specifically designated by the Board as "supranational" entities for purposes of certain time deposits under Regulation D.

EFFECTIVE DATE: March 10, 2000. **FOR FURTHER INFORMATION CONTACT:**

Oliver I. Ireland, Associate General Counsel (202/452–3625), or Alison MacDonald, Senior Attorney (202/452– 3236), Legal Division, Board of Governors of the Federal Reserve System. For the hearing impaired only, Telecommunications Device for the Deaf (TDD), Janice Simms (202/872–4984).

SUPPLEMENTARY INFORMATION: Regulation D (12 CFR part 204) defines those deposits against which depository institutions must maintain reserve balances with a Federal Reserve Bank and sets ratios for those reserves. The regulation imposes a marginal reserve requirement of 10 percent against transaction accounts but exempts international banking facility ("'IBF") time deposits from the reserve requirements and imposes a 0 percent reserve ratio on nonpersonal time deposits. Promissory notes and other obligations issued to "[a]ny * foreign, international, or supranational entity specifically designated by the Board" are nonpersonal time deposits and may be IBF time deposits under relevant sections of Regulation D regardless of their maturity (12 CFR 204.2(c)).

Consistent with its designation of other multi-national, regional central banks and other European Community entities as "supranational" entities, the Board has designated the European Central Bank a "supranational" entity for purposes of Regulation D and, thus, is revising § 204.125 to include the European Central Bank. Accordingly, depository institutions receiving deposits from the European Central Bank that comply with the requirements of §§ 204.2(c)(1)(iv)(E) and 204.8(a)(2)(i)(B)(5) of Regulation D do not need to hold reserves against European Central Bank deposits under the regulation.

Regulatory Flexibility Act

The Regulatory Flexibility Act (5 U.S.C. 601–612) requires an agency to publish a regulatory flexibility analysis for any final rule for which the agency was required to publish a general notice of proposed rulemaking. Under 12 U.S.C. 553(b), a general notice of proposed rulemaking is not required for interpretive rules. Accordingly, no regulatory flexibility analysis is required in this case.

Under 12 U.S.C. 553(d), a 30-day period between publication date and

effective date is not required for interpretive rules. Accordingly, this interpretation is effective on the date of publication in the **Federal Register**.

Paperwork Reduction Act

In accordance with the Paperwork Reduction Act Notice of 1995 (44 U.S.C. ch. 3506; 5 CFR Part 1320, Appendix A.1), the Board has reviewed the rule under authority delegated to the Board by the Office of Management and Budget. No collections of information pursuant to the Paperwork Reduction Act are contained in the rule.

List of Subjects 12 CFR Part 204

Banks, banking, Federal Reserve System, Reporting and recordkeeping requirements.

For the reasons set forth in the preamble, the Board is amending part 204 in chapter II of title 12 of the Code of Federal Regulations as follows:

PART 204—RESERVE REQUIREMENTS OF DEPOSITORY INSTITUTIONS (REGULATION D)

1. The authority citation for part 204 continues to read as follows:

Authority: 12 U.S.C. 248(a), 248(c), 371a, 461, 601, 611, and 3105.

- 2. Section 204.125 is amended as follows:
- a. In the introductory text, "\$\\$ 204.2(c)(1)(E)" is removed and "\\$\\$ 204.2(c)(1)(iv)(E)" is added in its place;

b. In the listing under Europe, a new entry is added in alphabetical order, to read as follows:

§ 204.125 Foreign, international, and supranational entities referred to in §§ 204.2(c)(1)(iv)(E) and 204.8(a)(2)(i)(B)(5).

European Central Bank.

By order of the Board of Governors of the Federal Reserve System, March 6, 2000.

Jennifer J. Johnson,

Secretary of the Board. [FR Doc. 00–5861 Filed 3–9–00; 8:45 am] BILLING CODE 6210–01–P

DEPARTMENT OF TRANSPORTATION

Federal Aviation Administration

14 CFR Part 71

[Airspace Docket No. 00-ASO-1]

Establishment of Class E Airspace; Whitesburg, KY

AGENCY: Federal Aviation Administration (FAA), DOT.

ACTION: Final rule.

SUMMARY: This action establishes Class E airspace at Whitesburg, KY. A Global Positioning System (GPS) Standard Instrument Approach Procedure (SIAP), helicopter point in space approach, has been developed for Whitesburg Appalachian Regional Hospital, Whitesburg, KY. As a result, additional controlled airspace extending upward from 700 feet Above Ground Level (AGL) is needed to accommodate the SIAP and for Instrument Flight Rules (IFR) operations at Whitesburg Appalachian Hospital.

EFFECTIVE DATE: 0901 UTC, June 15, 2000.

FOR FURTHER INFORMATION CONTACT:

Nancy P. Shelton, Manager, Airspace Branch, Air Traffic Division, Federal Aviation Administration, P.O. Box 20636, Atlanta, Georgia 30320; telephone (404) 305–5627.

SUPPLEMENTARY INFORMATION:

History

On January 26, 2000, the FAA proposed to amend part 71 of the Federal Aviation Regulations (14 CFR part 71) by establishing Class E airspace at Whitesburg, KY, (65 FR 4192). This action provides adequate Class E airspace for IFR operations at the Whitesburg Appalachian Regional Hospital. Designations for Class E airspace extending upward from 700 feet or more above the surface are published in paragraph 6005 of FAA Order 7400.9G, dated September 1, 1999, and effective September 16, 1999, which is incorporated by reference in 14 CFR part 71.1. The Class E designation listed in this document will be published subsequently in the Order.

Interested parties were invited to participate in this rulemaking proceeding by submitting written comments on the proposal to the FAA. No comments objecting to the proposal were received.

