At the end of title X, add the following:

**SEC. 1070. HATE CRIMES.**

(a) **SHORT TITLE.**—This section may be cited as the "Matthew Shepard Local Law Enforcement Hate Crimes Prevention Act of 2007".

(b) **FINDINGS.**—Congress makes the following findings:

(1) The incidence of violence motivated by the actual or perceived race, color, religion, national origin, gender, sexual orientation, gender identity, or disability of the victim poses a serious national problem.

(2) Such violence disrupts the tranquility and safety of communities and is deeply divisive.

(3) State and local authorities are now and will continue to be responsible for prosecuting the overwhelming majority of violent crimes in the United States, including violent crimes motivated by bias. These authorities can carry out their responsibilities more effectively with greater Federal assistance.

(4) Existing Federal law is inadequate to address this problem.

(5) A prominent characteristic of a violent crime motivated by bias is that it devastates not just the actual victim and the family and friends of the victim, but frequently savages the community sharing the traits that caused the victim to be selected.

(6) Such violence substantially affects interstate commerce in many ways, including the following:

(A) The movement of members of targeted groups is impeded, and members of such groups are forced to move across State lines to escape the incidence or risk of such violence.

(B) Members of targeted groups are prevented from purchasing goods and services, obtaining or sustaining employment, or participating in other commercial activity.

(C) Perpetrators cross State lines to commit such violence.

(D) Channels, facilities, and instrumentalities of interstate commerce are used to facilitate the commission of such violence.

(E) Such violence is committed using articles that have traveled in interstate commerce.

(7) For generations, the institutions of slavery and involuntary servitude were defined by the race, color, and ancestry of those held in bondage. Slavery and involuntary servitude were enforced, both prior to and after the adoption of the 13th amendment to the Constitution of the United States, through widespread public and private violence directed at persons because of their race, color, or ancestry, or perceived race, color, or ancestry. Accordingly, eliminating racially motivated violence is an important means of eliminating, to the extent possible, the badges, incidents, and relics of slavery and involuntary servitude.

(8) Both at the time when the 13th, 14th, and 15th amendments to the Constitution of the United States were adopted, and continuing to date, members of certain religious and national origin groups were and are perceived to be distinct "races". Thus, in order to eliminate, to the extent possible, the badges, incidents, and relics of slavery, it is necessary to prohibit assaults on the basis of real or perceived religions or national origins, at least to the extent such religions or national origins were regarded as races at the time of the adoption of the 13th, 14th, and 15th amendments to the Constitution of the United States.

(9) Federal jurisdiction over certain violent crimes motivated by bias enables Federal, State, and local authorities to work together as partners in the investigation and prosecution of such crimes.

(10) The problem of crimes motivated by bias is sufficiently serious, widespread, and interstate in nature as to warrant Federal assistance to States, local jurisdictions, and Indian tribes.

(c) **DEFINITION OF HATE CRIME.**—In this section—

(1) the term "crime of violence" has the meaning given that term in section 16, title 18, United States Code;

(2) the term "hate crime" has the meaning given such term in section 280003(a) of the Violent Crime Control and Law Enforcement Act of 1994 (28 U.S.C. 994 note); and

(3) the term "local" means a county, city, town, township, parish, village, or other general purpose political subdivision of a State.

(ii) constitutes a felony under the State, local, or Tribal laws; and

(iii) is motivated by prejudice based on the actual or perceived race, color, religion, national origin, gender, sexual orientation, gender identity, or disability of the victim, or is a violation of the State, local, or Tribal hate crime laws.

(B) PRIORITY.—In providing assistance under subparagraph (A), the Attorney General shall give priority to crimes committed by offenders who have committed crimes in more than one State and to rural jurisdictions that have difficulty covering the extraordinary expenses relating to the investigation or prosecution of the crime.

(III) demonstrate that, in developing a plan to implement the grant, the State, local, and Indian law enforcement agency has consulted and coordinated with nonprofit, non-governmental victim services programs that have experience in providing services to victims of hate crimes; and

(IV) certify that any Federal funds received under this paragraph will be used to supplement, not supplant, non-Federal funds that would otherwise be available for activities funded under this paragraph.

