“(B) PRIORITY.—In reallocating individual tobacco production permits under this paragraph, a county committee shall provide a priority to—

“(i) an active tobacco producer that controls the authority to produce a quantity of flue-cured tobacco under an individual tobacco production permit that is equal to or less than the average number of pounds of flue-cured tobacco that was produced by the producer during each of the 1995 through 1997 marketing years, as determined by the Secretary; and

section (b). Not less than 85 percent of the sums shall be advanced to eligible institutions prior to the start of each payment period and shall be based on an amount requested by the institution as needed to pay eligible students, except that this sentence shall not be construed to limit the authority of the Secretary to place an institution on a reimbursement system of payment.

“(2) CONSTRUCTION.—Nothing in this section shall be construed to prohibit the Secretary from paying directly to students, in advance of the beginning of the academic term, an amount for which the students are eligible, in cases where the eligible institution elects not to participate in the disbursement system required by paragraph (1).

“(3) DESIGNATION.—Grants made under this subpart shall be known as ‘farmer opportunity grants’.

“(b) AMOUNT OF GRANTS.—

“(1) AMOUNTS.—

“(A) IN GENERAL.—The amount of the grant for a student eligible under this subpart shall be—

The schedule of reductions shall be established by regulation and published in the Federal Register.

“(2) MAXIMUM.—No grant under this subpart shall exceed the cost of attendance (as described in section 472) at the institution at which that student is in attendance. “(C) INDIVIDUAL MARKETING LIMITATIONS.—In establishing the individual marketing limitation for the 1999 marketing year under this section, the individual marketing limitation for the previous year for an individual described in this paragraph shall be calculated by multiplying—

“(i) the farm marketing quota that was allotted to a farm owned by a quota holder for whom the quota lessee or quota holder was the principal producer of flue-cured tobacco during the 1997 marketing year, by

“(c) SATISFACTORY PROGRESS.—

“(1) IN GENERAL.—For the purpose of subsection (a)(3), a student is maintaining satisfactory progress if—

“(A) the institution at which the student is in attendance reviews the progress of the student at the end of each academic year, or its equivalent, as determined by the institution; and

“(B) the student has at least a cumulative C average or its equivalent, or academic standing consistent with the requirements for graduation, as determined by the institution, at the end of the second such academic year.

“(2) SPECIAL RULE.—Whenever a student fails to meet the eligibility requirements of subsection (a)(3) as a result of the application of this subsection and subsequent to that failure the student has academic standing consistent with the requirements for graduation, as determined by the institution, for any grading period, the student may, subject to this subsection, again be eligible under subsection (a)(3) for a grant under this subpart.

“(3) WAIVER.—Any institution of higher education at which the student is in attendance may waive paragraph (1) or (2) for undue hardship based on—

“(A) the death of a relative of the student;

“(B) the personal injury or illness of the student; or

“(C) special circumstances as determined by the institution.

“(d) STUDENTS WHO ARE NOT SECONDARY SCHOOL GRADUATES.—In order for a student who does not have a certificate of graduation from a school providing secondary education, or the recognized equivalent of the certificate, to be eligible for any assistance under this subpart, the student shall meet either 1 of the following standards:

“(1) EXAMINATION.—The student shall take an independently administered examination and shall achieve a score, specified by the Secretary, demonstrating that the student can benefit from the education or training being offered. The examination shall be approved by the Secretary on the basis of compliance with such standards for development, administration, and scoring as the Secretary may prescribe in regulations.

“(2) DETERMINATION.—The student shall be determined as having the ability to benefit from the education or training in accordance with such process as the State shall prescribe. Any such process described or approved by a State for the purposes of this section shall be effective 6 months after the date of submission to the Secretary unless the Secretary disapproves the process. In determining whether to approve or disapprove the process, the Secretary shall take into account the effectiveness of the process in enabling students without secondary school diplomas or the recognized equivalent to benefit from the instruction offered by institutions utilizing the process, and shall also take into account the cultural diversity, economic circumstances, and educational preparation of the populations served by the institutions.

“(e) SPECIAL RULE FOR CORRESPONDENCE COURSES.—A student shall not be eligible to receive a grant under this subpart for a correspondence course unless the course is part of a program leading to an associate, bachelor, or graduate degree.

“(f) COURSES OFFERED THROUGH TELECOMMUNICATIONS.—

“(1) RELATION TO CORRESPONDENCE COURSES.—A student enrolled in a course of instruction at an eligible institution of higher education (other than an institute or school that meets the definition in section 521(4)(C) of the Carl D. Perkins Vocational and Applied Technology Education Act (20

U.S.C. 2471(4)(C))) that is offered in whole or in part through telecommunications and leads to a recognized associate, bachelor, or graduate degree conferred by the institution shall not be considered to be enrolled in correspondence courses unless the total amount of telecommunications and correspondence courses at the institution equals or exceeds 50 percent of the courses.

“(2) RESTRICTION OR REDUCTIONS OF FINANCIAL AID.—A student's eligibility to receive a grant under this subpart may be reduced if a financial aid officer determines under the discretionary authority provided in section 479A that telecommunications instruction results in a substantially reduced cost of attendance to the student.

“(3) DEFINITION.—For the purposes of this subsection, the term ‘telecommunications’ means the use of television, audio, or computer transmission, including open broadcast, closed circuit, cable, microwave, or satellite, audio conferencing, computer conferencing, or video cassettes or discs, except that the term does not include a course that is delivered using video cassette or disc recordings at the institution and that is not delivered in person to other students of that institution.

“(g) STUDY ABROAD.—Nothing in this subpart shall be construed to limit or otherwise prohibit access to study abroad programs approved by the home institution at which a student is enrolled. An otherwise eligible student who is engaged in a program of study abroad approved for academic credit by the home institution at which the student is enrolled shall be eligible to receive a grant under this subpart, without regard to whether the study abroad program is required as part of the student's degree program.

“(h) VERIFICATION OF SOCIAL SECURITY NUMBER.—The Secretary, in cooperation with the Commissioner of Social Security, shall verify any social security number provided by a student to an eligible institution under subsection (a)(5)(B) and shall enforce the following conditions:

“(1) PENDING VERIFICATION.—Except as provided in paragraphs (2) and (3), an institution shall not deny, reduce, delay, or terminate a student's eligibility for assistance under this subpart because social security number verification is pending.

“(2) DENIAL OR TERMINATION.—If there is a determination by the Secretary that the social security number provided to an eligible institution by a student is incorrect, the institution shall deny or terminate the student's eligibility for any grant under this subpart until such time as the student provides documented evidence of a social security number that is determined by the institution to be correct.

“(3) CONSTRUCTION.—Nothing in this subsection shall be construed to permit the Secretary to take any compliance, disallowance, penalty, or other regulatory action against—

“(A) any institution of higher education with respect to any error in a social security number, unless the error was a result of fraud on the part of the institution; or

“(B) any student with respect to any error in a social security number, unless the error was a result of fraud on the part of the student.”.
