NUCLEAR REGULATORY COMMISSION

10 CFR Part 110

RIN 3150-AH89

Revision of NRC Form 7, Application for NRC Export/Import License, Amendment, or Renewal

AGENCY: Nuclear Regulatory Commission.

ACTION: Direct final rule: Confirmation of effective date.

SUMMARY: The Nuclear Regulatory Commission (NRC) is confirming the effective date of June 27, 2006, for the direct final rule that appeared in the *Federal Register* of April 13, 2006 (71 FR 19102). This direct final rule amended the NRC's regulations that govern the export and import of nuclear material and equipment concerning the use of NRC Form 7, "Application for NRC Export/Import License, Amendment, or Renewal." Recently, the Commission revised NRC Form 7 to consolidate all license requests (*i.e.*, applications for export, import, combined export/import, amendments and renewals) in one application form. Previously, NRC Form 7 was used only for applications for export of nuclear material and equipment. Import license applications, and production or utilization facility export applications, and license amendment and renewal applications were filed by letter. As a result of the revision, these requests, previously made by letter, now will be made using NRC Form 7. The purpose of this rule change is to amend the regulations that govern export and import of nuclear material and equipment to reflect the consolidation of all license requests in one application, NRC Form 7, as revised. This document confirms the effective date.

DATES: The effective date of June 27, 2006, is confirmed by this direct final rule.

ADDRESSES: Documents related to this rulemaking may be examined at the NRC Public Document Room, 11555 Rockville Pike, Rockville, MD. These same documents may also be viewed and downloaded electronically via the rulemaking Web site (<http://ruleforum.llnl.gov>). For information about the interactive rulemaking Web site, contact Ms. Carol Gallagher (301) 415-5905; e-mail CAG@nrc.gov.

FOR FURTHER INFORMATION CONTACT: Brooke G. Smith, International Policy Analyst, Office of International Programs, U.S. Nuclear Regulatory Commission, Washington, DC 20555-0001, telephone (301) 415-2490, e-mail bgs@nrc.gov.

SUPPLEMENTARY INFORMATION: On April 13, 2006 (71 FR 19102), the NRC published in the *Federal Register* a direct final rule amending its regulations in 10 CFR part 110 concerning the use of NRC Form 7, "Application for NRC Export/Import License, Amendment, or Renewal." Recently, the Commission revised NRC Form 7 to consolidate all license requests (*i.e.*, applications for export, import, combined export/import, amendments and renewals) in one application form. Previously, NRC Form 7 was used only for applications for export of nuclear material and equipment. Import license applications, and production or utilization facility export applications, and license amendment and renewal applications were filed by letter. As a result of the revision, these requests, previously made by letter, now will be made using NRC Form 7. The purpose of this rule change is to amend the regulations that govern export and import of nuclear material and equipment to reflect the consolidation of all license requests in one application, NRC Form 7, as revised. In the direct final rule, the NRC stated that if no significant adverse comments were received, the direct final rule would become final on the date noted above. The NRC did not receive any comments. Therefore, this rule is effective as scheduled.

Dated at Rockville, Maryland, this 19th day of June, 2006.

For the Nuclear Regulatory Commission.

BILLING CODE 7590-01-P

FEDERAL TRADE COMMISSION

16 CFR Part 803

Premerger Notification; Reporting and Waiting Period Requirements

AGENCY: Federal Trade Commission.

ACTION: Final rule amendments.

SUMMARY: The Commission is amending the premerger notification rules ("the rules") that require the parties to certain mergers and acquisitions to file reports with the Federal Trade Commission ("the Commission" or "FTC") and the Assistant Attorney General in charge of the Antitrust Division of the Department of Justice ("the Assistant Attorney General" or "DOJ") and to wait a specified period of time before consummating such transactions. The reporting and waiting period requirements are intended to enable these enforcement agencies to determine whether a proposed merger or acquisition may violate the antitrust laws if consummated and, when appropriate, to seek a preliminary injunction in Federal court to prevent consummation. These amendments will update and improve the effectiveness of the rules by allowing submission of notification and report forms electronically via the Internet.

DATES: These final rules are effective on June 23, 2006.

FOR FURTHER INFORMATION CONTACT: Comments or questions may be directed to Robert L. Jones, Deputy Assistant Director, Premerger Notification Office, Bureau of Competition, Room 302, Federal Trade Commission, Washington, DC 20580. Telephone: (202) 326-2740. E-mail: HSRHelp@hsr.gov.

SUPPLEMENTARY INFORMATION:

Background

Section 7A of the Clayton Act ("the act"), 15 U.S.C. 18a, as added by the Hart-Scott-Rodino Antitrust Improvements Act of 1976, Pub. L. 94-

435, 90 Stat. 1390, requires all persons contemplating certain mergers or acquisitions to file notification with the Commission and the Assistant Attorney General and to wait a designated period of time before consummating such transactions. Congress empowered the Commission, with the concurrence of the Assistant Attorney General, to require "that the notification * * * be in such form and contain such documentary material and information * * * as is necessary and appropriate" to enable the agencies "to determine whether such acquisitions may, if consummated, violate the antitrust laws." Congress similarly granted rulemaking authority to, inter alia, "prescribe such other rules as may be necessary and appropriate to carry out the purposes of this section." 15 U.S.C. 18a(d).

Pursuant to that section, the Commission, with the concurrence of the Assistant Attorney General, developed the Antitrust Improvements Act Rules ("the rules") and the Notification and Report Form for Certain Mergers and Acquisitions ("the Form"). The rules and Form have been amended or revised on numerous occasions. These rule changes amend Section 803 and the Instructions to the Form to provide the option of filing the Form electronically.

Statement of Basis and Purpose for the Commission's Revision of Its Premerger Notification Rules

The Commission, with the concurrence of the Assistant Attorney General, is adopting and implementing these rule changes to allow the submission of HSR filings electronically via the Internet. Computer technology has reached the level of sophistication necessary, through the growth of the Internet, near universal access to the Internet, and increased speed and sophistication of both computer hardware and software, to allow electronic submission of the Form. Electronic filing will provide several benefits to the companies filing the Form as well as to the reviewing agencies:

- Filing the Form electronically will eliminate expensive and time-consuming duplication of submitted documents. Currently, companies filing HSR notification must submit five paper copies of their filing, consisting of one original and one copy to the FTC, and three copies to DOJ.
- Electronic filing will ease the delivery of completed filings to the agencies and will facilitate circulation of filings within the agencies, reducing

the cost and delay associated with traditional delivery methods.