(D) DEADLINE.—An application for a grant under this paragraph shall be approved or denied by the Attorney General not later than 30 business days after the date on which the Attorney General receives the application.

(E) GRANT AMOUNT.—A grant under this paragraph shall not exceed \$100,000 for any single jurisdiction in any 1-year period.

(F) REPORT.—Not later than December 31, 2008, the Attorney General shall submit to Congress a report describing the applications submitted for grants under this paragraph, the award of such grants, and the purposes for which the grant amounts were expended.

(G) AUTHORIZATION OF APPROPRIATIONS.—There is authorized to be appropriated to carry out this paragraph \$5,000,000 for each of fiscal years 2008 and 2009.

(e) GRANT PROGRAM.—

(1) AUTHORITY TO AWARD GRANTS.—The Office of Justice Programs of the Department of Justice may award grants, in accordance with such regulations as the Attorney General may prescribe, to State, local, or Tribal programs designed to combat hate crimes committed by juveniles, including programs to train local law enforcement officers in identifying, investigating, prosecuting, and preventing hate crimes.

**SA 2073.** Mr. LIEBERMAN (for himself, Mr. MCCAIN, Mr. KYL, Mr. GRAHAM, Mr. COLEMAN, Ms. COLLINS, Mr. SESSIONS, Mr. LEVIN, Mr. SALAZAR, and Mr. CRAIG) submitted an amendment intended to be proposed to amendment SA 2011 proposed by Mr. NELSON of Nebraska (for Mr. LEVIN) to the bill H.R. 1585, to authorize appropriations for fiscal year 2008 for military activities of the Department of Defense, for military construction, and for defense activities of the Department of Energy, to prescribe military personnel strengths for such fiscal year, and for other purposes; as follows:

At the end of title XV, add the following:  
**SEC. 1535. REPORT ON SUPPORT FROM IRAN FOR ATTACKS AGAINST COALITION FORCES IN IRAQ.**

(a) FINDINGS.—Congress makes the following findings:

(1) Since January 19, 1984, the Secretary of State has designated the Islamic Republic of Iran as a “state sponsor of terrorism,” one of only five countries in the world at present so designated.

(2) The Department of State, in its most recent “Country Reports on Terrorism,” stated that “Iran remained the most active state sponsor of terrorism” in 2006.

(3) The most recent Country Reports on Terrorism report further stated, “Iran continued [in 2006] to play a destabilizing role in Iraq... Iran provided guidance and training to select Iraqi Shia political groups, and weapons and training to Shia militant groups to enable anti-Coalition attacks. Iranian government forces have been responsible for at least some of the increasing lethality of anti-Coalition attacks by providing Shia militants with the capability to build IEDs with explosively formed projectiles similar to those developed by Iran and Lebanese Hezbollah. The Iranian Revolutionary Guard was linked to armor-piercing explosives that resulted in the deaths of Coalition Forces.”

(4) In an interview published on June 7, 2006, Zalmay Khalilzad, then-United States ambassador to Iraq, said of Iranian support for extremist activity in Iraq, “We can say with certainty that they support groups that are attacking coalition troops. These groups are using the same ammunition to destroy armored vehicles that the Iranians are supplying to Hezbollah in Lebanon. They pay money to Shiite militias and they train some of the groups. We can’t say whether Teheran is supporting Al Qaeda, but we do know that Al Qaeda people come here from Pakistan through Iran. And Ansar al Sunna, a partner organization of Zargawi’s network, has a base in northwest Iran.”

(5) On April 26, 2007, General David Petraeus, commander of Multi-National Force-Iraq, said of Iranian support for extremist activity in Iraq, “The level of financing, the level of training on Iranian soil, the level of equipping some sophisticated technologies... even advice in some cases,

has been very, very substantial and very harmful.”

