

regulations. The current regulations are unnecessary as they add very little that is not already legally required under VAWA 2005 for grantees of the Campus Program. Accordingly, this rule also removes the Grants to Combat Violent Crimes Against Women on Campuses regulation.

The Office on Violence Against Women published the Notice of Proposed Rulemaking in the **Federal Register** on May 18, 2012. Comments were due by July 17, 2012. No comments were received in any form. Therefore, the Office on Violence Against Women is finalizing the proposed rule without change. This rule was reviewed by the Department of Justice's Regulatory Review Working Group, which was formed to implement Executive Order 13563 according to the criteria set forth in the Department's Plan for Retrospective Analysis of Existing Rules.

Regulatory Certifications

Executive Orders 12866 and 13563—Regulatory Review

This regulation has been drafted and reviewed in accordance with Executive Order 12866, "Regulatory Planning and Review," section 1(b), Principles of Regulation, and in accordance with Executive Order 13563, "Improving Regulation and Regulatory Review," section 1(b). General Principles of Regulation.

The Department of Justice has determined that this rule is not a "significant regulatory action" under Executive Order 12866, section 3(f), Regulatory Planning and Review, and accordingly this rule has not been reviewed by the Office of Management and Budget.

Further, both Executive Orders 12866 and 13563 direct agencies to assess all costs and benefits of available regulatory alternatives and, if regulation is necessary, to select regulatory approaches that maximize net benefits (including potential economic, environmental, public health and safety effects, distributive impacts, and equity). Executive Order 13563 emphasizes the importance of quantifying both costs and benefits, of reducing costs, of harmonizing rules, and of promoting flexibility. The Department has assessed the costs and benefits of this regulation and believes that the regulatory approach selected maximizes net benefits.

Executive Order 13132—Federalism

This regulation will not have substantial direct effects on the States, on the relationship between the national

government and the States, or on distribution of power and responsibilities among the various levels of government. Therefore, in accordance with Executive Order 13132, it is determined that this rule does not have sufficient federalism implications to warrant the preparation of a Federalism Assessment.

Executive Order 12988—Civil Justice Reform

This regulation meets the applicable standards set forth in sections 3(a) and 3(b)(2) of Executive Order 12988.

Executive Order 13175—Consultation and Coordination With Indian Tribal Governments

As set forth more fully above in the Supplementary Information portion, this rule will not result in substantial direct increased costs to Indian Tribal governments. Eliminating regulations for a program that no longer exists will not affect tribes.

Regulatory Flexibility Act

The Office on Violence Against Women, in accordance with the Regulatory Flexibility Act (5 U.S.C. 605(b)), has reviewed this regulation and, by approving it, certifies that this regulation will not have a significant economic impact upon a substantial number of small entities for the following reason: The economic impact is limited to the Office on Violence Against Women's appropriated funds.

Unfunded Mandates Reform Act of 1995

This rule will not result in the expenditure by State, local, and tribal governments, in the aggregate, or by the private sector, of \$100,000,000 or more in any one year, and it will not uniquely affect small governments. Therefore, no actions were deemed necessary under the provisions of the Unfunded Mandates Reform Act of 1995.

Small Business Regulatory Enforcement Fairness Act of 1996

This rule is not a major rule as defined by section 804 of the Small Business Regulatory Enforcement Fairness Act of 1996. This rule will not result in an annual effect on the economy of \$100,000,000 or more; a major increase in cost or prices; or significant adverse effects on competition, employment, investment, productivity, innovation, or on the ability of United States-based companies to compete in domestic and export markets.

33 CFR Part 117

[Docket No. USCG–2013–0577]

Drawbridge Operation Regulation; Lake Washington Ship Canal at Seattle, WA

AGENCY: Coast Guard, DHS.

ACTION: Notice of deviation from drawbridge regulation.

SUMMARY: The Coast Guard has issued a temporary deviation from the operating schedule that governs two Seattle Department of Transportation (SDOT) bridges: The Fremont Bridge, mile 2.6, and the University Bridge, mile 4.3, all crossing the Lake Washington Ship Canal at Seattle, WA. The deviation is necessary to accommodate the "See Jane Run Women's Half Marathon." This deviation allows the bridges to remain in the closed position to accommodate the safe movement of event participants.

DATES: This deviation is effective from 8 a.m. to 8:15 a.m. on July 14, 2013 for the Fremont Bridge, and from 8:45 a.m. to 9:15 a.m. on July 14, 2013 for the University Bridge.

ADDRESSES: The docket for this deviation, [USCG–2013–0577] is available at <http://www.regulations.gov>. Type the docket number in the “SEARCH” box and click “SEARCH.” Click on Open Docket Folder on the line associated with this deviation. You may also visit the Docket Management Facility in Room W12–140 on the ground floor of the Department of Transportation West Building, 1200 New Jersey Avenue SE., Washington, DC 20590, between 9 a.m. and 5 p.m., Monday through Friday, except Federal holidays.

FOR FURTHER INFORMATION CONTACT: If you have questions on this temporary deviation, call or email Steven Fischer, Lieutenant Commander, Thirteenth District Bridge Specialist, Coast Guard; telephone 206–220–7277, email Steven.M.Fischer2@uscg.mil. If you have questions on viewing the docket, call Barbara Hairston, Program Manager, Docket Operations, telephone 202–366–9826.

SUPPLEMENTARY INFORMATION: The SDOT requested a temporary deviation from the operating schedule for the Fremont Bridge, mile 2.6, and the University Bridge, mile 4.3, all crossing the Lake Washington Ship Canal at Seattle, WA. The requested deviation is necessary to accommodate the “See Jane Run Women’s Half Marathon”. This deviation allows the bridges to remain in the closed position to accommodate the safe movement of event participants. To facilitate this event, the draws of the bridges will be maintained in the closed-to-navigation positions as follows: The Fremont Bridge, mile 2.6, need not open for vessel traffic from 8 a.m. on July 14, 2013 to 8:15 a.m. on July 14, 2013; the University Bridge, mile 4.3, need not open for vessel traffic from 8:45 a.m. on July 14, 2013 to 9:15 a.m. on July 14, 2013. Vessels which do not require bridge openings may continue to transit beneath these bridges during the closure periods. The Fremont Bridge, mile 2.6, provides a vertical clearance of 14 feet in the closed position, and the University Bridge, mile 4.3, provides a vertical clearance of 30 feet in the closed position; all clearances are referenced to the mean water elevation of Lake Washington. The current operating schedule for both bridges is set out in 33 CFR 117.1051. The normal operating schedule for both bridges state that the bridges need not open from 7 a.m. to 9 a.m. and from 4 p.m. to 6 p.m. Monday through Friday for vessels less than 1000 tons. The normal operating schedule for these bridges also requires one hour advance notification for bridge openings between

11 p.m. and 7 a.m. daily. Waterway usage on the Lake Washington Ship Canal ranges from commercial tug and barge to small pleasure craft. Mariners will be notified and kept informed of the bridges’ operational status via the Coast Guard Notice to Mariners publication and Broadcast Notice to Mariners as appropriate. The bridges will be required to open, if needed, for vessels engaged in emergency response operations during this closure period.

In accordance with 33 CFR 117.35(e), the drawbridge must return to its regular operating schedule immediately at the end of the designated time period. This deviation from the operating regulations is authorized under 33 CFR 117.35.

Dated: June 25, 2013.

Daryl R. Peloquin,

Acting Bridge Administrator.