Electronic filings may be submitted quickly and easily at any time.

- Electronic filing will enhance the data entry of filing information into the information systems of the agencies. Some filing data will be electronically entered directly into the agency databases rather than by the more time-consuming method of hand data entry by agency staff. Direct data entry will be less prone to data entry error and potentially more accurate.

In addition to the above benefits, electronic filing complies with the mandate of the Government Paperwork Elimination Act, Pub. L. 105-277, title XVII (Oct. 21, 1998), which requires that agencies, to the extent practicable, provide electronic filing and signature options.

HSR filings are highly confidential. Every step of the electronic filing process has been designed to ensure the confidentiality and security of submitted information—from requiring a valid electronic signature before submission of the package and encrypting the signed package, to securely transmitting the package over the Internet to a secure FTC server and providing a return e-mail that the Form has been received. Once an electronic Form is received, multiple security measures such as authentication via digital certificates, unique permanent ID tags, and secure storage, will maintain a high level of security.

In order to provide maximum flexibility, filers will now have three options for filing: (1) Complete the Form and all attachments in hard copy and deliver them to the designated delivery sites; (2) complete the electronic version of the Form and submit the Form and all attachments electronically; or (3) complete the electronic version of the Form and submit it electronically while providing all documentary attachments in paper copy to the FTC and DOJ as in Option 1 above.

The individual rule modifications necessary to implement electronic filing are described more fully below.

Section 803.1 Notification and Report Form

Paragraph (a) will be amended to eliminate the outdated reference to photostatic or equivalent reproduction in order to apply more broadly, thus including the electronic filing option. The current version of the Form can be obtained on the Commission's Web site, <http://www.ftc.gov>, or <https://www.hsr.gov>.

Section 803.2 Instructions Applicable To Notification and Report Form

In response to Items 4(a) and (b) of the Form, filing persons currently must provide copies of, or direct links to, annual reports, annual audit reports and regularly prepared balance sheets and certain documents, such as 10K's, filed with the Securities and Exchange Commission ("SEC"). These documents may be attached directly to the electronic Form.

Certain formats of electronic files cannot be viewed by the e-filing system. To ensure the submission of compatible files and to avoid problems and delay in processing, a new paragraph, § 803.2(f), has been added, requiring the use of specific file formats when submitting documents or attachments as part of the electronic Form. The filing person is responsible for ensuring that all attachments are of an appropriate file format and is subject to a notice of a deficient filing if an unacceptable format is submitted. See <https://www.hsr.gov> for a current list of acceptable file formats.

Due to technological constraints, the e-filing system has a restriction on the size of file that can be submitted electronically. While this limitation is high enough to make it unlikely to be problematic for most filers, filers should be aware that such a limit exists. See <https://www.hsr.gov> for the current maximum submission size. As technology improves, the maximum submission size will increase and become less and less problematic. New paragraph, § 803.2(f), requires that all submissions fall under the size limitation as specified at <https://www.hsr.gov>.

Section 803.5 Affidavits Required

Section 803.5 requires an affidavit from the filing person attesting to certain facts about the proposed acquisition. The affidavit is required to be attached to the Form at the time of filing. Paragraphs 803.5(a)(1), (a)(3) and (b) and the Instructions are amended to address attachment of the affidavit when using the electronic filing option.

When filing electronically, the electronic affidavit form must be used and submitted along with the filing. The electronic affidavit form does not specify the wording to be used, but has a blank field for the filer to insert the appropriate language. Thus, as with paper filings, persons filling out the electronic Form are free to produce affidavits specific to the transaction.

Section 803.10 Running of Time

Persons required by the act to file notification must wait 30 days (or 15

days in the case of a cash tender offer or bankruptcy) before consummating the transaction. This rule provides the procedures for determining when this waiting period begins and ends. *See* § 803.10(a) and (b). Paragraph (c)(1) defines the “date of receipt and means of delivery” concepts used in determining when the waiting period begins. Paragraph (c)(1) has been amended to provide the date of receipt for electronic filings as the date when delivery of the electronic filing is effected to the Federal Trade Commission server. Paragraph (c)(1)(i) has been updated to the current address of the designated delivery site of the DOJ.

A matter is “effected” to the server when a complete electronic Form has been received by the server maintained by the FTC for the purpose of receiving electronic filings. When receipt of a Form is verified, the system will send an autoreply e-mail to the filing person to notify the person that service has been effected. If a filing is submitted but no autoreply e-mail is received within 24 hours, the filing person should confirm receipt with the FTC by e-mail at “HSRHelp@hsr.gov” or phone at (202) 326–3100. Electronic delivery effected after 5 p.m. eastern time on a business day, or at any time on any day other than a business day, shall be deemed effected on the next business day.

If the FTC server is unavailable, it will not be possible to submit a notification electronically until the server is available. A filing person assumes the risk of the server being unavailable. It is important to note that confirmation of the date and time of effected service is not notice of the start of the HSR Waiting Period, but analogous to getting a copy of the filing date-stamped on a transmittal letter for a paper filing. Separate notice will be sent subsequently to the parties to a transaction informing them when the waiting period has begun. As with paper filings, if an electronic notification is deemed deficient, the date of receipt shall be the date on which a filing that complies with the rules is received. *See* § 803.10(c)(2).

If a filing person is submitting the Form electronically but producing hard copies of attachments to the reviewing agencies, delivery is not effected until the Form is received by the FTC server and all hard copy attachments have been received by both agencies as provided in § 803.10(c)(1).

In order to facilitate the disaster preparedness of the agencies (and not specific to electronic filing), part of Paragraph (c)(1) has been modified to allow for the designation of alternate

sites for physical delivery of the Form in the event one or both of the FTC and DOJ offices are unexpectedly closed. Notification of the alternate delivery sites will be made through a press release and, if possible, on the <http://www.ftc.gov> and <https://www.hsr.gov> Web sites. The Instructions have been amended to note this.