(6) On April 26, 2007, General Petraeus also said of Iranian support for extremist activity in Iraq, “We know that it goes as high as [Brig. Gen. Qassem] Suleimani, who is the head of the Qods Force.... We believe that he works directly for the supreme leader of the country.”

(7) On May 27, 2007, then-Major General William Caldwell, spokesperson for Multi-National Force-Iraq, said, “What we do know is that the Iranian intelligence services, the Qods Force, is in fact both training, equipping, and funding Shia extremist groups... both in Iraq and also in Iran.... We have in detention now people that we have captured that, in fact, are Sunni extremist-related that have, in fact, received both some funding and training from the Iranian intelligence services, the Qods Force.”

(8) On February 27, 2007, in testimony before the Committee on Armed Services of the Senate, Lieutenant General Michael Maples, director of the Defense Intelligence Agency, said of Iranian support for extremist activity in Iraq, “We believe Hezbollah is involved in the training as well.”

(9) On July 2, 2007, Brigadier General Kevin Bergner, spokesperson for Multi-National Force-Iraq, stated, “The Iranian Qods Force is using Lebanese Hezbollah essentially as a proxy, as a surrogate in Iraq.”

(10) On July 2, 2007, Brigadier General Bergner detailed the capture in southern Iraq by coalition forces of Ali Musa Daqdaq, whom the United States military believes to be a 24-year veteran of Lebanese Hezbollah involved in the training of Iraqi extremists in Iraq and Iran.

(11) The Department of State designates Hezbollah a foreign terrorist organization.

(12) On July 2, 2007, Brigadier General Bergner stated that the Iranian Qods Force operates three camps near Teheran where it trains Iraqi extremists in cooperation with Lebanese Hezbollah, stating, “The Qods Force, along with Hezbollah instructors, train approximately 20 to 60 Iraqis at a time, sending them back to Iraq organized into these special groups. They are being taught how to use EPFs [explosively formed penetrators], mortars, rockets, as well as intelligence, sniper, and kidnapping operations.”

(13) On July 2, 2007, Brigadier General Bergner stated that Iraqi extremists receive between \$750,000 and \$3,000,000 every month from Iranian sources.

(14) On July 2, 2007, Brigadier General Bergner stated that “[o]ur intelligence reveals that senior leadership in Iran is aware of this activity” and that it would be “hard to imagine” that Ayatollah Ali Khamenei, the Supreme Leader of Iran, is unaware of it.

(15) On July 2, 2007, Brigadier General Bergner stated, “There does not seem to be any follow-through on the commitments that Iran has made to work with Iraq in addressing the destabilizing security issues here in Iraq.”

(16) On February 11, 2007, the United States military held a briefing in Baghdad at which its representatives stated that at least 170 members of the United States Armed Forces have been killed, and at least 620 wounded, by weapons tied to Iran.

(17) On January 20, 2007, a sophisticated attack was launched by insurgents at the Karbala Provincial Joint Coordination Center in Iraq, resulting in the murder of five American soldiers, four of whom were first abducted.

(18) On April 26, 2007, General Petraeus stated that the so-called Qazali network was responsible for the attack on the Karbala

Provincial Joint Coordination Center and that “there’s no question that the Qazali network is directly connected to the Iranian Qods force [and has] received money, training, arms, ammunition, and at some points in time even advice and assistance and direction”.

(19) On July 2, 2007, Brigadier General Bergner stated that the United States Armed Forces possesses documentary evidence that the Qods Force had developed detailed information on the United States position at the Karbala Provincial Joint Coordination Center “regarding our soldiers’ activities, shift changes, and defenses, and this information was shared with the attackers”.

(20) On July 2, 2007, Brigadier General Bergner stated of the January 20 Karbala attackers, “[They] could not have conducted this complex operation without the support and direction of the Qods Force.”

