[Docket No. FMCSA–2005–22470]

Regulatory Guidance for Forms Used To Establish Minimum Levels of Financial Responsibility of Motor Carriers

AGENCY: Federal Motor Carrier Safety Administration (FMCSA), DOT.

ACTION: Regulatory guidance.

SUMMARY: This document presents interpretive guidance material for the Federal Motor Carrier Safety Regulations (FMCSRs). FMCSA issues new regulatory guidance for Forms MCS–90, MCS–90B, MCS–82, and MCS–82B used to establish minimum levels of financial responsibility of motor carriers. The questions and answers are applicable to motor carrier operations on a national basis. This guidance will provide the motor carrier and financial services industries and Federal, State, and local law enforcement officials with a clearer understanding of the applicability in particular situations of Forms MCS–90, MCS–90B, MCS–82, and MCS–82B contained in the FMCSRs.

EFFECTIVE DATE: October 5, 2005.

FOR FURTHER INFORMATION CONTACT: Ms. Joy Dunlap, Chief, Commercial Enforcement Division, Office of Enforcement and Compliance (MC–ECC), Federal Motor Carrier Safety Administration, 400 Seventh Street, SW., Washington, DC 20590. Phone 202–385–2400. Office hours are from 7:45 a.m. to 4:15 p.m., e.t., Monday through Friday, except Federal legal holidays.

SUPPLEMENTARY INFORMATION:**Basis for the Notice**

FMCSA received a petition for rulemaking from several insurance companies and the American Insurance Association to amend Form MCS–90, Endorsement for Motor Carrier Policies

of Insurance for Public Liability, to incorporate several changes, most of which were suggested to clarify the meaning of Form MCS-90. The Trucking Industry Defense Association (TIDA) filed a brief in support of the petition. A copy of the petition, amendments to the petition and the TIDA brief are in the docket identified in the heading of this document. The petitioners contended changes were necessary in light of Federal and State court decisions¹ that they claimed misconstrued Form MCS-90 to require insurance companies to pay damages for negligent operation of a vehicle owned by the insured motor carrier but not covered by its insurance policy, even when no judgment had been obtained against the insured motor carrier. The Petitioners' primary concern was to have the agency clarify that the word "insured" in the Form MCS-90 means "named insured."

FMCSA has denied the petition for rulemaking. However, the agency stated petitioners' concerns could be adequately addressed without rulemaking through formal agency guidance to be published in the **Federal Register**. A copy of the letter denying the petition is in the docket identified in the heading of this document.

FMCSA Authorities Over Motor Carrier Financial Responsibility Requirements

Section 30 of the Motor Carrier Act of 1980 (Pub. L. 96-296, July 1, 1980, 94 Stat. 793, at 820), codified at 49 U.S.C. 31139, established minimum levels of financial responsibility for for-hire motor carriers of property involved in interstate or foreign transportation and for the transportation of hazardous materials in intrastate and interstate commerce.

Section 18 of the Bus Regulatory Reform Act of 1982 (Pub. L. 97-261, September 20, 1982, 96 Stat. 1102), codified at 49 U.S.C. 31138, established minimum levels of financial responsibility covering public liability and property damage for the transportation of passengers by for-hire motor carriers in interstate or foreign commerce.

The financial responsibility provisions of the Motor Carrier Act of 1980 and the Bus Regulatory Reform Act of 1982 were intended to create incentives for the motor carrier industry to focus on the safety aspects of

highway transportation and to assure the general public that a motor carrier maintains an adequate level of financial responsibility sufficient to satisfy claims covering public liability, property damage liability and, in the case of transporters of hazardous materials, environmental restoration liability.

The Administrator of FMCSA has been delegated authority, under 49 CFR 1.73(f), to carry out the functions vested in the Secretary of Transportation relating to financial responsibility requirements for motor carriers, brokers and freight forwarders. Such functions include issuing regulations implementing 49 U.S.C. 31138 and 31139 and providing guidance regarding statutory or regulatory requirements.

This document provides regulatory guidance to the petitioners and the public with respect to the proper interpretation of Form MCS-90. FMCSA is including Forms MCS-90B, MCS-82, and MCS-82B in this regulatory guidance as well, because the same issue may arise with respect to these forms. Forms MCS-90, MCS-90B, MCS-82, and MCS-82B are not intended, and do not purport, to require insurance companies or sureties to satisfy a judgment against any party other than the motor carrier named in the endorsement or its fiduciary.

Members of the motor carrier industry and other interested parties may also access the guidance in this document through the FMCSA's Internet site at <http://www.fmcsa.dot.gov>.

Specific questions addressing any of the interpretive material published in this document should be directed to the contact person listed earlier under **FOR FURTHER INFORMATION CONTACT**, or the FMCSA Division Office in each State.
