(Councils) have agreed on a final rule
amending the Federal Acquisition
Regulation (FAR) to delete the
implementation of Executive Order
(E.O.) 13202 of February 17, 2001, as

SUPPLEMENTARY INFORMATION: A. Background

On February 6, 2009, the President issued E.O. 13502 which encourages executive agencies to consider requiring the use of project labor agreements in connection with large scale construction projects in order to promote economy and efficiency in Federal procurement. The term "project labor agreement" means a pre-hire collective bargaining agreement with one or more labor organizations that establishes the terms and conditions of employment for a specific construction project and is an

agreement described in 29 U.S.C. 158(f).

and E.O. 13208 (66 FR 18717, published April 11, 2001). E.O. 13202 prohibited the Government from requiring or prohibiting the use of project labor agreements by its construction contractors and subcontractors, and E.O. 13208 authorized certain exemptions from E.O. 13202.

This final rule amends the Federal Acquisition Regulation to revise FAR 36.202(d) to delete any references to the revoked Executive Order 13202.

This is a significant regulatory action and, therefore, was subject to review under Section 6(b) of Executive Order 12866, Regulatory Planning and Review, dated September 30, 1993. This rule is not a major rule under 5 U.S.C. 804.

B. Regulatory Flexibility Act

The Regulatory Flexibility Act does not apply to this rule. This final rule does not constitute a significant FAR revision within the meaning of FAR 1.501 and Public Law 98–577, and publication for public comments is not required.

C. Paperwork Reduction Act

The Paperwork Reduction Act does not apply because the changes to the FAR do not impose information collection requirements that require the approval of the Office of Management and Budget under 44 U.S.C. Chapter 35, et seq.
