

(Councils) have agreed to a final rule amending the Federal Acquisition Regulation (FAR) to delete the requirement for contracting officers to explain in writing their rationale for choosing to use competitive proposals rather than sealed bidding.

**EFFECTIVE DATE:** November 23, 1999.

**FOR FURTHER INFORMATION CONTACT:** The FAR Secretariat, Room 4035, GS Building, Washington, DC, 20405, (202) 501-4755, for information pertaining to status or publication schedules. For clarification of content, contact Mr. Ralph DeStefano, Procurement Analyst, at (202) 501-1758. Please cite FAC 97-14, FAR case 99-001.

**SUPPLEMENTARY INFORMATION:**

**A. Background**

This change streamlines the acquisition process by eliminating a nonstatutory requirement. It should be noted that the Competition in Contracting Act (Pub. L. 98-369), dated July 18, 1984, contains no requirement for written documentation.

This rule was not subject to Office of Management and Budget review under Section 6(b) of Executive Order 12866, Regulatory Planning and Review, dated September 30, 1993. This rule is not a major rule under 5 U.S.C. 804.

**B. Regulatory Flexibility Act**

The final rule does not constitute a significant FAR revision within the meaning of FAR 1.501 and Public Law 98-577, and publication for public comments is not required. However, the Councils will consider comments from small entities concerning the affected FAR subpart in accordance with 5 U.S.C. 610. Interested parties must submit such comments separately and should cite 5 U.S.C. 601, *et seq.* (FAC 97-14, FAR case 99-001), in correspondence.

**C. Paperwork Reduction Act**

The Paperwork Reduction Act does not apply because the changes to the FAR do not impose information collection requirements that require the approval of the Office of Management and Budget under 44 U.S.C. 3501, *et seq.*

**List of Subjects in 48 CFR Part 6**

Government procurement.

Dated: September 14, 1999.

**Edward C. Loeb,**

*Director, Federal Acquisition Policy Division.*

Therefore, DoD, GSA, and NASA amend 48 CFR Part 6 as set forth below:

**PART 6—COMPETITION REQUIREMENTS**

1. The authority citation for 48 CFR Part 6 continues to read as follows:

**Authority:** 40 U.S.C. 486(c); 10 U.S.C. chapter 137; and 42 U.S.C. 2473(c).

2. In section 6.401, revise the introductory text to read as follows:

**6.401 Sealed bidding and competitive proposals.**

Sealed bidding and competitive proposals, as described in Parts 14 and 15, are both acceptable procedures for use under Subparts 6.1, 6.2; and, when appropriate, under Subpart 6.3.

**Federal Acquisition Regulation; Javits-Wagner-O'Day Proposed Revisions**

**AGENCIES:** Department of Defense (DoD), General Services Administration (GSA), and National Aeronautics and Space Administration (NASA).

**ACTION:** Final rule.

**SUMMARY:** The Civilian Agency Acquisition Council and the Defense Acquisition Regulations Council have agreed on a final rule amending the Federal Acquisition Regulation (FAR) to provide procedures for recognizing a name change or a successor in interest for Javits-Wagner-O'Day Act (JWOD) participating nonprofit agencies.

**EFFECTIVE DATE:** November 23, 1999.

**FOR FURTHER INFORMATION CONTACT:** The FAR Secretariat, Room 4035, GS Building, Washington, DC 20405, (202) 501-4755, for information pertaining to status or publication schedules. For clarification of content, contact Mr. Ralph De Stefano, Procurement Analyst, at (202) 501-1758. Please cite FAC 97-14, FAR case 98-602.

**SUPPLEMENTARY INFORMATION:**

**A. Background**

This final rule adds a new section, FAR 8.716, to provide procedures for recognizing a name change or a

successor in interest for a JWOD participating nonprofit agency providing supplies or services on the Procurement List maintained by the Committee For Purchase From People Who Are Blind or Severely Disabled, and amends paragraph (a) of FAR 42.1203 to exempt JWOD participating nonprofit agencies from requirements of that section pertaining to the processing of a name change or a successor in interest.

The rule is consistent with 41 U.S.C. 48, which pertains to the requirement (with certain exceptions) to procure supplies and services that are on the Procurement List issued by the Committee For Purchase From People Who Are Blind or Severely Disabled (Committee). The rule does not change the relationship between the Committee and JWOD participating nonprofit agencies concerning the compliance with State and local law before and during contract performance. The rule also does not change the Committee's obligation to insure that only responsible contractors provide supplies and services that are included on the Procurement List.

This rule is not subject to Office of Management and Budget review under Section 6(b) of Executive Order 12866, Regulatory Planning and Review, dated September 30, 1993, and is not a major rule under 5 U.S.C. 804.

**B. Regulatory Flexibility Act**

The Department of Defense, the General Services Administration, and the National Aeronautics and Space Administration certify that this final rule will not have a significant economic impact on a substantial number of small entities within the meaning of the Regulatory Flexibility Act, 5 U.S.C. 601, *et seq.*, because the rule merely sets forth an existing practice and clarifies that certain administrative procedures pertaining to a name change or a successor in interest do not apply to JWOD participating nonprofit agencies.

**C. Paperwork Reduction Act**

The Paperwork Reduction Act does not apply because the changes to the FAR do not impose information collection requirements that require the approval of the Office of Management and Budget under 44 U.S.C. 3501, *et seq.*

**List of Subjects in 48 CFR Parts 8 and 42**

Government procurement.

