

result in an annual effect on the economy of \$100,000,000 or more, a major increase in costs or prices, or have significant adverse effects on competition, employment, investment, productivity, innovation, or on the ability of United States-based companies to compete with foreign-based companies in domestic and export markets.

Paperwork Reduction Act of 1995

The collection of information for NICS previously was approved by OMB and issued OMB control numbers 1110-0026, 1512-0129, and 1512-0130.

List of Subjects in 28 CFR Part 25

Administrative practice and procedure, Business and industry, Computer technology, Courts, Firearms, Law enforcement officers, Penalties, Privacy, Reporting and record keeping requirements, Security measures, Telecommunications.

Accordingly, part 25 of title 28 of the Code of Federal Regulations is amended as follows:

PART 25—DEPARTMENT OF JUSTICE INFORMATION SYSTEMS

1. The authority citation for Part 25 continues to read as follows:

Authority: Pub. L. 103-159, 107 Stat. 1536.

Subpart A—The National Instant Criminal Background Check System

§ 25.9 [Amended]

2. In § 25.9, paragraph (b) is revised to read as follows:

* * * * *

(b) The FBI will maintain an automated NICS Audit Log of all incoming and outgoing transactions that pass through the system.

(1) The NICS Audit Log will record the following information: type of transaction (inquiry or response), line number, time, date of inquiry, header, message key, ORI, and inquiry/response data (including the name and other identifying information about the prospective transferee and the NTN). In cases of allowed transfers, all information in the NICS Audit Log related to the person or the transfer, other than the NTN assigned to the transfer and the date the number was assigned, will be destroyed after not more than 90 days after the transfer is allowed. NICS Audit Log records relating to denials will be retained for 10 years, after which time they will be transferred to a Federal Records Center for storage. The NICS will not be used to establish any system for the registration of firearms, firearm owners,

or firearm transactions or dispositions, except with respect to persons prohibited from receiving a firearm by 18 U.S.C. 922 (g) or (n) or by state law.

(2) The NICS Audit Log will be used to analyze system performance, assist users in resolving operational problems, support the appeals process, or support audits of the use of the system. Searches may be conducted on the Audit Log by time frame, i.e., by day or month, or by a particular state or agency. Information in the NICS Audit Log pertaining to allowed transfers may be accessed directly only by the FBI for the purpose of conducting audits of the use and performance of the NICS. Permissible uses include extracting and providing information from the NICS Audit Log to ATF in connection with ATF's inspections of FFL records, provided that ATF destroys the information about allowed transfers within the retention period for such information set forth in paragraph (b)(1) of this section and maintains a written record certifying the destruction. Such information, however, may be retained as long as needed to pursue cases of identified misuse of the system. The NICS, including the NICS Audit Log, may not be used by any Department, agency, officer, or employee of the United States to establish any system for the registration of firearms, firearm owners, or firearm transactions or dispositions. The NICS Audit Log will be monitored and reviewed on a regular basis to detect any possible misuse of the NICS data.

BILLING CODE 4410-06-U

DEPARTMENT OF TRANSPORTATION

Coast Guard

33 CFR Part 117

[CGD07-01-002]

RIN 2115-AE47

Drawbridge Operation Regulations: Hillsborough River

AGENCY: Coast Guard, DOT.

ACTION: Temporary final rule.

SUMMARY: The Coast Guard is temporarily changing the operation of the Brorein and Platt Street Drawbridges across the Hillsborough River in Tampa, Florida. This temporary rule allows the Brorein and Platt Street Drawbridges to

remain closed to navigation from 10 a.m. to 6 p.m. on Saturday, January 27, 2001. This action is necessary to facilitate the Ye Mystic Krewe of Gasparilla Invasion and Parade.

DATES: This rule is effective from 10 a.m. to 6 p.m. on January 27, 2001.

ADDRESSES: Material received from the public as well as documents indicated in this preamble as being available in the docket are part of docket [CGD07-01-002] and are available for inspection or copying at Commander (obr), Seventh Coast Guard District, 909 S.E. 1st Avenue, Miami, Florida, between 7:30 a.m. and 4 p.m., Monday through Friday, except Federal holidays.

FOR FURTHER INFORMATION CONTACT: Mr. Barry Dragon, Seventh Coast Guard District, Bridge Section, at (305) 415-6743.

SUPPLEMENTARY INFORMATION:

Regulatory Information

We did not publish a notice of proposed rulemaking (NPRM) for this rule. Under 5 U.S.C. 553(b)(B), the Coast Guard finds that good cause exists for not publishing an NPRM. Publishing an NPRM was impracticable because there was not sufficient time remaining after the bridge owner notified us of the need for the bridge to remain closed for the Gasparilla event.

For the same reason, under 5 U.S.C. 553(d)(3), the Coast Guard finds that good cause exists for making this rule effective less than 30 days after publication in the **Federal Register**.

Background and Purpose

The Brorein and Platt Street Drawbridges, miles 0.16 and 0.0 respectively, across the Hillsborough River, have vertical clearances of 15.6 feet at mean high water and a horizontal clearance of 80 feet between fenders. The existing operating regulations in 33 CFR 117.291(a) require the bridge to open on signal after two hours notice.

The City of Tampa Department of Public Works requested that the Brorein and Platt Street Drawbridge operations be temporarily changed to allow the Ye Mystic krewe of Gasparilla Invasion and Parade. This temporary change to the drawbridge operating regulations will allow the drawbridge to remain closed from 10 a.m. to 6 p.m., Saturday, January 27, 2001.