(b) SENSE OF CONGRESS.—It is the sense of Congress that—

(1) the murder of members of the United States Armed Forces by a foreign government or its agents is an intolerable and unacceptable act of hostility against the United States by the foreign government in question; and

(2) the Government of the Islamic Republic of Iran must take immediate action to end all training, arming, equipping, funding, advising, and any other forms of support that it or its agents are providing, and have provided, to Iraqi militias and insurgents, who are contributing to the destabilization of Iraq and are responsible for the murder of members of the United States Armed Forces.

(c) REPORT.—

(1) IN GENERAL.—Not later than 30 days after the date of the enactment of this Act, and every 60 days thereafter, the Commander, Multi-National Forces Iraq and the United States Ambassador to Iraq shall jointly submit to Congress a report describing and assessing in detail—

(A) the external support or direction provided to anti-coalition forces by the Government of the Islamic Republic of Iran or its agents;

(B) the strategy and ambitions in Iraq of the Government of the Islamic Republic of Iran; and

(C) any counter-strategy or efforts by the United States Government to counter the activities of agents of the Government of the Islamic Republic of Iran in Iraq.

(2) FORM.—Each report required under paragraph (1) shall be in unclassified form, but may contain a classified annex.

At the end of title XV, insert the following:

**SEC. 1535. SENSE OF THE SENATE ON THE CONSEQUENCES OF A FAILED STATE IN IRAQ.**

(a) **FINDINGS.**—The Senate makes the following findings:

(1) A failed state in Iraq would become a safe haven for Islamic radicals, including al Qaeda and Hezbollah, who are determined to attack the United States and United States allies.

(2) The Iraq Study Group report found that “[a] chaotic Iraq could provide a still stronger base of operations for terrorists who seek to act regionally or even globally”.

(3) The Iraq Study Group noted that “Al Qaeda will portray any failure by the United States in Iraq as a significant victory that will be featured prominently as they recruit for their cause in the region and around the world”.

(4) A National Intelligence Estimate concluded that the consequences of a premature withdrawal from Iraq would be that—

(A) Al Qaeda would attempt to use Anbar province to plan further attacks outside of Iraq;

(B) neighboring countries would consider actively intervening in Iraq; and

(C) sectarian violence would significantly increase in Iraq, accompanied by massive civilian casualties and displacement.

(5) The Iraq Study Group found that “a premature American departure from Iraq would almost certainly produce greater sectarian violence and further deterioration of conditions. . . . The near-term results would be a significant power vacuum, greater human suffering, regional destabilization, and a threat to the global economy. Al Qaeda would depict our withdrawal as a historic victory.”

(6) A failed state in Iraq could lead to broader regional conflict, possibly involving Syria, Iran, Saudi Arabia, and Turkey.

(7) The Iraq Study group noted that “Turkey could send troops into northern Iraq to prevent Kurdistan from declaring independence”.

(8) The Iraq Study Group noted that “Iran could send troops to restore stability in southern Iraq and perhaps gain control of oil fields. The regional influence of Iran could rise at a time when that country is on a path to producing nuclear weapons.”

(9) A failed state in Iraq would lead to massive humanitarian suffering, including widespread ethnic cleansing and countless refugees and internally displaced persons, many of whom will be tortured and killed for having assisted Coalition forces.

(10) A recent editorial in the New York Times stated, “Americans must be clear that Iraq, and the region around it, could be even bloodier and more chaotic after Americans leave. There could be reprisals against those who worked with American forces, further ethnic cleansing, even genocide. Potentially destabilizing refugee flows could hit Jordan and Syria. Iran and Turkey could be tempted to make power grabs.”

(11) The Iraq Study Group found that “[i]f we leave and Iraq descends into chaos, the long-range consequences could eventually require the United States to return”.

(b) **SENSE OF THE SENATE.**—It is the sense of the Senate that—

(1) the Senate should commit itself to a strategy that will not leave a failed state in Iraq; and

(2) the Senate should not pass legislation that will undermine our military’s ability to prevent a failed state in Iraq.

