AMS is committed to complying with the E-Government Act, to promote the use of the Internet and other information technologies to provide increased opportunities for citizen access to Government information and services, and for other purposes.

USDA has not identified any relevant Federal rules that duplicate, overlap, or conflict with this rule.

An interim final rule concerning this action was published in the **Federal Register** on July 30, 2007 (72 FR 41423). Copies of that rule were also mailed or sent via facsimile to all citrus handlers. Finally, the interim final rule was made available through the Internet by USDA and the Office of the **Federal Register**. A 60-day comment period was provided for interested persons to respond to the interim final rule. The comment period ended on September 28, 2007, and no comments were received.

A small business guide on complying with fruit, vegetable, and specialty crop marketing agreements and orders may be viewed at: <http://www.ams.usda.gov/fv/moab.html>. Any questions about the compliance guide should be sent to Jay Guerber at the previously mentioned address in the **FOR FURTHER INFORMATION CONTACT** section.

After consideration of all relevant material presented, including the information and recommendation submitted by the Committee and other available information, it is hereby found that this rule, as hereinafter set forth, will tend to effectuate the declared policy of the Act.

14 CFR Parts 11, 13, 17, 36, 91, 139, 150, 193, 404, and 406

Change in Address for the Department of Transportation (DOT) and DOT Migration to the Federal Docket Management System (FDMS)

AGENCY: Federal Aviation Administration (FAA), DOT.

ACTION: Final rule; technical amendment.

SUMMARY: This action updates the Department of Transportation (DOT) addresses, changes references from the Docket Management System to the Federal Docket Management System (FDMS), and removes obsolete information listed in FAA regulations as a result of DOT's relocation, migration to the Federal electronic docket system, and closure of the DOT Branch Library. The intended effect of this action is to ensure that the regulated public is informed of address changes, electronic docket changes, and other administrative matters.

DATES: Effective December 5, 2007.

FOR FURTHER INFORMATION CONTACT: Barbara Dinkins, Office of Rulemaking, ARM-210, Federal Aviation Administration, 800 Independence Avenue, SW., Washington, DC 20591; telephone: (202-493-4657); facsimile: (202-267-5075); e-mail: barbara.b.dinkins@faa.gov.

SUPPLEMENTARY INFORMATION: This technical amendment addresses the following administrative changes—

(1) The Department of Transportation (DOT) relocation of its entire headquarters to 1200 New Jersey Avenue, SE., Washington, DC;

(2) The DOT migration to the governmentwide electronic Federal Document Management System (FDMS) which replaces the old DOT Docket Management System (DMS); and

(3) Closure of DOT Transportation Branch Library.

As a result of these changes, the FAA is amending 14 CFR parts 11, 13, 17, 36, 91, 139, 150, 193, 404, and 406.

Because these actions are merely administrative in nature and removes outdated references, the FAA finds that notice and public procedure under 5 U.S.C. 553(b) is unnecessary. For the same reason, the FAA finds that good cause exists under 5 U.S.C. 553(d) for making this amendment effective upon publication.