Regulatory Evaluation

This rule is not a "significant regulatory action" under section 3(f) of Executive Order 12866 and does not require an assessment of potential costs and benefits under section 6(a)(3) of that order. The Office of Management and

Budget has not reviewed it under that Order. It is not "significant" under the regulatory policies and procedures of the Department of Transportation (DOT) (44 FR 11040, February 26, 1979). The Coast Guard expects the economic impact of this rule to be so minimal that a full Regulatory Evaluation under paragraph 10(e) of the regulatory policies and procedures of DOT is unnecessary.

Small Entities

Under the Regulatory Flexibility Act (5 U.S.C. 601–888–612), we considered whether this rule will have a significant economic effect upon a substantial number of small entities. "Small entities" include small business, not-for-profit organizations that are independently owned and operated and are not dominant in their fields, and governmental jurisdictions with populations of less than 50,000.

The Coast Guard certifies under 5 U.S.C. 605(b) that this rule will not have a significant economic impact on a substantial number of small entities. This rule may affect the following entities, some of which may be small entities: the owners or operators of vessels intending to transit the Hillsborough River under the Brorein or Platt Street Drawbridges on January 27, 2001.

This temporary rule will not have a significant economic impact on a substantial number of small entities because the regulations will only be in effect for eight hours in an area of limited marine traffic, and the event will be highly publicized.

Assistance for Small Entities

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Public Law 104–221), we offer to assist small entities in understanding the rule so that they could better evaluate its effects on them and participate in the rulemaking process. Small entities may contact the person listed under **FOR FURTHER INFORMATION CONTACT** for assistance in understanding and participating in this rulemaking. We also have a point of contact for commenting on actions by employees of the Coast Guard. Small businesses may send comments on the actions of Federal employees who enforce, or otherwise determine compliance with Federal regulations to the Small Business and Agriculture Regulatory Enforcement Ombudsman and the Regional Small Business Regulatory Fairness Boards. The Ombudsman evaluates these actions annually and rates each agency's responsiveness to small business. If you

wish to comment on actions by employees of the Coast Guard, call 1–888–REG–FAIR (1–888–734–3247).

Collection of Information

This rule calls for no new collection of information requirements under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501–3520).

Federalism

We have analyzed this rule under Executive Order 13132 and have determined that this rule does not have implications for federalism under that order.

Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531–1538) governs the issuance of Federal regulations that require unfunded mandates. An unfunded mandate is a regulation that requires a State, local, or tribal government or the private sector to incur direct costs without the Federal Government's having first provided the funds to pay those unfunded mandate costs. This rule will not impose an unfunded mandate.

Taking of Private Property

This rule will not effect a taking of private property or otherwise have taking implications under Executive Order 12630, Governmental Actions and Interference with Constitutionally Protected Property Rights.

Civil Justice Reform

This rule meets applicable standards in sections 3(a) and 3(b)(2) of Executive Order 12988, Civil Justice Reform, to minimize litigation, eliminate ambiguity, and reduce burden.

Protection of Children

We have analyzed this rule under Executive Order 13045, Protection of Children from Environmental Health Risks and Safety Risks. This rule is not an economically significant rule and does not concern an environmental risk to health or safety that may disproportionately affect children.

Environment

The Coast Guard has considered the environmental impact of this action and has determined under figure 2–1, paragraph 32(e) of Commandant Instruction M16475.1C, that this rule is categorically excluded from further environmental documentation.

List of Subjects in 33 CFR Part 117

Bridges.

For the reasons discussed in the preamble, the Coast Guard amends 33 CFR part 117 as follows:

PART 117—DRAWBRIDGE OPERATION REGULATIONS

1. The authority citation for Part 117 continues to read as follows:

Authority: 33 U.S.C. 499; 49 CFR 1.46; 33 CFR 1.05–1(g); section 117.255 also issued under the authority of Pub. L. 102–587, 106 Stat. 5039.

2. From 10 a.m. to 6 p.m. on January 27, 2001, in § 117.291, temporarily suspend paragraph (a) and add a new temporary paragraph (c) to read as follows:

§ 117.291 Hillsborough River.

* * * * *

(c)(1) The draws of the bridges at Platt Street, mile 0.0, and Brorein Street, mile 0.16, need not open to navigation.

(2) The draws of the bridges at Kennedy Boulevard, mile 0.4, Cass Street, mile 0.7, Laurel Street, mile 1.0, West Columbus Drive, mile 2.3, and West Hillsborough Avenue, mile 4.8, shall open on signal if at least two hours notice is given; except that, the draws shall open on signal as soon as possible after a request by a public vessel of the United States, a vessel owned or operated by the State, county or local government and used for public safety purposes, or a vessel in distress.

Dated: January 12, 2001.

T.W. Allen,

Rear Admiral, U.S. Coast Guard, Commander, Seventh Coast Guard District.

Safety Zone; Wrangell Narrows, Petersburg, AK

AGENCY: Coast Guard, DOT.

ACTION: Temporary final rule.

SUMMARY: The Coast Guard is establishing a temporary safety zone around the barge SWINIMOSH which will be conducting blasting/dredging operations along the navigable waters of Wrangell Narrows Shipping Channel, Petersburg, Alaska. This safety zone will require periodic complete channel closures to all vessel traffic transiting the channel as necessary for the barge SWINIMOSH to conduct operations. This safety zone is needed to protect maritime vessels transiting the area from
