Accepted:

Oberstar amendment (No. 1 printed in H. Rept. 110–371) that requires the Federal Railroad Safety Administration to issue regulations requiring owners of track carried on one or more railroad bridges to adopt safety practices to prevent the deterioration of railroad bridges and reduce the risk of human casualties, environmental damage, and disruption to the Nation's transportation system that would result from a catastrophic bridge failure. The amendment also strikes Sections 301, 610, and 616 of the reported bill because these sections were enacted in Public Law 110–53, the "Implementing Recommendations of the 9/11 Commission Act of 2007." The amendment also requires the Secretary to consider additional criteria regarding communities when reviewing applications for a waiver or exemption from sounding locomotive horns at highway-rail grade crossings;

Pages H11687–89

Napolitano amendment (No. 2 printed in H. Rept. 110–371) that prohibits mechanical and brake inspections performed in Mexico of rail cars entering the United States from satisfying U.S. rail safety laws unless inspection standards, enforcement standards, and worker training are certified to meet those of the United States and prohibits hazardous material inspections performed in Mexico from satisfying applicable U.S. rail safety laws and regulations;

Pages H11689–90

Pallone amendment (No. 3 printed in H. Rept. 110–371) that allows state and local authorities to regulate solid waste management facilities and states that the Surface Transportation Board does not have exclusive authority to preempt state and local regulation of solid waste management facilities, as defined in the amendment; and

Pages H11690–92

Rohrabacher amendment (No. 4 printed in H. Rept. 110–371) that authorizes funds to the Sec-

retary to design and develop a pilot electric cargo conveyor system for the transportation of containers from ports to depots outside of urban areas.