Appendix to Part 803—Notification and Report Form and Instructions

A number of changes have been made to the Form and Instructions. These changes are discussed below.

Previous Instructions for the Notification and Report Form required that all dollar amounts be rounded to the nearest thousand dollars. When entering the dollar amounts into the Premerger tracking system, the FTC staff rounds these numbers to one-tenth of a million. To allow direct data entry of electronic Form information and to eliminate the need for rounding when data is entered by hand into the Premerger tracking system, the Instructions have been amended to require that all dollar amounts be expressed in millions of dollars to the nearest one-tenth of a million. For example, the value of an acquisition which is \$76,340,870 would be expressed as \$76.3 on the Form. The Instructions to the Form are amended to reflect this change.

A correction to the instructions, unrelated to the introduction of e-filing, relates to Item 7 of the Form, which requires dollar revenue information to be provided. In the 2005 rulemaking that implemented the use of 2002 NAICS codes, two NAICS subsectors were inadvertently shifted between subsections of Item 7(c) which requires certain geographic information for overlapping NAICS codes. The earlier 1997 NAICS subsectors 513 (broadcasting) and 517 (telecommunications) were referenced in subsection 7(c)(ii), which requires a list of states in which the person filing notification conducts operations. The 2002 NAICS codes renumbered subsector 513 as 515 (broadcasting) and a drafting oversight moved it and subsector 517 (telecommunications) to subsection 7(c)(iv), which requires the additional information of address, city, county and state of each establishment from which revenues were derived by the person filing notification. This correction now properly references subsectors 515 and 517 in subsection 7(c)(ii).

The section of the Instructions relating to the affidavit has been amended to include the required elements specified in § 803.5. The

Commission has often received deficient affidavits. Including this information in the Instructions should assist filers in properly preparing the affidavit.

Administrative Procedure Act

These amendments to the HSR rules and Form fall within the category of rules covering agency procedure and practice that are exempt from the notice-and-comment requirements of the Administrative Procedure Act (“APA”). *See* 5 U.S.C. 553(b)(A). Because the amendments are not substantive in nature, they are also not subject to the delayed effective date provisions of the APA. *See* 5 U.S.C. 553(d) (substantive rules may take effect no sooner than 30 days after publication). Accordingly, the Commission has determined to make these amendments effective on June 23, 2006.

Regulatory Flexibility Act

The Regulatory Flexibility Act, 5 U.S.C. 601–612, requires that the agency conduct an initial and final regulatory analysis of the anticipated economic impact of the proposed amendments on small businesses, except where the agency head certifies that the regulatory action will not have a significant economic impact on a substantial number of small entities. 5 U.S.C. 605. The Regulatory Flexibility Act requirements apply, however, only to rules or amendments that are subject to the notice-and-comment requirements of the APA. *See* 5 U.S.C. 603, 604. Because these amendments are exempt from those APA requirements, as noted earlier, they are also exempt from the Regulatory Flexibility Act requirements. In any event, because of the size of the transactions necessary to invoke a Hart-Scott-Rodino filing, the premerger notification rules rarely, if ever, affect small businesses. Indeed, amendments to the act in 2001 were intended to reduce the burden of the premerger notification program by exempting all transactions valued at less than \$50 million. Further, none of the proposed rule amendments expands the coverage of the premerger notification rules in a way that would affect small business. Accordingly, to the extent, if any, that the Regulatory Flexibility Act applies, the Commission certifies that these proposed rules will not have a significant economic impact on a substantial number of small entities. This document serves as notice of this certification to the Small Business Administration.

Paperwork Reduction Act

The rules and the Form contain information collection requirements, as

defined by the Paperwork Reduction Act, 44 U.S.C. 3501–3518, that have been reviewed and approved by OMB under OMB Control No. 3084–0005. Providing an electronic filing option was contemplated by the FTC's Supporting Statement and OMB's May 13, 2004 approval of the extension of the clearance for the rules and the Form.

Appendix to Part 803

BILLING CODE 6750–01–P

ANTITRUST IMPROVEMENTS ACT NOTIFICATION AND REPORT FORM for Certain Mergers and Acquisitions

INSTRUCTIONS

GENERAL

The Notification and Report Form ("the Form") is required to be submitted pursuant to § 803.1(a) of the premerger notification rules ("the rules"). An electronic version of the Form is available at <https://www.hsr.gov> and may be used for the direct electronic submission of filings or used to generate a print version of the Form for paper copy submission.

These instructions specify the information which must be provided in response to the items on the Form. The completed Form, together with all documentary attachments, are to be filed with the Federal Trade Commission and the Department of Justice.

Persons providing responses on attachment pages rather than on the Form must submit a complete set of attachment pages with each copy of the Form.

The term "documentary attachments" refers to materials supplied in responses to Item 3(d), Item 4 and to submissions pursuant to §§ 803.1(b) and 803.11 of the rules.

Information—The central office for information and assistance concerning the rules, 16 CFR Parts 801-803, and the Form is Room 303, Federal Trade Commission, 600 Pennsylvania Avenue, N.W., Washington, D.C. 20580, phone (202) 326-3100, e-mail HSRHelp@hsr.gov. Program information and the electronic version of the Form can be found at <https://www.hsr.gov>.

Definitions—The definitions and other provisions governing this Form are set forth in the rules, 16 CFR Parts 801-803. The governing statute, the rules, and the Statement of Basis and Purpose for the rules are set forth at 43 FR 33450 (July 31, 1978), 44 FR 66781 (November 22, 1979), 48 FR 34427 (July 29, 1983), 61 FR 13688 (March 28, 1996), 66 FR 8693 (February 1, 2001), 70 FR 4994 (January 31, 2005), 70 FR 11513 (March 8, 2005), 70 FR 73369 (December 12, 2005), 70 FR 77312 (December 30, 2005), 71 FR 2943 (January 18, 2006), and Pub. L. No. 106-533, 114 Stat. 2762.

Affidavit—Attach the affidavit required by § 803.5 to the Form. Affidavits are not required if the person filing notification is an acquired person in a transaction covered by § 801.30. (See § 803.5(a)).