**SA 2101.** Mr. CRAIG submitted an amendment intended to be proposed by him to the bill H.R. 1585, to authorize appropriations for fiscal year 2008 for military activities of the Department of Defense, for military construction, and for defense activities of the Department of Energy, to prescribe military personnel strengths for such fiscal

**Subtitle D—Nuclear Terrorism Prevention****SEC. 3131. SHORT TITLE.**

This subtitle may be cited as the “Nuclear Terrorism Prevention Act of 2007”.

**SEC. 3132. DEFINITIONS.**

In this subtitle:

(1) The term “Convention on the Physical Protection of Nuclear Material” means the Convention on the Physical Protection of Nuclear Material, signed at New York and Vienna March 3, 1980.

(2) The term “formula quantities of strategic special nuclear material” means uranium-235 (contained in uranium enriched to 20 percent or more in the U-235 isotope), uranium-233, or plutonium in any combination in a total quantity of 5,000 grams or more computed by the formula, grams = (grams contained U-235) + 2.5 (grams U-233 + grams plutonium), as set forth in the definitions of “formula quantity” and “strategic special nuclear material” in section 73.2 of title 10, Code of Federal Regulations.

(3) The term “Nuclear Non-Proliferation Treaty” means the Treaty on the Non-Proliferation of Nuclear Weapons, done at Washington, London, and Moscow July 1, 1968, and entered into force March 5, 1970 (21 UST 483).

#### SEC. 3133. FINDINGS.

Congress makes the following findings:

(1) The possibility that terrorists may acquire and use a nuclear weapon against the United States is the most horrific threat that our Nation faces.

(2) The September 2006 “National Strategy for Combating Terrorism” issued by the White House states, “Weapons of mass destruction in the hands of terrorists is one of the gravest threats we face.”

(3) Former Senator and cofounder of the Nuclear Threat Initiative Sam Nunn has stated, “Stockpiles of loosely guarded nuclear weapons material are scattered around the world, offering inviting targets for theft or sale. We are working on this, but I believe that the threat is outrunning our response.”

(4) Existing programs intended to secure, monitor, and reduce nuclear stockpiles, redirect nuclear scientists, and interdict nuclear smuggling have made substantial progress, but additional efforts are needed to reduce the threat of nuclear terrorism as much as possible.

(5) Former United Nations Secretary-General Kofi Annan has said that a nuclear terror attack “would not only cause widespread death and destruction, but would stagger the world economy and thrust tens of millions of people into dire poverty”.

(6) United Nations Security Council Resolution 1540 (2004) reaffirms the need to combat by all means, in accordance with the Charter of the United Nations, threats to international peace and security caused by terrorist acts, and directs all countries, in accordance with their national procedures, to adopt and enforce effective laws that prohibit any non-state actor from manufacturing, acquiring, possessing, developing, transporting, transferring, or using nuclear, chemical, or biological weapons and their means of delivery, in particular for terrorist purposes, and to prohibit attempts to engage in any of the foregoing activities, participate in them as an accomplice, or assist or finance them.

(7) The Director General of the International Atomic Energy Agency, Dr. Mohammed ElBaradei, has said that it is a “race against time” to prevent a terrorist attack using a nuclear weapon.

(8) The International Atomic Energy Agency plays a vital role in coordinating efforts to protect nuclear materials and to combat nuclear smuggling.

(9) Legislation sponsored by Senator Richard Lugar, Senator Pete Domenici, and former Senator Sam Nunn has resulted in groundbreaking programs to secure nuclear weapons and materials and to help ensure

that such weapons and materials do not fall into the hands of terrorists.

