ACTION TO ENSURE COMPLIANCE.—

(1) Any person on whose behalf an order was issued under subsection (b)(2) of this section may commence a civil action to require compliance with such order against the person to whom such order was issued. The appropriate United States district court shall have jurisdiction to enforce such order, without regard to the amount in controversy or the citizenship of the parties.

(2) The court, in issuing any final order under this subsection, may award costs of litigation (including reasonable attorneys' and expert witness fees) to any party whenever the court determines such award is appropriate.

(f) **ENFORCEMENT.**—Any non-discretionary duty imposed by this section shall be enforceable in a mandamus proceeding brought under section 1361 of title 28, United States Code.

(c) **STATE OPTION FOR ONE-TIME OPT OUT.**—Any State that does not make the election described in subsection (b) may continue its lawsuit, notwithstanding subsection (a) of this section. (1) The rights and benefits afforded in this Act, and the various research activities envisioned by this Act, are provided in settlement of, and shall constitute the exclusive remedy for the purpose of determining civil liability as to those claims asserted in the Castano Civil Actions, and all bases for any such claim under the laws of any State are preempted (including State substantive, procedural, remedial, and evidentiary provisions) and settled. The Castano Civil Actions shall be dismissed with full reservation of the rights of individual class members to pursue claims not based on addiction or dependency in civil actions, as defined in section 1417(2), in accordance with this Act. For purposes of determining application of statutes of limitation or repose, individual actions filed within one year after the effective date of this Act by those who were included within a Castano Civil Action shall be considered to have been filed as of the date of the Castano Civil Action applicable to said individual.

(2) For purposes of awarding attorneys fees and expenses for those actions subject to this subsection, the matter at issue shall be submitted to arbitration before one panel of arbitrators. (a) **ACTION BY SECRETARY.**—If the Secretary determines under title II that the non-attainment percentage for any year is greater than 20 percentage points for cigarettes or smokeless tobacco, then the Secretary shall determine, on a brand-by-brand basis, using data that reflects a 1999 baseline, which tobacco product manufacturers are responsible within the 2 categories of tobacco products for the excess. The Secretary may commence an action under this section against the tobacco product manufacturer or manufacturers of the brand or brands of cigarettes or smokeless tobacco products for which the non-attainment percentage exceeded 20 percentage points.

(b) **PROCEDURES.**—Any action under this section shall be commenced by the Secretary in the United States District Court for the District of Columbia within 90 days after publication in the Federal Register of the determination that the non-attainment percentage for the tobacco product in question is greater than 20 percentage points. Any such action shall be heard and determined by a 3-judge court under section 2284 of title 28, United States Code.

(c) **DETERMINATION BY COURT.**—In any action under this section, the court shall determine whether a tobacco product manufacturer has shown, by a preponderance of the evidence that it—

(1) has complied substantially with the provisions of this Act regarding underage tobacco use, of any rules or regulations promulgated thereunder, or of any Federal or State laws regarding underage tobacco use;

(2) has not taken any material action to undermine the achievement of the required percentage reduction for the tobacco product in question; and

(3) has used its best efforts to reduce underage tobacco use to a degree at least equal to the required percentage reductions.

(d) **REMOVAL OF ANNUAL AGGREGATE PAYMENT LIMITATION.**—Except as provided in subsections (e) and (g), if the court determines that a tobacco product manufacturer has failed to make the showing described in subsection (c) then sections 1411 and 1412 of this Act do not apply to the enforcement against, or the payment by, such tobacco product manufacturer of any judgment or settlement that becomes final after that determination is made.

(e) **DEFENSE.**—An action under this section shall be dismissed, and subsection (d) shall not apply, if the court finds that the Secretary's determination under subsection (a) was unlawful under subparagraph (A), (B), (C), or (D) of section 706(2) of title 5, United States Code. Any judgments paid under section 1412 of this Act prior to a final judgment determining that the Secretary's determination was erroneous shall be fully credited, with interest, under section 1412 of this Act.

(f) **REVIEW.**—Decisions of the court under this section are reviewable only by the Supreme Court by writ of certiorari granted upon the petition of any party. The applicability of subsection (d) shall be stayed during the pendency of any such petition or review.

duct described in subsection (c) upon the later of—

(2) a finding by the court in an action filed against the Secretary by the manufacturer, not earlier than 2 years after the determination described in subsection (c) becomes final, that the manufacturer has shown by a preponderance of the evidence that, in the period since that determination, the manufacturer—

(A) has complied with the provisions of this Act regarding underage tobacco use, of any rules or regulations promulgated thereunder, and of any other applicable Federal, State, or local laws, rules, or regulations;

(B) has not taken any action to undermine the achievement of the required percentage reduction for the tobacco product in question; and

(C) has used its best efforts to attain the required percentage reduction for the tobacco product in question.

A judgment or settlement against the tobacco product manufacturer that becomes final after a determination or finding described in paragraph (1) or (2) of this subsection is not subject to subsection (d). An action under paragraph (2) of this subsection shall be commenced in the United States District Court for the District of Columbia, and shall be heard and determined by a 3-judge court under section 2284 of title 28, United States Code. A decision by the court under paragraph (2) of this subsection is reviewable only by the Supreme Court by writ of certiorari granted upon the petition of any party, and the decision shall be stayed during the pendency of the petition or review. A determination or finding described in paragraph (1) or (2) of this subsection does not limit the Secretary's authority to bring a subsequent action under this section against any tobacco product manufacturer or the applicability of subsection (d) with respect to any such subsequent action.

**SEC. 1410. PUBLIC HEALTH EMERGENCY.**

If the Secretary, in consultation with the Commissioner of Food and Drugs, the Surgeon General, the Director of the Center for Disease Control or the Director's delegate, and the Director of the Health and Human Services Office of Minority Health determines at any time that a tobacco product manufacturer's actions or inactions with respect to its compliance with the Act are of such a nature as to create a clear and present danger that the manufacturer will not attain the targets for underage smoking reduction, the Secretary may bring an action under section 1409 seeking the immediate suspension of the tobacco product manufacturer's annual limitation cap on civil judgments. If the court determines that the Secretary has proved by clear and convincing evidence that the subject manufacturer's actions or inactions are of such a nature that they present a clear and present danger that the manufacturer will not attain the targets for underage smoking reduction, the court may suspend the subject manufacturer's annual limitation cap on civil judgments.

The failure of a State to receive any payment due under the settlement agreement will not prohibit the State from receiving any amount which the State is entitled to receive from the State Litigation Settlement Account.

(B) REDISTRIBUTION OF SET-OFF PAYMENTS.—Any payments out of the State Litigation Settlement Account which would otherwise have been made to such State but for the set-off in paragraph (A) shall be reallocated to all other States receiving such payments for such calendar year in the same proportion as the payments received by any State bear to all such payments.