For acquisitions to which § 801.30 does not apply, the affidavit must attest that a contract, agreement in principle or letter of intent to merge or acquire has been executed, and further attest to the good faith intention of the person filing notification to complete the transaction.

For acquisitions to which § 801.30 does apply, the affidavit must also attest that the issuer whose voting securities are to be acquired has received notice; the identity of the acquiring person and the fact that the acquiring person

intends to acquire voting securities of the issuer; the specific notification threshold that the acquiring person intends to meet or exceed; the fact that the acquisition may be subject to the act, and that the acquiring person will file notification under the act; the anticipated date of receipt of such notification; and the fact that the person within which the issuer is included may be required to file notification under the act.

In the case of a tender offer the affidavit must also attest that the intention to make the tender offer has been publicly announced.

The language found in 28 U.S.C. § 1746 relating to unsworn declarations under penalty of perjury may be used instead of notarization of the affidavit.

Responses—Each answer should identify the item to which it is addressed. Use the reverse side of the corresponding answer sheet or attach separate additional sheets as necessary in answering each item. Each additional sheet should identify at the top of the page the item to which it is addressed. Voluntary submissions pursuant to § 803.1(b) should also be identified.

For electronic filings, all items are automatically identified within the Form. Electronic attachments and endnotes may be appended to the Form for any item prior to submission.

Enter the name of the person filing notification appearing in Item 1(a) on page 1 of the Form and the date on which the Form is completed at the top of each page of the Form, at the top of any sheets attached to complete the response to any item, and at the top of the first or cover page of each documentary attachment. For electronic filings, items 1(a) and 1(b) must be completed before proceeding to pages 2-15 of the Form. Entering the date on page 2 will automatically fill out the date on all other pages of the Form.

If unable to answer any item fully, give such information as is available and provide a statement of reasons for non-compliance as required by § 803.3. If exact answers to any item cannot be given, enter best estimates and indicate the sources or bases of such estimates. All financial information should be expressed in millions of dollars rounded to the nearest one-tenth of a million dollars. Estimated data should be followed by the notation, "est." For electronic filings, add an endnote with the notation, "est." to any item where data is estimated.

Year—All references to "year" refer to calendar year. If the data are not available on a calendar year basis, supply the requested data for the fiscal year reporting period which most nearly corresponds to the calendar year specified. References to "most recent year" mean the most recent calendar or fiscal year for which the requested information is available.

Privacy Act Statement—Section 18a(a) of Title 15 of the U.S. Code authorizes the collection of this information. Our authority to collect Social Security numbers is 31 U.S.C. 7701. The primary use of information submitted on this Form is to determine whether the reported merger or acquisition may violate the antitrust laws. Taxpayer information is collected, used, and may be shared with other agencies and contractors for payment processing, debt

collection and reporting purposes. Furnishing the information on the Form is voluntary. Consummation of an acquisition required to be reported by the statute cited above without having provided this information may, however, render a person liable to civil penalties up to \$11,000 per day. We also may be unable to process the Form unless you provide all of the requested information.

North American Industry Classification System (NAICS) Data-

The Form requests information regarding dollar revenues and lines of commerce at three levels with respect to operations conducted within the United States. (See § 803.2(c)(1).) All persons must submit certain data at the 6-digit NAICS national industry code level. To the extent that dollar revenues are derived from *manufacturing operations* (NAICS Sectors 31-33), data must also be submitted at the *7-digit NAICS product class and 10-digit NAICS product code levels*. The term "dollar revenues" is defined in § 803.2(d).

References-In reporting information by 6-digit NAICS industry code refer to the *North American Industry Classification System - United States, 2002 (2002 NAICS Manual)* published by the Executive Office of the President, Office of Management and Budget. In reporting information by 7-digit NAICS product class and 10-digit NAICS product code refer to the *2002 Numerical List of Manufactured and Mineral Products (EC02M31R-NL)* published by the Bureau of the Census. Information regarding NAICS also is available at www.census.gov.

Thresholds-Filing fee and notification thresholds are adjusted annually pursuant to Section 7A(a)(2) of the Clayton Act based on the change in gross national product, in accordance with Section 8(a)(5). The current threshold values can be found at www.ftc.gov.

Items 5, 7, 8-Supply information only with respect to operations conducted within the United States, including its commonwealths, territories, possessions and the District of Columbia. (See §§ 801.1(k); 803.2(c)(1).)

Information need not be supplied regarding assets or voting securities currently being acquired, when the acquisition is exempt under the statute or rules. (See § 803.2(c)(2).)

The acquired person should limit its response in the case of an acquisition of assets, to the assets being sold, and in the case of an acquisition of voting securities, to the issuer(s) whose voting securities are being acquired and all entities controlled by such issuer. Separate responses may be required where a person is both acquiring and acquired. (See § 803.2(b) and (c).)

Filing-Filers have three options: (1) Complete and return two copies (with one notarized original affidavit and certification and one set of documentary attachments) of this Notification and Report Form to the Premerger Notification Office, Bureau of Competition, Room 303, Federal Trade Commission, 600 Pennsylvania Avenue, N.W., Washington, D.C. 20580. Three copies (with one set of documentary attachments) should be sent to: Director of Operations, Antitrust Division, Department of Justice, 950 Pennsylvania Avenue, N.W., Room #3335, Washington, D.C. 20530. (For FEDEX airmails to the Department of Justice, do not use the 20530 zip code; use zip code 20004); (2) Complete the electronic version of the Form and submit the completed Form with all electronic attachments as directed at <https://www.hsr.gov>; or (3) Complete the electronic version of the Form (with the electronic affidavit form) and submit it electronically while providing the documentary attachments in paper copy to the FTC and DOJ as in Option 1 above. Note that for option three, the attachments must be listed on the attachments page of the Form and classified as "paper to follow". If one or both delivery sites are unavailable, the agencies may announce, through the media and, if possible, www.ftc.gov and www.hsr.gov, alternate sites for delivery.

ITEM BY ITEM

Affidavit- Attach the affidavit required by § 803.5 to page 1 of the Form. If filing electronically, submit the electronic version of the affidavit as attachment 1. Acquiring persons in transactions covered by § 801.30 are required to also submit a copy of the notice served on the acquired person pursuant to § 803.5(a)(1). (See § 803.5(a)(3).)

