FEDERAL RETIREMENT THRIFT INVESTMENT BOARD

5 CFR Parts 1630 and 1631

Privacy Act and Freedom of Information Requests

AGENCY: Federal Retirement Thrift Investment Board.

ACTION: Final rule.

SUMMARY: The Federal Retirement Thrift Investment Board (Agency) is amending its Privacy Act and FOIA regulations to reflect the Agency's current organizational structure and to transfer responsibility for reviewing Privacy Act and FOIA requests from the Agency's Office of Resource Management (formerly known as the Office of Administration) to the Office of General Counsel.

DATES: This rule is effective November 14, 2014.

FOR FURTHER INFORMATION CONTACT: Laurissa Stokes at (202) 942-1645.

SUPPLEMENTARY INFORMATION: The Agency administers the Thrift Savings Plan (TSP), which was established by the Federal Employees' Retirement System Act of 1986 (FERSA), Public Law 99-335, 100 Stat. 514. The TSP provisions of FERSA are codified, as amended, largely at 5 U.S.C. 8351 and 8401-79. The TSP is a tax-deferred retirement savings plan for Federal civilian employees and members of the uniformed services. The TSP is similar to cash or deferred arrangements established for private-sector employees under section 401(k) of the Internal Revenue Code (26 U.S.C. 401(k)).

On April 22, 2014, the Agency published a proposed rule with request for comments in the **Federal Register** (79 FR 22454). The Agency received no comments. Therefore, the Agency is publishing the proposed rule as final without modification.

The Agency has eleven organizational offices: The Office of the Executive Director, the Office of Participant Operations and Policy, the Office of General Counsel, the Office of Investments, the Office of Communications and Education, the Office of Enterprise Planning, the Office of Enterprise Risk Management, the Office of External Affairs, the Office of Financial Management, the Office of Resource Management, and the Office of Technology Services. This regulation updates the list of Agency offices contained in section 1631.3.

The Office of Resource Management (formerly known as the Office of Administration) currently has responsibility for reviewing, processing, and responding to initial requests for disclosure and initial requests to amend non-TSP records covered under the Privacy Act of 1974, 5 U.S.C. 552a. The Executive Director currently considers appeals of initial decisions to deny access to or amendment of records in consultation with the General Counsel.

This regulation transfers the responsibility for reviewing, processing, and responding to initial requests for disclosure and initial requests to amend non-TSP records covered under the Privacy Act to the Office of General Counsel by defining "Privacy Act Officer" to mean "the Board's General Counsel or his or her designee." The Executive Director will retain responsibility for making a final decision on appeal of an initial decision to deny access to or amendment of records. However, the Executive Director will no longer be required to consult the General Counsel before making a final determination.

Freedom of Information Act

The Office of Resource Management (formerly known as the Office of Administration) currently has responsibility for making initial determinations to approve or deny requests received pursuant to the Freedom of Information Act (FOIA), 5 U.S.C. 552. The General Counsel currently considers appeals of initial decisions to deny requests for records under the Freedom of Information Act.

This regulation transfers the responsibility for making initial determinations to approve or deny FOIA requests to the Office of General Counsel by defining "FOIA Officer" to mean "the Board's General Counsel or

his or her designee." In order to retain the opportunity for fair review on appeal, this regulation also transfers the responsibility for deciding appeals from the General Counsel to the Executive Director.

Regulatory Flexibility Act

I certify that this regulation will not have a significant economic impact on a substantial number of small entities. This regulation will affect Federal employees and members of the uniformed services who participate in the Thrift Savings Plan, which is a Federal defined contribution retirement savings plan created under the Federal Employees' Retirement System Act of 1986 (FERSA), Public Law 99-335, 100 Stat. 514, and which is administered by the Agency.

Paperwork Reduction Act

I certify that these regulations do not require additional reporting under the criteria of the Paperwork Reduction Act.

Unfunded Mandates Reform Act of 1995

Pursuant to the Unfunded Mandates Reform Act of 1995, 2 U.S.C. 602, 632, 653, 1501-1571, the effects of this regulation on state, local, and tribal governments and the private sector have been assessed. This regulation will not compel the expenditure in any one year of \$100 million or more by state, local, and tribal governments, in the aggregate, or by the private sector. Therefore, a statement under section 1532 is not required.

Submission to Congress and the General Accounting Office

Pursuant to 5 U.S.C. 810(a)(1)(A), the Agency submitted a report containing this rule and other required information to the U.S. Senate, the U.S. House of Representatives, and the Comptroller General of the United States before publication of this rule in the **Federal Register**. This rule is not a major rule as defined at 5 U.S.C. 814(2).

the person making the request may, within 30 calendar days of receipt of the response of the FOIA Officer, appeal the denial to the Executive Director. The appeal must be in writing, addressed to the Executive Director, Federal Retirement Thrift Investment Board, 77 K Street NE., Suite 1000, Washington, DC 20002, and be clearly labeled as a "Freedom of Information Act Appeal."

(b)(1) The Executive Director will act upon the appeal of a denial of a request for expedited processing within 5 work days of its receipt.

The denial of a request for records will state that the person making the request may, if dissatisfied with the decision on appeal, file a civil action in Federal court. (A Federal court does not have jurisdiction to review a denial of a request for expedited processing after the Board has provided a complete response to the request.)

(g) On appeal of a request concerning records, the Executive Director may reduce any fees previously assessed.