Dated: September 14, 1999.

**Edward C. Loeb,**

*Director, Federal Acquisition Policy Division.*

Therefore, DoD, GSA, and NASA amend 48 CFR Parts 8 and 42 as set forth below:

1. The authority citation for 48 CFR Parts 8 and 42 continues to read as follows:

**Authority:** 40 U.S.C. 486(c); 10 U.S.C. chapter 137; and 42 U.S.C. 2473(c).

## **PART 8—REQUIRED SOURCES OF SUPPLIES AND SERVICES**

2. Add a new section 8.716 to read as follows:

### **8.716 Change-of-name and successor in interest procedures.**

When the Committee recognizes a name change or a successor in interest for a JWOD participating nonprofit agency providing supplies or services on the Procurement List—

(a) The Committee will provide a notice of a change to the Procurement List to the cognizant contracting officers; and

(b) Upon receipt of a notice of a change to the Procurement List from the Committee, the contracting officer must—

(1) Prepare a Standard Form (SF) 30, Amendment of Solicitation/Modification of Contract, incorporating a summary of the notice and attaching a list of contracts affected; and

(2) Distribute the SF 30, including a copy to the Committee.

## **PART 42—CONTRACT ADMINISTRATION AND AUDIT SERVICES**

3. Amend section 42.1203 to revise paragraph (a) to read as follows:

### **42.1203 Processing agreements.**

(a) If a contractor wishes the Government to recognize a successor in interest to its contracts or a name change, the contractor must submit a written request to the responsible contracting officer (see 42.1202). If the contractor received its contract under Subpart 8.7 under the Javits-Wagner-O'Day Act, use the procedures at 8.716 instead.

### **Federal Acquisition Regulation; OMB Circular A-119**

**AGENCIES:** Department of Defense (DoD), General Services Administration (GSA), and National Aeronautics and Space Administration (NASA).

**ACTION:** Final rule.

**SUMMARY:** The Civilian Agency Acquisition Council and the Defense Acquisition Regulations Council (Councils) have agreed on a final rule amending the Federal Acquisition Regulation (FAR) to address the use of voluntary consensus standards in accordance with the requirements of Office of Management and Budget (OMB) Circular A-119.

**EFFECTIVE DATE:** November 23, 1999.

**FOR FURTHER INFORMATION CONTACT:** The FAR Secretariat, Room 4035, GS Building, Washington, DC, 20405, (202) 501-4755, for information pertaining to status or publication schedules. For clarification of content, contact Ms. Victoria Moss, Procurement Analyst, at (202) 501-4764. Please cite FAC 97-14, FAR case 98-004.

#### **SUPPLEMENTARY INFORMATION:**

#### **A. Background**

The Office of Management and Budget published a revised OMB Circular A-119, "Federal Participation in the Development and Use of Voluntary Consensus Standards and in Conformity Assessment Activities," in the **Federal Register** at 63 FR 8545, February 19, 1998. This rule revises FAR Subparts 11.1 and 11.2 and adds a new solicitation provision at 52.211-7 to implement the revised OMB circular.

A proposed rule was published in the **Federal Register** at 63 FR 68344, December 10, 1998. All comments were considered in the development of this final rule.

This rule was not subject to Office of Management and Budget review under Section 6(b) of Executive Order 12866, Regulatory Planning and Review, dated September 30, 1993. This rule is not a major rule under 5 U.S.C. 804.

## **B. Regulatory Flexibility Act**

The Department of Defense, the General Services Administration, and the National Aeronautics and Space Administration certify that this final rule will not have a significant economic impact on a substantial number of small entities within the meaning of the Regulatory Flexibility Act, 5 U.S.C. 601, *et seq.*, because the rule merely amends the FAR to reflect the Government's preference for the use of voluntary consensus standards in accordance with OMB Circular A-119. The rule permits, but does not require, offerors to propose alternatives to Government-unique standards when responding to Government solicitations.

## **C. Paperwork Reduction Act**

The Paperwork Reduction Act (Pub. L. 96-511) applies because the final rule contains information collection requirements.

The Office of Management and Budget approved the information collection under clearance number 9000-0153 through February 28, 2002. This final rule does not affect those previously approved information collection requirements.

## **List of Subjects in 48 CFR Parts 11 and 52**

Government procurement.

Dated: September 14, 1999.

**Edward C. Loeb,**

*Director, Federal Acquisition Policy Division.*

Therefore, DoD, GSA, and NASA amend 48 CFR Parts 11 and 52 as set forth below:

1. The authority citation for 48 CFR Parts 11 and 52 continues to read as follows:

**Authority:** 40 U.S.C. 486(c); 10 U.S.C. chapter 137; and 42 U.S.C. 2473(c).

## **PART 11—DESCRIBING AGENCY NEEDS**

2. In section 11.101, add paragraph (c) to read as follows:

### **§ 11.101 Order of precedence for requirements documents.**

\* \* \* \* \*

(c) In accordance with OMB Circular A-119, "Federal Participation in the Development and Use of Voluntary Consensus Standards and in Conformity Assessment Activities," agencies must use voluntary consensus standards, when they exist, in lieu of Government-unique standards, except where inconsistent with law or otherwise impractical. The private sector manages and administers voluntary consensus standards. Such standards are not