Fee Information-The fee for filing the Notification and Report Form is based on the aggregate total amount of assets and voting securities to be held as a result of the acquisition:

Value of assets or voting securities to be held	Fee Amount
greater than \$50 million but less than \$100 million (as adjusted)	\$45,000
\$100 million or greater but less than \$500 million (as adjusted)	\$125,000
\$500 million or greater (as adjusted)	\$280,000

Amount Paid-Indicate the amount of the filing fee paid. This amount should be net of any banking or financial institution charges. Where an explanatory attachment is required, include in your explanation any adjustments to the acquisition price that serve to lower the fee from that which would otherwise be due. If there is no acquisition price or if the acquisition price may fall within a range that straddles two filing fee thresholds, state the transaction value on which the fee is based and explain the valuation method used. Include in your explanation a description of any exempt assets, the value assigned to each, and the valuation method used.

A Valuation Worksheet available from the Premerger Notification Office will be helpful in determining the value of a transaction for filing and fee purposes. This Worksheet need not be submitted with the Notification and Report Form, but it or something similar should be utilized and retained by the acquiring person in the event Commission staff has questions about the valuation of the transaction.

Payer Identification- Provide the 9-digit Taxpayer Identification Number (TIN) of the acquiring person and, if different from the filing person, the TIN of the payer(s) of the filing fee. A payer or filing person who is a natural person having no TIN must provide the name and social security number (SSN) of the payer. If the payer or filing person is a foreign person, only the name of the payer and the name of the filing person need be supplied if different.

Method of Payment-Check the box indicating the method of fee payment. If paying by electronic wire transfer (EWT), provide the name of the financial institution from which the EWT is being sent and the confirmation number.

To insure filing fees paid by EWT are attributed to the appropriate payer filing notification, the payer must provide the following information to the financial institution initiating the EWT:

The Department of Treasury's ABA Number: 021030004;
and
The Federal Trade Commission's ALC Number: 29000001.

If the name used to transmit the EWT differs from the filer's name, provide the alternative name. If the confirmation number is unavailable at the time notification is filed, provide this information by letter within one business day of filing.

If paying by certified check or money order send the payment to the Premerger Notification Office at the address above.

Corrective Filing—Put an X in the appropriate box to indicate whether the notification is a corrective filing being made for an acquisition that has already taken place in violation of the statute. Attach a detailed, written explanation signed by a company official explaining (1) how the violation occurred, (2) when and how the violation was discovered and (3) what steps will be taken to ensure compliance in the future.

Transactions Subject to Foreign Antitrust Notification—If to the knowledge or belief of the filing person at the time of filing this notification, a foreign antitrust or competition authority has been or will be notified of the proposed transaction, list the name of each such authority and the date or anticipated date of each such notification. Response to this item is voluntary.

Cash Tender Offer—Put an X in the appropriate box to indicate whether the acquisition is a cash tender offer.

Bankruptcy—Put an X in the appropriate box to indicate whether the acquired person's filing is being made by a trustee in bankruptcy or a debtor-in-possession for a transaction that is subject to section 363(b) of the Bankruptcy Code (11USC § 363).

Early Termination—Put an X in the yes box to request early termination of the waiting period. Notification of each grant of early termination will be published in the Federal Register as required by § 7A(b)(2) of the Clayton Act and on the FTC web site www.ftc.gov.

ITEM 1

Note: When using the electronic version of the Form, Items 1(a) and 1(b) must be completed before proceeding to pages 2-15 of the Form.

Item 1(a)—Give the name and headquarters address of the person filing notification. The name of the person is the name of the ultimate parent entity included within that person.

Item 1(b)—Indicate whether the person filing notification is an acquiring person, an acquired person, or both an acquiring and acquired person. (See § 801.2.)

Item 1(c)—Put an X in the appropriate box to indicate whether the person in Item 1(a) is a corporation, unincorporated entity or other (specify).

Item 1(d)—Put an X in the appropriate box to indicate whether data furnished is by calendar year or fiscal year. If fiscal year, specify period.

Item 1(e)—Put an X in the appropriate box to indicate if this Form is being filed on behalf of the ultimate parent entity by another entity within the same person authorized by it to file notification on its behalf pursuant to § 803.2(a), or if this Form is being filed pursuant to § 803.4 on behalf of a foreign person. Then provide the name and mailing address of the entity filing notification on behalf of the reporting person named in Item 1(a) of the Form.

Item 1(f)—If an entity within the person filing notification other than the ultimate parent entity listed in Item 1(a) is the entity which is making the acquisition, or if the assets, voting securities or non-corporate interests of an entity other than the ultimate parent entity listed in Item 1(a) are being acquired, provide the name and mailing address of that entity and the percentage of its voting securities or non-corporate interest held by the person named in Item 1(a) above. (If control is effected by means other than the direct holding of the entity's voting securities, describe the intermediaries or the contract through which control is effected (see § 801.1(b)).

Item 1(g)—Print or type the name and title, firm name, address, telephone number, fax number and e-mail address of the individual to contact regarding this Notification and Report Form. (See § 803.20(b)(2)(ii).)

Item 1(h)—Foreign filing persons print or type the name and title, firm name, address, telephone number, fax number and e-mail address of an individual located in the United States designated for the limited purpose of receiving notice of the issuance of a request for additional information or documentary material. (See § 803.20(b)(2)(iii).)

ITEM 2

Item 2(a)—Give the names of all ultimate parent entities of acquiring and acquired person which are parties to the acquisition whether or not they are required to file notification.

Item 2(b)—Put an X in all the boxes that apply to this acquisition.

Item 2(c)—*Acquiring persons* put an X in the box to indicate the highest threshold for which notification is being filed (see § 801.1(h)): \$50 million (as adjusted), \$100 million (as adjusted), \$500 million (as adjusted), 25% (if value of voting securities to be held is greater than \$1 billion, as adjusted), or 50%. The notification threshold selected should be based on voting securities only that will be held as a result of the acquisition.

Note that the 50% notification threshold is the highest threshold and should be used for any acquisition of 50% or more of the voting securities of an issuer, regardless of the value of the voting securities (*e.g.* an acquisition of 100% of the voting securities of an issuer, valued in excess of \$500 million (as adjusted) would cross the 50% notification threshold, not the \$500 million (as adjusted) threshold).

