**ACTION:** Final rule; Nomenclature change.

**SUMMARY:** Effective October 1, 2013, the Department of Commerce (Department), through internal department organizational orders, changed the name of “Import Administration” to “Enforcement and Compliance.” Consistent with this action, this rule makes appropriate conforming changes in our regulations. The rule also sets forth a Savings Provision in **SUPPLEMENTARY INFORMATION** that preserves, under the new name, all actions taken under the name of Import Administration and provides that any references to Import Administration in any document or other communication shall be deemed to be references to Enforcement and Compliance.

**DATES:** This rule is effective December 20, 2013.

**FOR FURTHER INFORMATION CONTACT:** Robert Goodyear, Director, Office of Operations Support Enforcement & Compliance, Telephone: (202) 482–5194; Michele D. Lynch, Senior Counsel, Office of Chief Counsel for Trade Enforcement and Compliance, Telephone: (202) 482–2879.

#### **SUPPLEMENTARY INFORMATION:**

##### **Background**

This rule implements the decision by the Department, through internal Department Organizational Orders 10–3 (effective September 18, 2013) and Department Organizational Order 40–1, (effective September 19, 2013), to consolidate and reorganize certain department organizational functions and revise the name of “Import

Administration” to “Enforcement and Compliance.” The revision more accurately reflects the breadth of the agency’s activities with respect to the enforcement of, and compliance with, U.S. trade laws and agreements. Consistent with the consolidation and name change, this rule makes certain changes in part 358 of title 19 of the Code of Federal Regulations. Specifically, this rule changes all references to “Import Administration” wherever they appear in part 358 of title 19, to “Enforcement and Compliance.”

This rule shall constitute notice that all references to Import Administration in any documents, statements, or other communications, in any form or media, and whether made before, on, or after the effective date of this rule, shall be deemed to be references to Enforcement and Compliance. Any actions undertaken in the name of or on behalf of Import Administration, whether taken before, on, or after the effective date of this rule, shall be deemed to have been taken in the name of or on behalf of Enforcement and Compliance.

#### Rulemaking Requirements

1. This final rule has been determined to be exempt from review for purposes of Executive Order 12866.

2. This rule does not impose information collection and recordkeeping requirements. Consequently, it need not be reviewed by the Office of Management and Budget under the provisions of the Paperwork Reduction Act of 1995.

3. This rule does not contain policies with Federalism implications as this term is defined in Executive Order 13132.

4. The provisions of the Administrative Procedure Act (5 U.S.C. 553) requiring notice of proposed rulemaking, the opportunity for public participation, and a delay in effective date, are inapplicable because this rule involves a rule of agency organization, procedure, or practice. 5 U.S.C. 553(b)(B). Further, no other law requires that a notice of proposed rulemaking and an opportunity for public comment be given for this final rule. Because a notice of proposed rulemaking and an opportunity for public comment are not required to be given for this rule under 5 U.S.C. or by any other law, the analytical requirements of the Regulatory Flexibility Act (5 U.S.C. 601, et seq.) are not applicable. Accordingly, this rule is issued in final form.

#### FEDERAL MINE SAFETY AND HEALTH REVIEW COMMISSION

##### 29 CFR Part 2700

##### Procedural Rules To Permit Parties To File and Serve Documents Electronically

**AGENCY:** Federal Mine Safety and Health Review Commission

**ACTION:** Interim rule with request for comments.

**SUMMARY:** The Federal Mine Safety and Health Review Commission is amending its procedural rules to permit parties to file and serve documents electronically. The Commission is permitting electronic filing through an electronic case management system that the Commission will implement in 2014. The electronic case management system will allow the Commission to manage its caseload more efficiently.

**DATES:** This interim rule will take effect on January 22, 2014. The Commission will accept written and electronic comments received on or before April 22, 2014.

**ADDRESSES:** Electronic comments should state “Comments on Electronic Rule Changes” in the subject line and be emailed to [mmccord@fmshrc.gov](mailto:mmccord@fmshrc.gov). Written comments should be mailed to Michael A. McCord, General Counsel, Office of the General Counsel, Federal Mine Safety and Health Review Commission, 1331 Pennsylvania Avenue NW., Suite 520N, Washington, DC 20004–1710, or sent via facsimile to 202–434–9944.

#### FOR FURTHER INFORMATION CONTACT:

Michael A. McCord, General Counsel, Office of the General Counsel, Federal Mine Safety and Health Review Commission, at (202) 434–9935 or [mmccord@fmshrc.gov](mailto:mmccord@fmshrc.gov).

#### SUPPLEMENTARY INFORMATION:

##### A. Background

In 2014, the Commission will begin using a new electronic case management system (e-CMS) in order to more efficiently manage its caseload. The e-CMS has two main functions. It will manage files electronically for the Commission and allow parties to file documents electronically with the Commission. Although parties may file documents electronically through the system, parties may also continue to file documents non-electronically as they have in the past. The e-CMS simply provides parties with an electronic option for filing in addition to the methods they currently use.

The Commission’s e-CMS permits parties to file documents electronically through a portal which may be accessed on the Commission’s Web site ([www.fmshrc.gov](http://www.fmshrc.gov)). In order to use the system, parties will have to register to become a user by following instructions provided on the Commission’s Web site. As part of the registration process, the party must enter an email address into the system. The Commission’s e-CMS will not serve documents on parties electronically. If parties wish to serve other parties with documents electronically, they must email the documents to the intended recipients.

The Commission is changing a few of its procedural rules through these interim rules to explicitly permit electronic filing and service. The intent of the rule changes is to promote efficiency, flexibility, and simplicity. The Commission invites comments on the rule changes, particularly after parties have experience using the e-CMS. The Commission intends to publish final rules approximately six to nine months after the interim rules become effective. The time for publishing final rules will be adjusted as necessary to address any issues.

##### B. Section-by-Section Analysis

Set forth below is a summary of the changes made in these interim rules. Some conforming changes and minor editorial modifications are not discussed.

##### Section 2700.5 General Requirements for Pleadings and Other Documents; Status or Informational Requests