#### SEC. 3134. SENSE OF CONGRESS ON THE PREVENTION OF NUCLEAR TERRORISM.

It is the sense of Congress that—

(1) The President should make the prevention of a nuclear terrorist attack on the United States of the highest priority;

(2) The President should accelerate programs, requesting additional funding as appropriate, to prevent nuclear terrorism, including combating nuclear smuggling, securing and accounting for nuclear weapons, and eliminating, removing, or securing and accounting for formula quantities of strategic special nuclear material wherever such quantities may be;

(3) The United States, together with the international community, should take a comprehensive approach to reducing the danger of nuclear terrorism, including by making additional efforts to identify and eliminate terrorist groups that aim to acquire nuclear weapons, to ensure that nuclear weapons worldwide are secure and accounted for and that formula quantities of strategic special nuclear material worldwide are eliminated, removed, or secure and accounted for to a degree sufficient to defeat the threat that terrorists and criminals have shown they can pose, and to increase the ability to find and stop terrorist efforts to manufacture nuclear explosives or to transport nuclear explosives and materials anywhere in the world;

(4) Within such a comprehensive approach, a high priority must be placed on ensuring that all nuclear weapons worldwide are secure and accounted for and that all formula quantities of strategic special nuclear material worldwide are eliminated, removed, or secure and accounted for; and

(5) The International Atomic Energy Agency should be funded appropriately to fulfill its role in coordinating international efforts to protect nuclear material and to combat nuclear smuggling.

#### SEC. 3135. SENIOR ADVISOR TO THE PRESIDENT FOR THE PREVENTION OF NUCLEAR TERRORISM.

(a) DESIGNATION OF POSITION.—The President shall designate an individual to serve in the Executive Office of the President as the Senior Advisor to the President for the Prevention of Nuclear Terrorism.

(C) overseeing and coordinating the development, by the departments and agencies of the United States Government, of accelerated and strengthened program implementation strategies and diplomatic strategies with respect to the prevention of nuclear terrorism;

(D) overseeing and coordinating the development of budget requests for programs to prevent nuclear terrorism and ensuring that such requests adequately reflect the priority of the threat of nuclear terrorism; and

(E) identifying such new initiatives to prevent nuclear terrorism as may be needed; and

(3) coordinating United States efforts to implement such policies.

#### SEC. 3136. MINIMUM SECURITY STANDARD FOR NUCLEAR WEAPONS AND FORMULA QUANTITIES OF STRATEGIC SPECIAL NUCLEAR MATERIAL.

(a) POLICY.—It is the policy of the United States to work with the international community to take all possible steps to ensure that all nuclear weapons around the world are secure and accounted for and that all formula quantities of strategic special nuclear material are eliminated, removed, or secure and accounted for to a level sufficient to defeat the threats posed by terrorists and criminals.

(b) INTERNATIONAL NUCLEAR SECURITY STANDARD.—In furtherance of the policy described in subsection (a), and consistent with the requirement for “appropriate effective” physical protection contained in United Nations Security Council Resolution 1540 (2004), as well as the Nuclear Non-Proliferation Treaty and the Convention on the Physical Protection of Nuclear Material, the President, in consultation with the Senior Advisor to the President for the Prevention of Nuclear Terrorism and relevant Federal departments and agencies, shall seek the broadest possible international agreement on a global standard for nuclear security that—

(1) ensures that nuclear weapons and formula quantities of strategic special nuclear material are secure and accounted for to a sufficient level to defeat the threats posed by terrorists and criminals;

(2) takes into account the limitations of equipment and human performance; and

(3) includes steps to provide confidence that the needed measures have in fact been implemented.

(c) INTERNATIONAL EFFORTS.—In furtherance of the policy described in subsection (a), the President, in consultation with the Senior Advisor to the President for the Prevention of Nuclear Terrorism and relevant Federal departments and agencies, shall—

(1) work with other countries and the International Atomic Energy Agency to assist as appropriate, and if necessary, work to convince, the governments of any and all countries in possession of nuclear weapons or formula quantities of strategic special nuclear material to ensure that security is upgraded to meet the standard described in subsection (b) as rapidly as possible and in a manner that—

(A) accounts for the nature of the terrorist and criminal threat in each such country; and

(B) ensures that any measures to which the United States and any such country agree are sustained after United States and other international assistance ends;

(2) ensure that United States financial and technical assistance is available as appropriate to countries for which the provision of such assistance would accelerate the implementation of, or improve the effectiveness of, such security upgrades; and

(3) work with the governments of other countries to ensure that effective nuclear security rules, accompanied by effective regulation and enforcement, are put in place to govern all nuclear weapons and formula quantities of strategic special nuclear material around the world.