Item 2(d)—*Assets and voting securities held as a result of the acquisition* (to be completed by both acquiring and acquired persons). State:

Item 2(d)(i)—the value of voting securities;

Item 2(d)(ii)—the percentage of voting securities;

Item 2(d)(iii)—the value of assets;

Item 2(d)(iv)—the value of non-corporate interests;

Item 2(d)(v)—the aggregate total amount of voting securities, assets and non-corporate interests of the acquired person to be held by each acquiring person, as a result of the acquisition (see §§ 801.12, 801.13, and 801.14).

Item 2(e)—Acquiring persons must provide the name(s) of the person(s) who performed any fair market valuation used to determine the aggregate total value of the transaction reported in Item 2(d)(v).

ITEM 3

Item 3(a)—Description of acquisition. Briefly describe the transaction. Include a list of the name and mailing address of each acquiring and acquired person, whether or not required to file notification. Indicate for each party whether assets or voting securities (or both) are to be acquired. Also indicate what consideration will be received by each party. In describing the acquisition, include the expected dates of any major events required to consummate the transaction (e.g., stockholders' meetings, filing of requests for approval, other public filings, terminations of tender offers) and the scheduled consummation date of the transaction.

If the voting securities are to be acquired from a holder other than the issuer (or an entity within the same person as the issuer) separately identify (if known) such holder and the issuer of the voting securities. Acquiring persons involved in tender offers should describe the terms of the offer.

Item 3(b)(i)—Assets to be acquired. This Item is to be completed only to the extent that the transaction is an acquisition of assets. Describe all general classes of assets (other than cash and securities) to be acquired by each party to the transaction, giving dollar values thereof.

Give the total value of the assets to be acquired in this transaction.

Examples of general classes of assets other than cash and securities are land, merchandising inventory, manufacturing plants (specify location and products produced), and retail stores. For each general class of assets, indicate the page or paragraph number of the contract or other document submitted with this Form in which the assets are more particularly described.

Item 3(b)(ii)—Assets held by acquiring person. (To be completed by acquiring persons). If assets of the acquired person (see § 801.13) are presently held by the person filing notification, furnish a description of each general class of such assets in the manner required by Item 3(b)(i), and the dollar value or estimated dollar value at the time they were acquired.

Item 3(b)(iii)—Assets held by unincorporated entities. This item is to be completed only to the extent that the transaction is an acquisition of non-corporate interests. Describe all general classes of assets (other than cash and securities) to be acquired by each party to the transaction. For examples of general classes of assets refer to Item 3(b)(i).

Item 3(c)—Voting securities to be acquired. Furnish the following information separately for each issuer whose voting securities will be acquired in the acquisition: (If, as a result of the acquisition, the acquiring person will hold 100 percent of the voting securities of the acquired issuer or if the acquisition is a merger or consolidation (see § 801.2(d)), the parties may so state and provide the total dollar value of the transaction instead of responding to Items 3(c)(i)–3(c)(vi).

Item 3(c)(i)—List each class of voting securities (including convertible voting securities) which will be outstanding after the acquisition has been completed. If there is more than one class of voting securities, include a description of the voting rights of each class. Also list each class of non-voting securities which will be acquired in the acquisition;

Item 3(c)(ii)—Total number of shares of each class of securities listed which will be outstanding after the acquisition has been completed;

Item 3(c)(iii)—Total number of shares of each class of securities listed which will be acquired in this acquisition. If there is more than one acquiring person for any class of securities, show data separately for each acquiring person;

Item 3(c)(iv)—Identity of each person acquiring any securities of any class listed. If there is more than one acquiring person for any class of securities, show data separately for each acquiring person;

Item 3(c)(v)—Dollar value of securities of each class listed to be acquired in this transaction (see § 801.10). If there is more than one acquiring person of any class of securities, show data separately for each acquiring person (If the exact dollar value cannot be determined at the time of filing, provide an estimated value and indicate the basis on which the estimate was made);

Item 3(c)(vi)—Total number of each class of securities listed which will be held by acquiring person(s) after the acquisition has been accomplished. If there is more than one acquiring person for any class of securities, show data separately for each acquiring person;

Item 3(d)—Furnish copies of final or most recent versions of all documents which constitute the agreement among the acquiring person(s) and the person(s) whose voting securities or assets are to be acquired. (For paper copy submissions, do not attach these documents to the Form.)

ITEM 4

Furnish one copy of each of the following documents. For each entity included within the person filing notification which has prepared its own such documents different from those prepared by the person filing notification, furnish, in addition, one copy of each document from each such other entity. Furnish copies of:

Item 4(a)—all of the following documents which have been filed with the United States Securities and Exchange Commission (or are to be filed contemporaneously in connection with this acquisition); the most recent proxy statement and Form 10-K, each dated not more than three years prior to the date of this Notification and Report Form; all Forms 10-Q and 8-K filed since the end of the period reflected by the Form 10-K being supplied; any registration statement filed in connection with the transaction for which notification is being filed; if the acquisition is a tender offer, Schedule TO. Alternatively, the person filing notification may incorporate a document by reference to an internet address directly linking to the document (see §803.2(e)(2));

NOTE: In response to Item 4(a), the person filing notification may incorporate by reference documents submitted with an earlier filing as explained in the staff formal interpretations dated April 10, 1979, and April 7, 1981, and in § 803.2(e).

Item 4(b)—the most recent annual reports and most recent annual audit reports (of person filing notification and of each unconsolidated United States issuer included within such person) and, if different, the most recently regularly prepared balance sheet of the person filing notification and of each unconsolidated United States issuer included within such person. Alternatively, the person filing notification may incorporate a document by reference to an internet address directly linking to the document (see §803.2(e)(2));

Item 4(c)—all studies, surveys, analyses and reports which were prepared by or for any officer(s) or director(s) (or, in the case of unincorporated entities, individuals exercising similar functions) for the purpose of evaluating or analyzing the acquisition with respect to market shares, competition, competitors, markets, potential for sales growth or expansion into product or geographic markets, and indicate (if not contained in the document itself) the date of preparation, and the name and title of each individual who prepared each such document.

