further ask that following the prayer and pledge, the morning hour be deemed expired, the Journal of proceedings be approved to date, the time for the two leaders be reserved for their use later in the day, and the Senate begin a period of morning business with Senators limited to speak for up to 10 minutes each.

The PRESIDING OFFICER. Without objection, it is so ordered.

PROGRAM

Mr. FRIST. Mr. President, on Monday, April 19, the Senate will be in a period of morning business. I have stated it is our intention at this juncture to proceed to the consideration of S. 2290, the asbestos bill. Although we don't have an agreement on proceeding to the bill, we will continue to have discussions with the Democratic leadership in an effort to move forward on this legislation.

A few moments ago we reached an agreement which limits amendments to the FSC/ETI bill or the JOBS legislation. I know the Democratic leader worked in good faith to limit amendments on his side, and he has witnessed firsthand that I have had my hands full throughout the day as well. The attempt was made to limit the number of amendments as much as we possibly could. I feel that is what we have done. But I am personally disappointed we can't get the list smaller, especially on amendments that are totally unrelated. The agreement we entered into is to define the universe of amendments, and I would expect and encourage the managers to continue to work to whittle down that list appropriately. I expect them to do so, and that was the nature of the discussion we had today.

All of us know the calendar is working against us and we absolutely must, with the sanctions having an impact today and increasing every month, find a way to get this bill done. I don't believe it should be necessary—I hope my colleagues agree—to consider four pages of amendments. Again, I encourage the managers to work with all of our colleagues to limit the number of amendments we ultimately consider.

As I previously announced, we will not be having rollcall votes on April 19. A number of colleagues will want to talk on the issues, including asbestos, and they will be able to do that on Monday.

Having said that, I wish all of our colleagues a safe and happy recess.

Mr. President, I suggest the absence of a quorum.

The PRESIDING OFFICER. The clerk will call the roll.

The legislative clerk proceeded to call the roll.

Mr. FRIST. Mr. President, I ask unanimous consent that the order for the quorum call be rescinded.

The PRESIDING OFFICER. Without objection, it is so ordered.

ADJOURNMENT UNTIL MONDAY, APRIL, 19, 2004, AT 1 P.M.

Mr. FRIST. Mr. President, if there is no further business to come before the Senate, I ask unanimous consent that the Senate stand in adjournment under the provisions of H. Con. Res. 404.

There being no objection, the Senate, at 6:52 p.m., adjourned until Monday, April 19, 2004, at 1 p.m.
