9 CFR Part 94

[Docket No. 01-131-2]

Change in Disease Status of Finland Because of BSE

AGENCY: Animal and Plant Health Inspection Service, USDA.

ACTION: Affirmation of interim rule as final rule.

SUMMARY: We are adopting as a final rule, without change, an interim rule that amended the regulations by adding Finland to the list of regions where bovine spongiform encephalopathy exists because the disease had been detected in a native-born animal in that region. Finland had already been listed among the regions that presents an undue risk of introducing bovine spongiform encephalopathy into the United States, so the effect of the interim rule was a continued restriction on the importation of ruminants, meat, meat products, and certain other products of ruminants that have been in Finland. The interim rule was necessary in order to update the disease status of Finland regarding bovine spongiform encephalopathy.

EFFECTIVE DATE: The interim rule became effective on December 7, 2001.

FOR FURTHER INFORMATION CONTACT: Dr. Gary Colgrove, Chief Staff Veterinarian, Sanitary Issues Management Staff, National Center for Import and Export, VS, APHIS, 4700 River Road Unit 38, Riverdale, MD 20737-1231; (301) 734-4356.

SUPPLEMENTARY INFORMATION:

Background

In an interim rule effective December 7, 2001, and published in the **Federal Register** on March 20, 2002 (67 FR 12831-12832, Docket No. 01-131-1), we amended the regulations in 9 CFR part 94 by adding Finland to the list of regions where bovine spongiform encephalopathy (BSE) exists. Finland had previously been listed in § 94.18(a)(2) as a region that presents an undue risk of introducing BSE into the

United States. However, due to the detection of BSE in a native-born animal in that region, the interim rule was necessary to update the disease status of Finland regarding BSE.

Comments on the interim rule were required to be received on or before May 20, 2002. We did not receive any comments. Therefore, for the reasons given in the interim rule, we are adopting the interim rule as a final rule.

This action also affirms the information contained in the interim rule concerning Executive Order 12866 and the Regulatory Flexibility Act, Executive Order 12988, and the Paperwork Reduction Act.

Further, for this action, the Office of Management and Budget has waived its review under Executive Order 12866.