#### SEC. 3137. ANNUAL REPORT.

(C) A prioritized diplomatic and technical plan, including measurable milestones, metrics, estimated timetables, and estimated costs of implementation, on the following:

(i) The security and accounting of nuclear weapons and related equipment and the elimination, removal, or security and accounting of formula quantities of strategic special nuclear material and radiological materials at such facilities and sites worldwide.

(ii) Ensuring that security upgrades and accounting reforms implemented at such facilities and sites worldwide using the financial and technical assistance of the United States are effectively sustained after such assistance ends.

**SEC. 2864. SENSE OF CONGRESS ON DEPARTMENT OF DEFENSE ACTIONS TO ADDRESS ENCROACHMENT OF MILITARY INSTALLATIONS.**

(a) FINDINGS.—In light of the initial report of the Department of Defense submitted pursuant to section 2684a(g) of title 10, United States Code, and of the RAND Corporation report entitled “The Thin Green Line: An Assessment of DoD’s Readiness and Environmental Protection Initiative to Buffer Installation Encroachment”, Congress makes the following findings:

(1) Development and loss of habitat in the vicinity of, or in areas ecologically related to, military installations, ranges, and airspace pose a continuing and significant threat to the readiness of the Armed Forces.

(2) The Range Sustainability Program (RSP) of the Department of Defense, and in particular the Readiness and Environmental Protection Initiative (REPI) involving agreements pursuant to section 2684a of title 10, United States Code, have been effective in addressing this threat to readiness with regard to a number of important installations, ranges, and airspace.

(3) Increasing and appropriate emphasis is being given to regional, landscape-scale efforts such as the Southeast Regional Partnership for Planning and Sustainability (SERPPAS) and the Western Regional Partnership (WRP).

(4) The opportunities to take effective action to protect installations, ranges, and airspace from encroachment is in many cases transient, and delay in taking action will result in either higher costs or permanent loss of the opportunity effectively to address encroachment.

(5) With the exception of the Air Force, the military departments are working to fully integrate the authority provided by section 2684a of title 10, United States Code, into their programs to address encroachment.

(b) SENSE OF CONGRESS.—It is the sense of Congress that the Department of Defense should—

(1) develop additional policy guidance on the further implementation of the Range and Environmental Protection Initiative (REPI), to include additional emphasis on protecting biodiversity and on further refining procedures;

(2) continue to give emphasis to regional, landscape-scale partnerships and initiatives such as the Southeastern Regional Partnership for Planning and Sustainability (SERPPAS) and the Western Regional Partnership (WRP);

(3) give greater emphasis to effective cooperation and collaboration on matters of mutual concern with other Federal agencies charged with managing Federal land;

(4) ensure that the Department of the Air Force takes full advantages of the authorities provided by section 2684a of title 10, United States Code, in addressing encroachment adversely affecting, or threatening to adversely affect, the installations, ranges, and military airspace of the Air Force; and

(5) provide significant additional resources to the program, to include dedicated staffing at the installation level and additional emphasis on outreach programs at all levels.

(c) REPORTING REQUIREMENTS.—

(1) RECOMMENDATIONS FOR PROPOSED LEGISLATION.—The Secretary of Defense shall include with the budget justification materials submitted to Congress in support of the budget of the President for fiscal year 2009 (as submitted with the budget of the President under section 1105 of title 31, United States Code)—

(e) REPORT.—Not later than 60 days after the date of the enactment of this Act, and every 30 days thereafter until May 31, 2008, the Secretary of Defense shall submit to the congressional defense committees a report on the status of redeployment efforts under this section.

(f) RULE OF CONSTRUCTION.—Nothing in this section shall be construed as prohibiting funding for personal protective equipment or other equipment or materiel necessary for improving the safety of members of the Armed Forces.