The Rule

This amendment to part 71 of the Federal Aviation Regulations (14 CFR part 71) establishes Class E airspace at Whitesburg, KY, for the Whitesburg Appalachian Regional Hospital.

The FAA has determined that this regulation only involves an established body of technical regulations for which frequent and routine amendments are necessary to keep them operationally current. It, therefore, (1) is not a "significant regulatory action" under Executive Order 12866; (2) is not a "significant rule" under DOT Regulatory Policies and Procedures (44 FR 11034; February 26, 1979); and (3) does not warrant preparation of a Regulatory Evaluation, as the anticipated impact is so minimal. Since this is a routine matter that will only affect air traffic procedures and air navigation, it is certified that this rule will not have a significant economic impact on a substantial number of small entities under the criteria of the Regulatory Flexibility Act.

List of Subjects in 14 CFR Part 71

Airspace, Incorporation by reference, Navigation (air).

Adoption of the Amendment

In consideration of the foregoing, the Federal Aviation Administration amends 14 CFR part 71 as follows:

PART 71—DESIGNATION OF CLASS A, CLASS B, CLASS C, CLASS D AND CLASS E AIRSPACE AREAS; AIRWAYS; ROUTES; AND REPORTING POINTS

1. The authority citation for 14 CFR part 71 continues to read as follows:

Authority: 49 U.S.C. 106(g), 40103, 40113, 40120; EO 10854, 24 FR 9565, 3 CFR, 1959–1963 Comp., p. 389.

§71.1 [Amended]

2. The incorporation by reference in 14 CFR 71.1 of Federal Aviation Administration Order 7400.9G, Airspace Designations and Reporting Points, dated September 1, 1999, and effective September 16, 1999, is amended as follows:

Paragraph 6005 Class E Airspace Areas Extending Upward from 700 feet or More above the Surface of the Earth. * * * * * *

ASO KY E5 Whitesburg, KY [New]

Whitesburg Appalachian Regional Hospital, Whitesburg, KY Point in Space Coordinates Lat. 37°07′16″N, long. 82°50′34″W)

That airspace extending upward from 700 feet or more above the surface within a 6-mile radius of the point in space (lat. 37°07′16″N, long. 82°50′34″W) serving Whitesburg Appalachian Regional Hospital, Whitesburg, KY.

BILLING CODE 4910-13-M

DEPARTMENT OF TRANSPORTATION

Federal Aviation Administration

14 CFR Part 71

[Airspace Docket No. 99-ACE-51]

Amendment to Class E Airspace; Marshall, MO: Correction

AGENCY: Federal Aviation Administration, DOT.

ACTION: Direct final rule; confirmation of effective date and corrections.

SUMMARY: This document confirms the effective date of a direct final rule which revises the Class E airspace at Marshall, MO, and corrects an error in the coordinates for the Marshall Memorial Municipal Airport, Airport Reference Point (ARP) as published in the **Federal Register** January 12, 2000 (65 FR 1774), Airspace Docket No. 99–ACE–51.

DATES: The direct final rule published at 65 FR 1774 is effective on 0901 UTC, April 20, 2000. This correction is effective on April 20, 2000.

FOR FURTHER INFORMATION CONTACT:

Brenda Mumper, Air Traffic Division, Airspace Branch, ACE-520A, DOT Regional Headquarters Building, Federal Aviation Administration, 901 Locust, Kansas City, MO 64106; telephone: (816 329–2524.

SUPPLEMENTARY INFORMATION:

History

On January 12, 2000, The FAA published in the **Federal Register** a direct final rule; request for comments which revises the Class E airspace at Marshall, MO (FR document 00-582, 65 FR 1774, Airspace Docket No. 99-ACE-51). An error was subsequently discovered in the coordinates for the Marshall Memorial Municipal airport ARP. This action corrects that error. After careful review of all available information related to the subject presented above, the FAA has determined that air safety and the public interest require adoption of the rule. The FAA has determined that this correction will not change the meaning of the action nor add any additional burden on the public beyond that already published. This action corrects the error in the coordinates of the

Marshall Memorial Municipal Airport ARP and confirms the effective date to the direct final rule.

The FAA uses the direct final rulemaking procedure for a noncontroversial rule where the FAA believes that there will be no adverse public comment. This direct final rule advised the public that no adverse comments were anticipated, and that unless a written adverse comment, or a written notice of intent to submit such an adverse comment, were received within the comment period, the regulation would become effective on April 20, 2000. No adverse comments were received, and thus this notice confirms that this direct final rule will become effective on that date.

Correction to the Direct Final Rule

Accordingly, pursuant to the authority delegated to me, coordinates for the Marshall Memorial Municipal Airport ARP as published in the **Federal Register** on January 12, 2000 (65 FR 1774), (**Federal Register** Document 00–782; page 1775, column three) are corrected as follows:

§71.1 [Corrected]

ACE MO 35 Marshall, MO [Corrected]

On page 1775, in the third column, after Marshall Memorial Municipal Airport, MO, correct the coordinates by removing (lat. 39°05′44″N., long. 93°12′02″W.) and substituting (lat. 39°05′45′N., long. 93°12′14″W.)

Issued in Kansas City, MO on February 28, 2000.

[Airspace Docket No. 00-ANM-04] RIN 2120-AA66

Modification of Three Jet Routes, Bellingham, WA

AGENCY: Federal Aviation Administration (FAA), DOT.

ACTION: Final rule.

SUMMARY: This action amends the legal descriptions of three Jet routes that use the Bellingham, WA, Very High Frequency Omnidirectional Range/Tactical Air Navigation (VORTAC) in their route structures. Currently, the VORTAC and the International Airport share the "Bellingham" name. However,