Persons filing notification may provide an optional index of documents called for by Item 4 of the Answer Sheets.

NOTE: If the person filing notification withholds any documents called for by Item 4(c) based on a claim of privilege, the person must provide a statement of reasons for such noncompliance as specified in the staff formal interpretation dated September 13, 1979, and § 803.3(d).

ITEMS 5 through 8

NOTE: For Items 5 through 8, the acquired person should limit its response in the case of an acquisition of assets, to the assets to be sold, in the case of an acquisition of non-corporate interests, to the unincorporated entity being acquired, and in the case of an acquisition of voting securities, to the issuer(s) whose voting securities are being acquired and all entities controlled by such issuer. A person filing as both acquiring and acquired may be required to provide a separate response to these items in each capacity so that it can properly limit its response as an acquired person. (See § 803.2(b) and (c).)

Items 5(a)-5(c): These items request information regarding dollar revenues and lines of commerce at three NAICS levels with respect to operations conducted within the United States. (See § 803.2(c)(1).) All persons must submit certain data at the 6-digit NAICS industry code level. To the extent that dollar revenues are derived from manufacturing operations (NAICS Sectors 31-33), data must also be submitted at the 7-digit product class level and 10-digit product code level (NAICS-based codes). Where certain published NAICS industry codes contain only 5 digits, the filing person should add a zero (0) after the fifth (5th) digit.

NOTE: See "References" listed in the General Instructions to the Form. Refer to the *2002 NAICS Manual* for the 6-digit industry codes and the *2002 Numerical List of Manufactured and Mineral Products (2002 Numerical List)* for the 7-digit product classes and 10-digit product codes. Report revenues for the 7-digit NAICS product classes and 10-digit NAICS product codes using the codes in the columns labeled "Product code" in the *2002 Numerical List*.

Nondepository credit intermediation (NAICS Industry Group Code 5222); securities, commodity contracts, and other financial investments (NAICS Subsector 523); funds, trusts, and other financial vehicles (NAICS Subsector 525); real estate (NAICS Subsector 531); lessors of nonfinancial intangible assets, except copyright works (NAICS Subsector 533); and management of companies and enterprises (NAICS Subsector 551) should identify or explain the revenues reported (e.g. dollar sales receipts).

Persons filing notification should include the total dollar revenues for all entities included within the person filing notification at the time this Notification and Report Form is prepared (even if such entities have become included within the person since 2002). For example, if the person filing notification acquired an entity in 2003, it must include that entity's 2002 revenues in items 5(a) and 5(b)(i). It must also include that entity's most recent year's revenues in Item 5(b)(iii) and/or Item 5(c).

Item 5(a)—Dollar revenues by industry. Provide aggregate 6-digit NAICS industry data for 2002.

Item 5(b)(i)—Dollar revenues by manufactured product. Provide the following information on the aggregate operations for the person filing notification for 2002 for each 10-digit NAICS product of the person in NAICS Sectors 31-33 (manufacturing industries).

NOTE: Where the *2002 Numerical List* denotes footnote 1 at the end of a specific Subsector, refer to Appendices A, and then B for detail collected in a specified Current Industrial Report. You must provide 10-digit NAICS product codes and descriptions listed in Appendix B.

Item 5(b)(ii)—Products added or deleted. Within NAICS Sectors 31-33 (manufacturing industries), identify each product of the person filing notification added or deleted subsequent to 2002, indicate the year of addition or deletion, and state total dollar revenues in the most recent year for each product that has been added. Products may be identified either by 10-digit NAICS product code or in the manner ordinarily used by the person filing notification.

Do not include products added since 2002 by reason of mergers or acquisitions of entities occurring since 2002. Dollar revenues derived from such products should be included in response to Item 5(b)(i). However, if an entity acquired since 2002 by the person filing notification (and now included within the person) itself has added any products since 2002, these products and the dollar revenues derived therefrom should be listed here. Products deleted by reason of dispositions of assets constituting less than substantially all of the assets of an entity since 2002 should also be listed here.

Item 5(b)(iii)—Dollar revenues by manufactured product class. Provide the following information concerning the aggregate operations of the person filing notification for the most recent year for each 7-digit NAICS product class within NAICS Sectors 31-33 (manufacturing industries) in which the person engaged. If such data have not been compiled for the most recent year, estimates of dollar revenues by 7-digit NAICS product class may be provided if a statement describing the method of estimation is furnished.

Item 5(c)-Dollar revenues by non-manufacturing industry. Provide the following information concerning the aggregate operations of the person filing notification for the most recent year for each 6-digit NAICS industry code in NAICS Sectors other than 31-33 (manufacturing industries) in which the person engaged. If such data have not been compiled for the most recent year, estimates of dollar revenues by 6-digit NAICS industry code may be provided if a statement describing the method of estimation is furnished. Industries for which the dollar revenues totaled less than one million dollars in the most recent year may be omitted.

NOTE: This million dollar minimum is applicable only to Item 5(c).

JOINT VENTURE CORPORATION OR UNINCORPORATED ENTITY

Item 5(d)-Supply the following information only if the acquisition is the formation of a joint venture corporation or unincorporated entity. (See § 801.40.)

Item 5(d)(i)-List the name and mailing address of the joint venture corporation or unincorporated entity.

Item 5(d)(ii)(A)-List contributions that each person forming the joint venture corporation or unincorporated entity has agreed to make, specifying when each contribution is to be made and the value of the contribution as agreed by the contributors.

Item 5(d)(ii)(B)-Describe any contracts or agreements whereby the joint venture corporation or unincorporated entity will obtain assets or capital from sources other than the persons forming it.

Item 5(d)(ii)(C)-Specify whether and in what amount the persons forming the joint venture corporation or unincorporated entity have agreed to guarantee its credit or obligations.

Item 5(d)(ii)(D)-Describe fully the consideration which each person forming the joint venture corporation or unincorporated entity will receive in exchange for its contribution(s).

Item 5(d)(iii)-Describe generally the business in which the joint venture corporation or unincorporated entity will engage, including location of headquarters and principal plants, warehouses, retail establishments or other places of business, its principal types of products or activities, and the geographic areas in which it will do business.

