STATEMENTS ON INTRODUCED BILLS AND JOINT RESOLUTIONS

By Mr. CAMPBELL:

S. 2427. A bill to amend the Omnibus Parks and Public Lands Management Act of 1996 to extend the legislative authority for the Black Patriots Foundation to establish a commemorative work; to the Committee on Energy and Natural Resources.

BLACK REVOLUTIONARY WAR PATRIOTS MEMORIAL

Mr. CAMPBELL. Mr. President, today I introduce legislation that seeks to extend the legislative authority for the construction of the Black Revolutionary War Patriots Memorial and for the Foundation raising funds to construct the memorial.

Mr. President, in 1986, the Congress enacted and President Reagan signed into law, legislation establishing a Black Revolutionary War Patriots Memorial, a memorial to honor the more than 5,000 African-Americans who fought for this country during the Revolutionary War. In order to appropriately recognize the bravery and sacrifice of these honorable and distinguished patriots, Public Law 99-558 sought to establish a suitable memorial, a monument which will be located on the Mall here in Washington, DC. When complete, the memorial will be the first monument on the Mall to be dedicated solely to the accomplishments of African-Americans.

The centerpiece of P.L. 99-558 was the establishment of the Black Revolutionary War Patriots Foundation, as a not-for-profit organization whose sole charter is to raise the necessary funding for the costs associated with constructing the memorial.

When enacted, the foundation was authorized to operate for a period of 10 years. In 1996, I introduced legislation which provided an additional 2-year extension of the legislative authority for the establishment of the memorial. While the foundation has raised a substantial amount of funding, it remains short of its \$9.5 million goal. The bill I introduce today would allow for a second and final extension which will provide the foundation with valuable time to complete its fundraising.

Mr. President, this memorial serves a noble purpose, honoring the service and patriotism of individuals long deserving of this praise and I strongly support the ongoing efforts for its establishment. Likewise, I am proud that the sculptor who has been commissioned to design this memorial, Ed

Dwight, is not only from my home state of Colorado, but is also the first African-American astronaut trainee. Mr. Dwight is an accomplished artist residing in Denver and his work is known across the world. I would very much like to see his design for the Black Revolutionary War Patriots Memorial become one of the memorials situated among many of this country's most distinguished monuments.

Mr. President, I believe Congress has demonstrated its commitment to the establishment of the Black Revolutionary War Patriots Memorial by authorizing its construction 10 years ago. It is my hope this legislation will receive the full, expeditious support of the Senate.

Mr. President, I ask unanimous consent that the text of the bill be printed in the RECORD.

There being no objection, the bill was ordered to be printed in the RECORD, as follows:

S. 2427

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

SECTION 1. BLACK REVOLUTIONARY WAR PATRIOTS MEMORIAL.

Section 506 of the Omnibus Parks and Public Lands Management Act of 1996 (40 U.S.C. 1003 note; 110 Stat. 4155) is amended by striking "1998" and inserting "2000".

By Mr. KENNEDY (by request):

S. 2428. A bill to provide for the restructuring of the Immigration and Naturalization Service, and for other purposes; to the Committee on the Judiciary.

THE IMMIGRATION AND NATURALIZATION SERVICE RESTRUCTURING ACT OF 1998

Mr. KENNEDY. Mr. President, it is a privilege on behalf of the administration to introduce the Immigration and Naturalization Service Restructuring Act of 1998, and I urge the Senate to support it. The purpose of the act is to strengthen the enforcement of the Nation's immigration laws at the borders and in other parts of the country, and also to strengthen the many immigration and citizenship services that the INS provides.

The Nation has a long and distinguished history of welcoming immigrants and refugees who come to this country legally. But because the United States is widely viewed around the world as a land of extraordinary economic opportunities, these opportunities are often a magnet for illegal immigration. The Immigration and Naturalization Service has two equally important missions. It provides services and benefits to immigrants and refugees eligible for assistance under our laws, and it enforces the laws that prevent illegal immigration.

In recent years, the effectiveness of the INS in carrying out these two complex and often competing missions has been increasingly criticized. Many critics say that the agency is suffering from "mission overload" and proposals have been made to dismantle the agency and assign its responsibilities to other parts of the Federal Government.
