

Affected ADs

(b) This AD supersedes AD 2005–26–53; Amendment 39–14451.

Applicability

(c) This AD affects Model 750XL airplanes, serial numbers 101, 102, 104 through 120, and 125, that are certificated in any category.

Unsafe Condition

(d) This AD is the result of some critical rivets on the wing not being fully age-hardened and being installed in specific locations where reduction in rivet strength reduces wing strength. The actions specified in this AD are intended to ensure wing ultimate load requirements are met. If wing

ultimate load requirements are not met, wing failure could result with consequent loss of control of the airplane.

Compliance

(e) To address this problem, you must do the following:

Actions	Compliance	Procedures

Department of Labor Regulatory Review and Update

AGENCY: Employment and Training Administration, and Employment Standards Administration, Department of Labor.

ACTION: Final rule; technical amendments.

SUMMARY: The Department of Labor (DOL) is amending existing regulations to update obsolete non-substantive or nomenclature references in the Code of Federal Regulations (CFR). This action is intended to improve the accuracy of

the agency's regulations and does not impose any new regulatory or technical requirements.

DATES: *Effective Date:* June 21, 2006.

FOR FURTHER INFORMATION CONTACT: Kathleen Franks, U.S. Department of Labor, Room S–2312, 200 Constitution Avenue, NW., Washington, DC 20210, Telephone (202) 693–5959.

SUPPLEMENTARY INFORMATION: DOL's strategic outcome goal 4.2 measures the agency's success in creating a regulatory structure that promotes compliance flexibility and reduces regulatory burden. As part of this strategic goal, DOL is conducting an ongoing review of its regulations governing labor standards, pensions, health care, and worker safety to ensure that these references in the CFR are accurate and current. This final rule is the first of a series of updates to correct or remove obsolete non-substantive or nomenclature references in the CFR.

Publication of this document constitutes final action on these changes under the Administrative Procedure Act (5 U.S.C. 553). Notice of Proposed Rulemaking is unnecessary since the agency is merely updating non-substantive and nomenclature references.

Executive Order 12866

This rule has been drafted and reviewed in accordance with Executive Order 12866, section 1(b), Principles of Regulations. The agency has determined that this rule is not a “significant

regulatory action” under Executive Order 12866, section 3(f), Regulatory Planning and Review. Accordingly, there is no requirement for an assessment of potential costs and benefits under section 6(a)(3) of that order.

Regulatory Flexibility Act

Because no notice of proposed rulemaking is required for this rule under section 553(b) of the Administrative Procedure Act (APA), the requirements of the Regulatory Flexibility Act (5 U.S.C. 601) pertaining to regulatory flexibility do not apply to this rule. See 5 U.S.C. 601(2).

Paperwork Reduction Act

This final rule is not subject to section 350(h) of the Paperwork Reduction Act (44 U.S.C. 3501) since it does not contain any new collection of information requirements.

Publication in Final

The Department has determined that these amendments need not be published as a proposed rule, pursuant to 5 U.S.C. 553(b)(A), since several of these changes are interpretive, procedural in nature, or relate to agency organization. Because this final rule does not make substantive amendments, the Department of Labor has determined that delaying the effective date of the rule is unnecessary and good cause exists under 5 U.S.C. 553(b)(B) to make this rule effective immediately upon publication in the **Federal Register**.

Small Business Regulatory Enforcement Fairness Act of 1996

This rule is not classified as a “rule” under Chapter 8 of the Small Business Regulatory Enforcement Fairness Act of 1996, because it is a rule pertaining to agency organization, procedure, or practice that does not substantially affect the rights or obligations of non-agency parties. See 5 U.S.C. 804(3)(C).

Books or records relating to a collection of information must be retained as long as their contents may become material in the administration of any internal revenue law. Generally, tax returns and tax return information are confidential, as required by 26 U.S.C. 6103.

Background

Section 6038 of the Internal Revenue Code (Code) requires a U.S. person to furnish, with respect to any foreign business entity which such person controls, certain information as prescribed by the Secretary. More specifically, section 6038(a)(1)(D) provides that the information to be furnished includes information relating to transactions between the foreign business entity and (i) such U.S. person, (ii) any corporation or partnership controlled by such U.S. person, and (iii) any U.S. person owning at the time the transaction takes place a 10 percent or

greater interest in the foreign business entity.

Section 6038A requires certain foreign-owned domestic corporations to furnish certain information prescribed by the Secretary. In particular, section 6038A(a) requires a 25 percent foreign-owned domestic corporation to furnish information with respect to certain transactions between such corporation and certain related parties.

Explanation of Provisions

The final regulations are revised to remove and correct obsolete references to a form and IRS offices. The temporary regulations conform the current final regulations to specific statutory changes and make other minor clarifications to those final regulations.

Section 1.6038–2 provides that each U.S. person, with respect to each foreign corporation such person controls, must furnish the required information on a Form 5471, “Information Return of U.S. Persons with Respect to Certain Foreign Corporations”, (or, in the case of taxable years that ended before December 31, 1982, on a Form 2952, “Information Return with Respect to Foreign Controlled Corporations”). Section 1.6038–2(f) sets forth the information that must be provided on the applicable form. The information that must be reported includes a summary showing the total amount of each of the types of transactions of the corporation specified in § 1.6038–2(f)(11). In some cases, § 1.6038–2(f)(11) requires reporting of sales and purchases of items. See § 1.6038–2(f)(11)(i) (stock in trade) and (iii) (certain intangibles). In other cases, it requires reporting only of purchases. See § 1.6038–2(f)(11)(ii) (tangible property other than stock in trade). The temporary regulations modify the rules of the final regulations to include the reporting of sales and purchases, instead of just purchases, of tangible property. The temporary regulations also modify the current rules to include the reporting of premiums paid, instead of just premiums received, for insurance or reinsurance. This consistent treatment of sales and purchases, and premiums paid and received, more fully implements the purpose of section 6038. It also conforms the rules in § 1.6038–2 to analogous reporting rules. See § 1.6038A–2(b)(3)(ii) (reporting requirements for foreign-owned domestic corporations).

It has come to the IRS' attention that some foreign corporations that use an accrual method of accounting may not be properly reporting the transactions described in § 1.6038–2(f)(11). Accordingly, § 1.6038–2T(f)(12) modifies the rules of the final
