Federal Communications Commission.

Marlene H. Dortch,
Secretary.

Final Rules

■ For the reasons discussed in the preamble, the Federal Communications Commission amends 47 CFR part 69 as follows:

PART 69—ACCESS CHARGES

■ 1. The authority citation for part 69 continues to read as follows:

Authority: 47 U.S.C. 154, 201, 202, 203, 205, 218, 220, 254, 403.

■ 2. Section 69.602 is amended by revising paragraphs (c), (e), and (f), and by removing paragraph (i) to read as follows:

§ 69.602 Board of directors.

* * * * *

(c) Two directors shall represent the first subset, two directors shall represent the second subset, six directors shall represent the third subset, and five directors shall represent all three subsets.

* * * * *

(e) Each subset of the association membership shall select the directors who will represent it through elections in which each member of the subset shall be entitled to one vote for each director position within that subset.

(f) The association membership shall select the directors who will represent all three subsets through an election in which each member of the association shall be entitled to one vote for each director position. No director representing all three subsets may serve for more than six consecutive calendar

years without standing for an election in which that director is opposed by at least one other candidate meeting the qualifications in paragraph (d) of this section.

BILLING CODE 6712–01–P

DEPARTMENT OF COMMERCE

National Oceanic and Atmospheric Administration

50 CFR Part 679

[Docket No. 021122286–3036-02; I.D. 073003E]

Fisheries of the Economic Exclusive Zone Off Alaska; Groundfish Fisheries by Vessels using Hook-and-Line Gear in the Gulf of Alaska

AGENCY: National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

ACTION: Closure.

SUMMARY: NMFS is prohibiting directed fishing for groundfish by vessels using hook-and-line gear in the Gulf of Alaska (GOA), except for demersal shelf rockfish in the Southeast Outside District or sablefish. This action is necessary because the second seasonal bycatch mortality allowance of Pacific halibut apportioned to hook-and-line gear targeting groundfish other than demersal shelf rockfish in the Southeast Outside District or sablefish has been reached.

DATES: Effective 1200 hrs, Alaska local time (A.l.t.), August 1, 2003, until 1200 hrs, A.l.t., September 1, 2003.

FOR FURTHER INFORMATION CONTACT: Mary Furuness, 907–586–7228

SUPPLEMENTARY INFORMATION: NMFS manages the groundfish fishery in the GOA exclusive economic zone according to the Fishery Management Plan for Groundfish of the Gulf of Alaska (FMP) prepared by the North Pacific Fishery Management Council under authority of the Magnuson-Stevens Fishery Conservation and Management Act. Regulations governing fishing by U.S. vessels in accordance with the FMP appear at subpart H of 50 CFR part 600 and 50 CFR part 679.

The Pacific halibut bycatch mortality allowance for groundfish included in the other hook-and-line fishery, which is defined at § 679.21(d)(4)(iii)(C), was as established by the final 2003 harvest specifications for groundfish of the GOA (68 FR 9924, March 3, 2003) for the second season, the period June 10, 2003, through September 1, 2003, as 5 metric tons. The other hook-and-line fishery includes all groundfish except for demersal shelf rockfish in the Southeast Outside District or sablefish.

In accordance with § 679.21(d)(7)(ii), the Administrator, Alaska Region,

NMFS (Regional Administrator), has determined that the second seasonal apportionment of the 2003 Pacific halibut bycatch mortality allowance specified for the hook-and-line groundfish fisheries other than demersal shelf rockfish in the Southeast Outside District or sablefish has been reached. Consequently, NMFS is prohibiting directed fishing for groundfish other than demersal shelf rockfish in the Southeast Outside District or sablefish by vessels using hook-and-line gear.

Maximum retainable amounts may be found in the regulations at § 679.20(e) and (f).

Classification

This action responds to the best available information recently obtained from the fishery. The Assistant Administrator for Fisheries, NOAA (AA), finds good cause to waive the requirement to provide prior notice and opportunity for public comment pursuant to the authority set forth at 5 U.S.C. 553(b)(B) as such requirement is contrary to the public interest. This

requirement is contrary to the public interest as it would delay the closure of the fishery, lead to exceeding the second seasonal bycatch mortality allowance of Pacific halibut apportioned to hook-and-line gear, and therefore reduce the public's ability to use and enjoy the fishery resource.

The AA also finds good cause to waive the 30-day delay in the effective date of this action under 5 U.S.C. 553(d)(3). This finding is based upon the reasons provided above for waiver of prior notice and opportunity for public comment.

This action is required by § 679.21 and is exempt from review under Executive Order 12866.

Authority: 16 U.S.C. 1801 et seq.

Dated: July 31, 2003.

Bruce C. Morehead,

Acting Director, Office of Sustainable Fisheries, National Marine Fisheries Service.
