STATEMENTS ON INTRODUCED BILLS AND JOINT RESOLUTIONS

By Mr. DORGAN:

S. 2345. A bill to amend section 2681 of title 18, United States Code, relating to the special forfeiture of collateral profits of a crime; to the Committee on the Judiciary.

FEDERAL SON OF SAM LEGISLATION

Mr. DORGAN. Mr. President, today, I am introducing a bill to correct problems with the Federal "Son of Sam" law, as those problems were perceived by the United States Supreme Court. The New York statute analyzed by the Supreme Court, as well as the Federal statute which I seek to amend, forfeited the proceeds from any expressive work of a criminal, and dedicated those proceeds to the victims of the perpetrator's crime. Because of constitutional deficiencies cited by the Court, the Federal statute has never been applied, and without changes, it is highly unlikely that it ever will be. Without this bill, criminals can become wealthy from the fruits of their crimes, while victims and their families are exploited.

The bill I now introduce attempts to correct constitutional deficiencies cited by the Supreme Court in striking down New York's Son of Sam law. In its decision striking down New York's law, the Court found the statute to be both over inclusive and under inclusive: Over inclusive because the statute included all expressive works, no matter how tangentially related to the crime; under inclusive because the statute only included expressive works, not other forms of property.