Item 5(d)(iv)-Identify each 6-digit NAICS industry code in which the joint venture corporation or unincorporated entity will derive dollar revenues. If the joint venture corporation or unincorporated entity will be engaged in manufacturing also specify each 7-digit NAICS product class in which it will derive dollar revenues.

ITEM 6

This item need not be completed by a person filing notification only as an acquired person if only assets are to be acquired. Persons filing notification may respond to Items 6(a), 6(b), or 6(c) by referencing a "document attachment" furnished with this Form if the information so referenced is a complete response and is up-to-date and accurate. Indicate for each Item the specific page(s) of the document that are responsive to that Item.

Item 6(a)-Entities within the person filing notification. List the name and headquarters mailing address of each entity included within the person filing notification. Entities with total assets of less than \$10 million may be omitted.

Item 6(b)-Shareholders of person filing notification. For each entity (including the ultimate parent entity) included within the person filing notification the voting securities of which are held (see § 801.1(c)) by one or more other persons, list the issuer and class of voting securities, the name and headquarters mailing address of each other person which holds five percent or more of the outstanding voting securities of the class and the number and percentage held by that person. Holders need not be listed for entities with total assets of less than \$10 million.

Item 6(c)-Holdings of person filing notification. If the person filing notification holds voting securities of any issuer not included within the person filing notification, list the issuer and class, the number and percentage held, and (optionally) the entity within the person filing notification which holds the securities. Holdings of less than five percent of the outstanding voting securities of any issuers, and holding of issuers with total assets of less than \$10 million may be omitted.

ITEM 7

Item 7(a)-supply the 6-digit NAICS industry code and description for the industry;

Item 7(b)-list the name of each person which is a party to the acquisition which also derived dollar revenues in the 6-digit industry;

Item 7(c)-Geographic market information:

Item 7(c)(i)-for each 6-digit NAICS industry code within NAICS Sectors 31-33 (manufacturing industries) listed in Item 7(a) above, list the states or, if desired, portions thereof in which, to the knowledge or belief of the person filing notification, the products in that 6-digit NAICS code produced by the person filing notification are sold without a significant change in their form, whether they are sold by the person filing notification or by others to whom such products have been sold or resold;

Item 7(c)(ii)- for each 6-digit NAICS industry code within NAICS Sectors or Subsectors 11 (agriculture, forestry, fishing and hunting); 21 (mining); 22 (utilities); 23 (construction); 48-49 (transportation and warehousing); 511 (publishing industries); 515 (broadcasting); 517 (telecommunications); and 71 (arts, entertainment and recreation) listed in item 7(a) above, list the states or, if desired, portions thereof in which the person filing notification conducts such operations;

For each such 6-digit NAICS industry code, list all acquisitions made by the person filing notification in the five years prior to the date of filing of entities deriving dollar revenues in that 6-digit NAICS industry code. Classification and Program Review

AGENCY: Bureau of Prisons, Justice.

ACTION: Final rule.

SUMMARY: In this document, the Bureau of Prisons (Bureau) revises its regulations on classification and program review to remove unnecessary regulations and to ensure that classification and program review procedures adequately address inmate needs.

DATES: This rule is effective July 24, 2006.

FOR FURTHER INFORMATION CONTACT:

Sarah Qureshi, Office of General Counsel, Bureau of Prisons, phone (202) 307-2105, e-mail boprules@bop.gov.

SUPPLEMENTARY INFORMATION: In this document, we revise and streamline the regulations regarding inmate classification and program review, which currently describe procedure, practice, and general statements of policy, to remove an unnecessary level of operational details with regard to the classification and program review process. A proposed rule on this subject was published on November 3, 2005 (70 FR 66814). Because we received no comments on the proposed rule, we now publish the final rule without substantive change.

For clarification, we make one minor change to § 524.11(d). Formerly, this paragraph stated that an inmate “may choose not to participate in an offered [work] program unless the program is a work assignment or required by Bureau policy, court order, or statute.” The repetition of similar terms, such as “work program” and “work assignment” may have been confusing. We therefore revise this paragraph to clarify that an inmate “must participate in this work assignment and any other program required by Bureau policy, court order, or statute,” but that an inmate “may choose not to participate in other voluntary programs.”

Details removed from the regulations will be addressed in our corresponding policy statement on the classification and review program. We do not, by this rule, intend to make any substantive changes to the current rules or to the classification and program review system. We merely intend to clarify and streamline the existing rules.

Executive Order 12866

This regulation has been drafted and reviewed in accordance with Executive Order 12866, “Regulatory Planning and Review”, section 1(b), Principles of Regulation. The Director, Bureau of Prisons has determined that this rule is not a “significant regulatory action” under Executive Order 12866, section 3(f), and accordingly this rule has not been reviewed by the Office of Management and Budget.

Executive Order 13132

This regulation will not have substantial direct effects on the States, on the relationship between the national government and the States, or on distribution of power and responsibilities among the various levels of government. Therefore, under Executive Order 13132, we determine that this rule does not have sufficient federalism implications to warrant the preparation of a Federalism Assessment.

Regulatory Flexibility Act

The Director of the Bureau of Prisons, under the Regulatory Flexibility Act (5 U.S.C. 605(b)), reviewed this regulation and by approving it certifies that it will not have a significant economic impact upon a substantial number of small entities for the following reasons: This rule pertains to the correctional management of offenders committed to the custody of the Attorney General or the Director of the Bureau of Prisons, and its economic impact is limited to the Bureau’s appropriated funds.

Unfunded Mandates Reform Act of 1995

This rule will not result in the expenditure by State, local and tribal governments, in the aggregate, or by the private sector, of \$100,000,000 or more in any one year, and it will not significantly or uniquely affect small governments. Therefore, no actions were deemed necessary under the provisions of the Unfunded Mandates Reform Act of 1995.

Small Business Regulatory Enforcement Fairness Act of 1996

This rule is not a major rule as defined by § 804 of the Small Business Regulatory Enforcement Fairness Act of

1996. This rule will not result in an annual effect on the economy of \$100,000,000 or more; a major increase in costs or prices; or significant adverse effects on competition, employment, investment, productivity, innovation, or on the ability of United States-based companies to compete with foreign-based companies in domestic and export markets.
